The Hassle-Free Voting Experience: A Practical Guide.

Every active registered voter will automatically receive a ballot in the mail nearly a month before Election Day. You choose **when**, **where**, and **how** you vote! Elections are no longer a one-day event and there is no need to wait until Election Day to vote. You can vote in the comfort of your home or visit a vote center near you. **The choice is yours!**

Here are a few strategies to help make the voting process a more convenient experience for all:

VERIFY YOUR VOTER REGISTRATION

Have you moved or changed your name? Whether you are new to San Diego County or just moved down the street you need to re-register to vote. You can do this by completing a new voter registration form.

Verify your residence address and, if different, your mailing address. You can verify your voter information, register or re-register to vote at sdvote.com.

LEARN YOUR VOTING OPTIONS

MAIL IT. **DROP IT.** **VISIT.**

VOTE BY MAIL

Sign and date your return envelope, seal your ballot inside, and return it through the U.S. Postal Service.

Remember to sign your return envelope! **Your signature is required for your mail ballot to count.**

BALLOT DROP BOX

Sign and date your return envelope, seal your ballot inside, and return it to any of the Registrar of Voter's official ballot drop boxes.

VOTE CENTER

You can vote in person at any vote center in San Diego County.

Starting **Saturday, October 26**, select vote centers will be open daily from 8 a.m. to 5 p.m. until **Saturday, November 2**, when all vote centers will be open daily from 8 a.m. to 5 p.m.

All will again be open on the **final day of voting, November 5**, when the hours change to 7 a.m. to 8 p.m.

Come prepared. Due to the large number of contests on the ballot, it may take you longer to mark your ballot. Mark your selections on the sample ballot found in this pamphlet in advance so that when you go inside the voting booth you can quickly mark your selections.

Vote centers offer a full-service voting experience:

- Vote in-person or drop off an already voted mail ballot (sealed inside its return envelope).
- Use a touchscreen ballot marking device to mark your selections and print out your official ballot.
 - All ballot marking devices are fully accessible allowing voters with disabilities to vote independently and privately.
- Carry in the official ballot you receive in the mail, check-in at the vote center, sign the electronic roster, and cast your official ballot free of its return envelope.
- If you made a mistake or lost your mail ballot, you can instead vote in person using a ballot marking device at any vote center.
- Receive voting assistance, including assistance in multiple languages.
- Register to vote or update your registration and vote on the same day.

A complete list of official ballot drop boxes and vote centers can be found in this pamphlet and at sdvote.com.

TRACK YOUR MAIL BALLOT

SIGN UP. You can track your mail ballot through the U.S. Postal Service by signing up for **Where's My Ballot?** at sdvote.com.

YOUR VOICE. YOUR CHOICE!

Waiting until Election Day can be a hectic time of last-minute decisions. Or with a little preparation, you can avoid long lines and vote early! Either way, we will ensure every eligible vote is counted.

Know the facts.

Learn More About San Diego County's Voting System

All voter centers will have a full deployment of accessible touchscreen ballot marking devices. These devices can bring up every ballot type in one of five languages and produce a readable paper ballot. Because of this device, voters can vote in person at any vote center in the county.

This device does not store, tabulate, or count any votes, and does not store voter information.

After the voter confirms their selections on the device, the voter will print their ballot in the voting booth with the attached printer. The system prints a readable paper ballot showing the voter's selections along with a secure barcode. The barcode does not store voter information, it is used to tabulate results at the Registrar of Voter's office.

Voters can review their ballot, place it in a secrecy sleeve, and give it to the poll worker to place it in the ballot box to be counted at the Registrar's office. Once placed inside the ballot box, your ballot is officially cast!

Ballot Marking Device (BMD) Voting Instructions

1. Start Voting Session

Poll worker inserts activation card to start voting session. Poll worker will remove the card and allow you to make selections in private.

2. Language Selection

TAP the LANGUAGE of your choice to continue.

3. Adjust Settings

You can ADJUST text size, contrast, audio, and language any time during the ballot marking session.

