

Next Phase of Traffic Control on Clairemont Drive

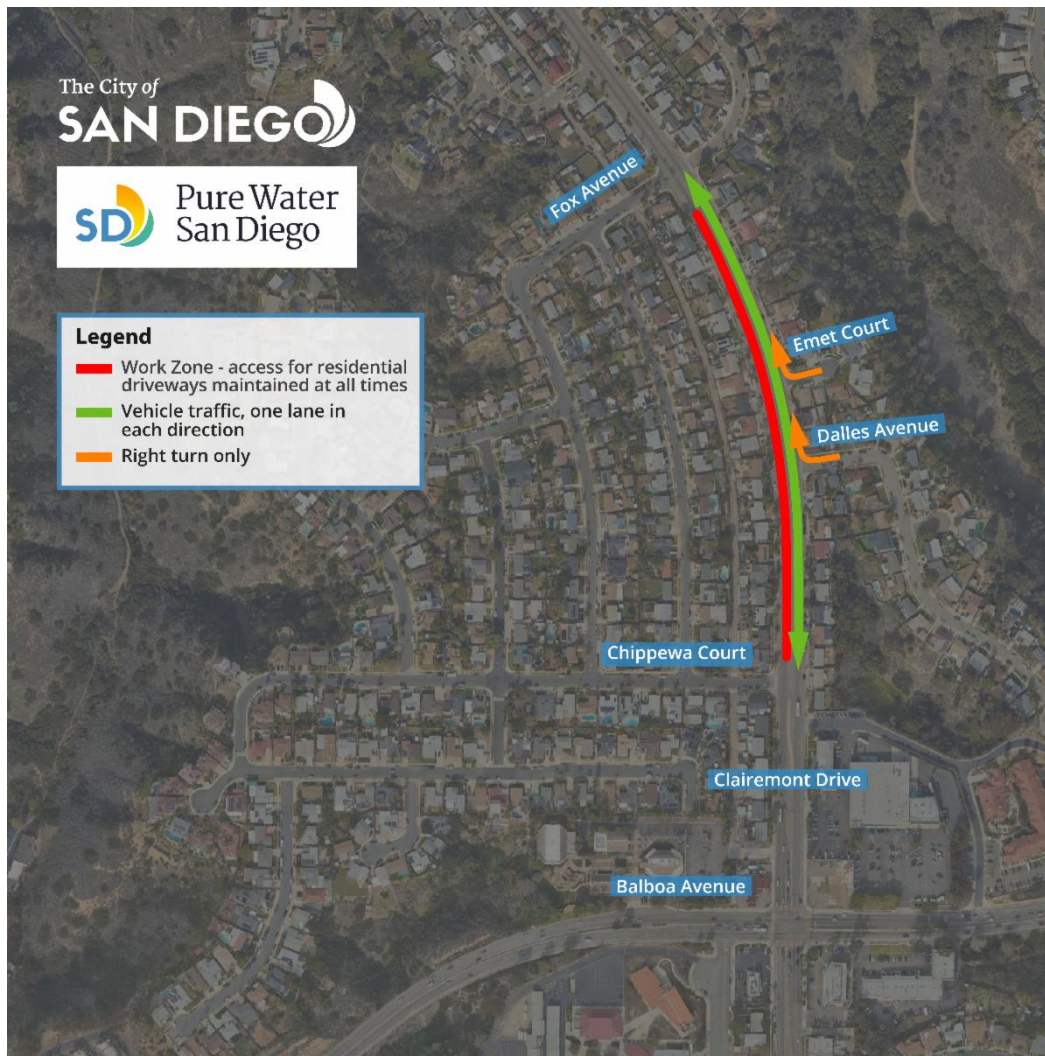

August 2, 2024

On Sunday night, August 4, crews will install the next phase of traffic control on Clairemont Drive, between Fox Avenue and Chippewa Court. One lane of traffic in each direction will be maintained on Clairemont Drive through the work zone, and Emet Court and Dalles Avenue will both be restricted to right turn only onto northbound Clairemont Drive. Access for residential driveways within the work zone will be maintained at all times. Street parking will be reduced within the work zone to accommodate construction. Please see the map graphic below which outlines how traffic control will be set up.

This phase of work is estimated to last approximately 5 weeks, but please be advised that the schedule is subject to change. Working hours for pipeline installation will be between 7:00 a.m. and 4:30 p.m., from Monday to Friday. Welding and other work to finalize pipeline installation will occur between 4:30 p.m. and 11:30 p.m.

For your safety, please follow all posted signage. Please plan extra time when traveling in the area to accommodate for traffic delays. Access for emergency vehicles will be maintained at all times.

The map graphic below outlines the traffic control setup during this phase.
