

## Upcoming Work at Morena Boulevard and Napa Street

September 5, 2024

On Sunday night, Sept. 8, crews will begin work to replace the median and install a new traffic signal on the north side of the Morena Boulevard and Napa Street intersection. This work is expected to be completed by Friday, Sept. 13. Between Sept. 8 and Sept. 13, one left turn lane from Morena Boulevard onto Napa Street will remain open. Between Sept. 8 and Sept. 15, northbound traffic on Morena Boulevard through the intersection will be reduced to one lane in order to give the newly-installed concrete time to cure.

For your safety, please follow all posted signage. Please plan extra time when traveling in the area to accommodate for traffic delays. Access for emergency vehicles will be maintained at all times.