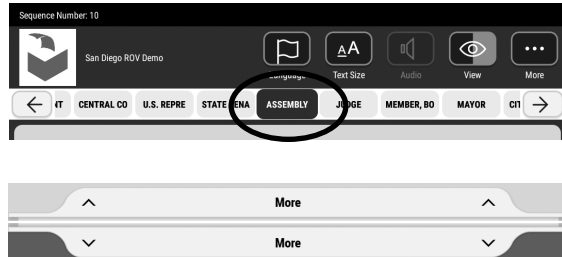

4. Navigate Ballot

Use contest tabs at TOP of screen or the navigation buttons at BOTTOM of screen.

Tap the **MORE** arrows at the top and bottom of the screen to scroll up and down the screen to see all available candidates for contests with multiple candidates.

5. Make Your Selections

Tap box next to your selection(s) for each contest to vote for that choice. You can tap again to deselect.

Note: For contests with multiple candidates, tap the **MORE** arrows at the top and bottom of the screen to scroll up and down the screen to see all available candidates.

6. Review Your Selections

After voting, tap the REVIEW button at the bottom of the screen.

During review, you may make changes to any contest by tapping on the contest. When complete, tap PRINT BALLOT.

7. Print Your Ballot

Tap PRINT YOUR BALLOT or tap REVIEW YOUR CHOICES to return to previous screen.

When complete, tap PRINT.

8. Retrieve Your Paper Ballot from Printer

Confirm your selections, place your ballot in secrecy sleeve or envelope provided by the poll worker. Return to poll worker to place in ballot box. **Get your "I Voted" sticker.**

WARNING: CORRUPTING THE VOTING PROCESS IS PROHIBITED!

VIOLATIONS SUBJECT TO FINE AND/OR IMPRISONMENT.

WHAT ACTIVITIES ARE PROHIBITED:

- DO NOT commit or attempt to commit election fraud.
- DO NOT provide any sort of compensation or bribery to, in any fashion or by any means induce or attempt to induce, a person to vote or refrain from voting.
- DO NOT illegally vote.
- DO NOT attempt to vote or aid another to vote when not entitled to vote.
- DO NOT engage in electioneering; photograph or record a voter entering or exiting a polling place; or obstruct ingress, egress, or parking.
- DO NOT challenge a person's right to vote or prevent voters from voting; delay the process of voting; or fraudulently advise any person that he or she is not eligible to vote or is not registered to vote.
- DO NOT attempt to ascertain how a voter voted their ballot.
- DO NOT possess or arrange for someone to possess a firearm in the immediate vicinity of a polling place, with some exceptions.

- DO NOT tamper or interfere with copy of the results of votes cast.
- DO NOT coerce or deceive a person who cannot read or an elder into voting for or against a candidate or measure contrary to their intent.
- DO NOT act as an election officer when you are not one.

EMPLOYERS cannot require or ask their employee to bring their vote by mail ballot to work or ask their employee to vote their ballot at work. At the time of payment of salary or wages, employers cannot enclose materials that attempt to influence the political opinions or actions of their employee.

PRECINCT BOARD MEMBERS cannot attempt to determine how a voter voted their ballot or, if that information is discovered, disclose how a voter voted their ballot.

The prohibitions on activity related to corruption of the voting process summarized above are set forth in Chapter 6 of Division 18 of the California Elections Code.

WARNING: ELECTIONEERING PROHIBITED!

VIOLATIONS CAN LEAD TO FINES AND/OR IMPRISONMENT.

WHERE: Within the immediate vicinity of a person in line to cast their ballot or within 100 feet of the entrance of a polling place, curbside voting or drop box the following activities are prohibited.

