

**CONSTRUCTION NOTICE:
Night Work Scheduled for Morena Northern Pipelines and Tunnels
at Genesee Avenue and Centurion Square**

Oct. 24, 2024

During the week of October 28, the City of San Diego's contractor will be conducting night work near the intersection of Genesee Avenue and Centurion Square as part of the Morena Conveyance North Project. During this time, the contractor will be installing temporary piping crossing Genesee Avenue north of Centurion Square. Working hours will be from 11 p.m. to 5 a.m.

What to Expect:

- This work may include construction noise.
- Illumination from light towers may be visible.
- Flaggers will direct traffic through the work area during construction activities.

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. The Pure Water San Diego Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Northern Pipelines and Tunnels project is one of several major water infrastructure projects in Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on utc.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-UTC-PWSD (833-882-7973)** with questions about the City's Pure Water Program and the Morena Northern Pipelines and Tunnels project, and a team member will get back to you within one business day.