WHAT ACTIVITIES ARE PROHIBITED:

- DO NOT ask a person to vote for or against any candidate or ballot measure.
- DO NOT display a candidate's name, image, or logo.
- DO NOT block access to or loiter near any ballot drop boxes.
- DO NOT provide any material or audible information for or against any candidate or ballot measure near any polling place, vote center, or ballot drop box.
- DO NOT circulate any petitions, including for initiatives, referenda, recall, or candidate nominations.
- DO NOT distribute, display, or wear any clothing (hats, shirts, signs, buttons, stickers) that include a candidate's name, image, logo, and/or support or oppose any candidate or ballot measure.
- DO NOT display information or speak to a voter about the voter's eligibility to vote.

The electioneering prohibitions summarized above are set forth in Article 7 of Chapter 4 of Division 18 of the California Elections Code.

Accessible Voting

The Registrar of Voters is committed to providing voters with disabilities a secure, independent and private voting experience. Every effort has been made to ensure all vote centers meet usable accessibility standards. Vote centers will feature:

- Accessible ballot marking devices
- Curbside voting
- Additional assistance upon request

Voters that are unable to mark a ballot may bring up to two individuals to assist in voting (§ 14282 (b)).

Disability Rights California will operate a statewide Election Day Hotline for voters having difficulty voting because of a disability, please call (800) 735-2929.

Ballot Marking Device

Ballot marking devices will be available at every vote center. Each ballot marking device is equipped with a headset and a handheld controller for audio-based voting and is also available in Chinese, Filipino, Spanish and Vietnamese.

Remote Accessible Vote-By-Mail (RAVBM) System

The RAVBM system allows a voter with a disability to download a ballot on a personal computer and mark it privately and independently using their own assistive technology. After marking the ballot, the voter will print and return their ballot using the printable envelope template included in the RAVBM instructions. Just like any mail ballot, RAVBM ballots must be sealed inside an envelope, signed, and returned by mail, at any vote center, or official ballot drop box.

To request a RAVBM ballot you can complete the postcard with pre-paid postage located on the back of this pamphlet.

**Please call the San Diego County Registrar of Voters
(858) 565-5800 or Toll Free at (800) 696-0136 if you have
questions about accessible voting in San Diego County.**

Voters who are deaf, hard of hearing, or speech-disabled may use the California Relay Service (CRS) by dialing 711 to use the telephone system via a text telephone (TTY) or other devices to call the Registrar's Toll-Free Voter Phone Line. CRS supports the following modes of communication: TTY, VCO, 2LVCO, HCO, STS, VASTS, ASCII, or Voice.

Language Access and Voter Assistance

Under the California Voter's Choice Act, each eligible voter in San Diego County will receive a ballot in the mail nearly a month before Election Day. Voters may return their ballot by mail, at an official ballot drop box, or at any vote center. They may also choose to vote in-person at any vote center in the county.

No later than seven days before the day of the election, voters may request a vote by mail ballot in Spanish, Filipino, Vietnamese, or Chinese. For select precincts, voters may request a facsimile copy of the ballot in Arabic, Japanese, Korean, Laotian, Persian, or Somali.

No later than seven days before the day of the election, voters may request a remote accessible vote by mail ballot. This allows a voter with a disability to download a ballot onto a personal computer and mark it privately and independently using their own assistive technology.

To request a vote by mail ballot, facsimile ballot, or remote accessible vote by mail ballot, contact the Registrar of Voters at (858) 565-5800, toll free at (800) 696-0136, or at rovmail@sdcountry.ca.gov.

Conforme la Ley de Opciones para el Votante de California, cada votante elegible en el Condado de San Diego recibirá por correo una boleta electoral alrededor de un mes antes del Día de la Elección. Los votantes pueden depositar su boleta electoral por correo en un buzón oficial para boletas electorales o entregarla en cualquier centro de votación. También pueden optar por votar en persona en cualquier centro de votación del condado.

Al menos siete días antes del día de la elección, los votantes pueden solicitar una boleta de voto-por-correo en español, filipino, vietnamita o chino. En algunos distritos electorales, los votantes pueden solicitar una copia facsímil de la boleta electoral en árabe, japonés, coreano, laosiano, persa o somalí.

Al menos siete días antes del día de la elección, los votantes pueden solicitar una boleta electoral de voto-por-correo de acceso remoto. Esto le permite a un votante con discapacidad descargar una boleta electoral en una computadora personal y marcarla de forma privada e independiente utilizando su propia tecnología de asistencia.

Para solicitar una boleta electoral de voto-por-correo, una copia facsímil de la boleta electoral o una boleta electoral de voto-por-correo de acceso remoto, comuníquese con el Registro Electoral llamando al (858) 565-5800, al número gratuito (800) 696-0136 o en rovmail@sdcountry.ca.gov.

Sa ilalim ng Voter's Choice Act ng California, ang bawat karapat-dapat na botante sa County ng San Diego ay tatanggap ng balota sa koreo ng halos isang buwan bago ang Araw ng Eleksyon. Maaaring ibalik ng mga botante ang kanilang balota sa pamamagitan ng koreo, sa isang opisyal na ballot drop box, o sa anumang vote center. Maaari rin nilang piliing bumoto nang personal sa anumang vote center sa county.

Sa hindi lalampas ng pitong araw bago ang araw ng eleksyon, maaaring humiling ang mga botante ng balota ng pagboto sa pamamagitan ng koreo sa wikang Spanish, Filipino, Vietnamese, o Chinese. Para sa mga piling presinto, maaaring humiling ang mga botante ng facsimile na kopya ng balota sa Arabic, Japanese, Korean, Laotian, Persian, o Somali.

Sa hindi lalampas ng pitong araw bago ang araw ng eleksyon, maaaring humiling ang mga botante ng remote na accessible na balota ng pagboto sa pamamagitan ng koreo. Nagpapahintulot ito sa botanteng may kapansanan na i-download ang balota sa isang personal na computer at markahan ito nang pribado at nakapag-iisa gamit ang sarili niyang pantulong na teknolohiya.

Para humiling ng balota ng pagboto sa pamamagitan ng koreo, facsimile na balota, o remote na accessible na balota ng pagboto sa pamamagitan ng koreo, makipag-ugnayan sa Tagapagrehistro ng mga Botante sa (858) 565-5800, toll free sa (800) 696-0136, o sa rovmail@sdcountry.ca.gov.

Theo Đạo Luật Quyền Lựa Chọn Của Cử Tri (Voter's Choice Act) California, mỗi cử tri hợp lệ tại Quận San Diego sẽ nhận được một lá phiếu bầu qua đường bưu điện gần một tháng trước Ngày Bầu Cử. Các cử tri có thể gửi lại lá phiếu bầu qua thư, tại thùng thu nhận phiếu bầu chính thức hoặc tại bất kỳ trung tâm bỏ phiếu nào. Họ cũng có thể chọn bỏ phiếu trực tiếp tại bất kỳ trung tâm bỏ phiếu nào trong quận.

Không trễ hơn bảy ngày trước ngày bầu cử, các cử tri có thể yêu cầu lá phiếu bầu bằng thư bằng tiếng Tây Ban Nha, Phi Luật Tân, Việt Nam, hay Trung Hoa. Đối với một số khu bầu cử, các cử tri có thể yêu cầu bản sao lá phiếu bằng tiếng Ả Rập, Nhật Bản, Đại Hàn, Lào, Ba Tư hoặc Somali.

Không trễ hơn bảy ngày trước ngày bầu cử, các cử tri có thể yêu cầu được bầu bằng thư truy cập từ xa. Điều này cho phép cử tri bị khuyết tật tải lá phiếu xuống máy tính cá nhân và đánh dấu một cách riêng tư và độc lập bằng cách sử dụng công nghệ hỗ trợ của mình.

Để yêu cầu lá phiếu bầu qua thư, lá phiếu bầu qua fax hoặc lá phiếu bầu bằng thư truy cập từ xa, liên lạc Văn Phòng Bầu Cử theo số (858) 565-5800, số điện thoại miễn phí (800) 696-0136, hoặc tại rovmail@sdcounty.ca.gov.

《加州選民選擇法案》規定，San Diego縣每名符合資格的選民將於選舉日前一個月左右收到郵寄的選票。選民可以通過郵寄、官方選票投遞箱或者任何投票中心交回其選票。他們也可以選擇到縣內任何投票中心進行親身投票。

選民可以要求西班牙文、菲律賓文、越南文或中文版郵寄選票，但不得晚於選舉日前7天。在特別選定的選區，選民可以要求索取阿拉伯文、日文、韓文、寮文、波斯文或索馬里文選票的傳真副本。

選民可以要求遠端無障礙郵寄選票，但不得晚於選舉日前7天。這允許身障選民將選票下載至個人電腦，並使用自己的輔助科技工具，有隱私並獨立地標記選票。

如需郵寄選票、傳真選票或者遠端無障礙郵寄選票，請致電 (858) 565-5800、免付費電話 (800) 696-0136，或電郵至 rovmail@sdcounty.ca.gov 聯絡選民登記處。

بموجب قانون اختيار الناخبين في كاليفورنيا، سيحصل كل ناخب مؤهل في مقاطعة سان دييغو على بطاقة اقتراع عبر البريد قبل شهر تقريباً من يوم الانتخابات. يجوز للناخبين إعادة اقتراعهم عن طريق إرسال الاقتراع بالبريد، أو في موقع صندوق إيداع الاقتراع الرسمي، أو في أي مركز تصويت. ويجوز لهم أيضاً اختيار التصويت حضورياً في أي مركز تصويت في المقاطعة.

في موعد لا يتجاوز سبعة أيام قبل يوم الانتخابات، يجوز للناخبين طلب التصويت عن طريق الاقتراع بالبريد باللغة الإسبانية أو الفلبينية أو الفيتنامية أو الصينية. بالنسبة لدوائر انتخابية محددة، يجوز أن يطلب الناخبون نسخة طبق الأصل من بطاقة الاقتراع باللغة العربية أو اليابانية أو الكورية أو اللاوسية أو الفارسية أو الصومالية.

في موعد لا يتجاوز سبعة أيام قبل يوم الانتخابات، يجوز أن يطلب الناخبون التصويت عن بعد عن طريق الاقتراع بالبريد. يتيح ذلك للناخب من ذوي الإعاقة تنزيل بطاقة اقتراع على جهاز كمبيوتر شخصي ووضع علامة عليها بشكل خاص ومستقل باستخدام التكنولوجيا المساعدة الخاصة به.

لطلب التصويت عن طريق الاقتراع بالبريد، أو الاقتراع بالفاكس، أو التصويت الذي يمكن الوصول إليه عن بعد عن طريق الاقتراع بالبريد، اتصل بمسجل الناخبين على (858) 565-5800، الرقم المجاني على (800) 696-0136، أو على rovmail@sdcounty.ca.gov.

Your Voting Districts May Have Changed

District Boundaries Changed by the 2020 Census

Based on population figures from the 2020 census, the district boundary lines for U.S. Congress, State Senate, State Assembly, County Board of Supervisors, city council, school, and special districts may have changed to achieve a more equal balance of population. With these changes, you may now reside in different districts or have new representation.

Visit sdvote.com to find districts and representatives for the address you live in.

Click on the **I WANT TO** tab and select **FIND > My Districts/Representatives** or scan the QR code below. Enter your residence address information and a list of districts will be provided with the current districts listed at the top and the former districts, prior to changes by the 2020 census, listed at the bottom.

Voter-Nominated and Nonpartisan Offices

All voters, regardless of the party preference they disclosed upon registration, or refusal to disclose a party preference, may vote for any candidate for a voter-nominated or nonpartisan office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by the party or that the party approves of the candidate. The party preference, if any, of a candidate for a nonpartisan office does not appear on the ballot.

Office of United States Senate

There are two U.S. Senate contests on the November 5, 2024, General Election ballot.

The first contest is the regular election for the full 6-year term ending January 3, 2031.

The second contest is a special vacancy election (the current officeholder is temporarily filling a vacancy) for the remainder of the current term ending January 3, 2025.

You may vote for both contests.

MEASURES SUBMITTED TO THE VOTERS	STATE		STATE	
<p align="center">STATE</p> <p>PROP 2 AUTHORIZES BONDS FOR PUBLIC SCHOOL AND COMMUNITY COLLEGE FACILITIES. LEGISLATIVE STATUTE. Authorizes \$10 billion in general obligation bonds for repair, upgrade, and construction of facilities at K-12 public schools (including charter schools), community colleges, and career technical education programs, including for improvement of health and safety conditions and classroom upgrades. Requires annual audits. Fiscal Impact: Increased state costs of about \$500 million annually for 35 years to repay the bond. Supporters: California Teachers Association; California School Nurses Organization; Community College League of California Opponents: Howard Jarvis Taxpayers Association</p>	<p>PROP 4 AUTHORIZES BONDS FOR SAFE DRINKING WATER, WILDFIRE PREVENTION, AND PROTECTING COMMUNITIES AND NATURAL LANDS FROM CLIMATE RISKS. LEGISLATIVE STATUTE. Authorizes \$10 billion in general obligation bonds for water, wildfire prevention, and protection of communities and lands. Requires annual audits. Fiscal Impact: Increased state costs of about \$400 million annually for 40 years to repay the bond. Supporters: Clean Water Action; CALFIRE Firefighters; National Wildlife Federation; The Nature Conservancy Opponents: Howard Jarvis Taxpayers Association</p>		<p>PROP 6 ELIMINATES CONSTITUTIONAL PROVISION ALLOWING INVOLUNTARY SERVITUDE FOR INCARCERATED PERSONS. LEGISLATIVE CONSTITUTIONAL AMENDMENT. Amends the California Constitution to remove current provision that allows jails and prisons to impose involuntary servitude to punish crime (<i>i.e.</i> forcing incarcerated persons to work). Fiscal Impact: Potential increase or decrease in state and local costs, depending on how work for people in state prison and county jail changes. Any effect likely would not exceed the tens of millions of dollars annually. Supporters: Assemblymember Lori Wilson Opponents: None submitted</p>

STATE PROPOSITION

A SEPARATE CALIFORNIA STATE PAMPHLET (IN 8½ x 11 NEWSPRINT) IS PROVIDED BY THE SECRETARY OF STATE AND CONTAINS INFORMATION CONCERNING THE STATE PROPOSITION.

ARGUMENTS

Arguments in support of or in opposition to the proposed measures are the opinions of the authors and have not been checked for accuracy by any official agency.

CANDIDATE STATEMENTS

Senate and Assembly candidates who accepted voluntary spending limits, as well as all candidates for local nonpartisan offices had the opportunity to submit a statement. The following pages may not contain a statement for every candidate, as some candidates chose not to submit one. The statements are the opinions of the authors and have not been checked for accuracy by any official agency. Candidate statement costs are paid by the candidate or, in some cases, by the jurisdiction. (A complete list of candidates appears on the "SAMPLE" version of the Official Ballot in this pamphlet.)

PARTY ENDORSEMENTS

California law authorizes political parties to endorse candidates running for voter-nominated offices. Parties not listed below did not submit endorsements for voter-nominated offices within San Diego County by the deadline.

DEM: Adam Schiff (US Senator), Adam Schiff (US Senator - Partial), Stephen Houlihan (US Rep 48), Mike Levin (US Rep 49), Scott Peters (US Rep 50), Sara Jacobs (US Rep 51), Juan Vargas (US Rep 52), Akilah Weber (State Senate 39), Chris Duncan (Assembly 74), Darshana Patel (Assembly 76), Tasha Boerner (Assembly 77), Chris Ward (Assembly 78), LaShae Sharp-Collins (Assembly 79), David A. AI: Darrell Issa (US Rep 48), Bill Wells (US Rep 51), Laurie Davies (Assembly 74), Carl DeMaio (Assembly 75), Kristie Bruce-Lane (Assembly 76), James Browne (Assembly 77), Colin Parent (Assembly 79), Michael W. Williams (Assembly 80).

IMPORTANT INFORMATION FOR VOTERS

Top Two Candidates Open Primary Act: Proposition 14, passed by voters in 2010, changed the way primary elections are conducted in California. All "partisan" offices, except for President and party central committee, are "voter-nominated" offices.

- You may choose any candidate running for a voter-nominated office, regardless of the party you or the candidate prefers.
- For this election, United States Senate, United States Representative, State Senate, and State Assembly are voter-nominated offices.
- The two candidates with the highest number of votes in the primary election, regardless of party preference, go on to the general election ballot. There may be two candidates with the same party preference on your ballot for some voter-nominated offices.

Lower Drug Costs: I wrote landmark legislation to allow Medicare to negotiate drug prices for the first time. It protects incentives for new cures, caps what seniors pay for medicines at \$2,000 annually and caps their insulin costs at \$35 per month. It was included in the Inflation Reduction Act and is now law. I'll fight to protect Medicare and Social Security.

Help Families: I'm pro-choice, support funding for family planning and have a 100 percent rating from Planned Parenthood. I authored the only law that passed in over 10 years to help families pay down student debt. I secured federal funds to make community college textbooks free.

Save the Planet: I'm endorsed by the League of Conservation Voters and helped pass the most significant climate legislation in history. I've passed laws to reduce methane, CO2 emissions and other pollutants that poison our air and water and cause global warming. My POWER ON Act is now law. It gets renewable energy from where it's generated to where it's needed, bringing costs down.

Keeping Us Safe: I support an assault weapons ban and stricter criminal background checks for gun purchases. President Biden signed into law my STANDUP Act to prevent suicides and violence in schools.

Caring for Veterans: I passed laws to provide more veterans who are homeless with housing assistance and casework support.

Voting Rights: Free, fair elections are central to democracy. I strongly support the Freedom to Vote Act which protects voting access.

TASHA BOERNER

AGE: 51

California State Assemblymember

Dear Neighbor,

I'm a mom, businesswoman, and a former PTA leader who got my start in public service by fighting to get a stop sign installed near my kids' school. After first hitting a wall of bureaucracy, we eventually succeeded. The experience taught me the value of listening, being persistent, and finding common ground in order to get things done.

Since my election to the State Assembly, I've listened to San Diego County residents and worked hard to get good things done for our region. My record includes fighting to fully fund public schools, reduce homelessness, combat the climate crisis, support local businesses, and expand access to and mental health services. I've authored important legislation to protect our coastline, improve traffic safety, and prevent pricing discrimination based on gender.

I understand that that the high costs of gas, groceries, and housing are hurting local families and I'm working with urgency to find solutions. I'm also working with colleagues from both parties to address organized retail theft and the fentanyl epidemic.

Professionally, I have worked for Fortune 500 companies, nonprofits, and higher-education institutions. I received a B.A. in Political Science from the University of California, Berkeley and a M.A. in International Studies from Claremont Graduate University. I'm a proud mom of two children.

I'm honored to have the endorsement of groups representing local firefighters, teachers, and nurses. I hope to earn your vote.

COUNTY OF SAN DIEGO
Member of the Board of Supervisors - District No. 3

KEVIN FAULCONER
Small Businessman

I was honored to serve as Mayor of San Diego for six years. I worked hard every day to make local government work for all San Diegans. My door was always open to all residents and groups. It always will be.

County government has failed to address the same issues we successfully dealt with at the City. Rising homelessness, unaffordable housing, growing crime and crumbling roads are now serious County concerns. And the current approach simply asks you to pay higher taxes and fees with little to show for them.

While Mayor, we balanced our budgets, never raised taxes, doubled road repairs, made San Diego America's Safest City, protected and preserved Mission Bay, and crafted a first-of-its-kind Climate Action Plan. While homelessness increased in other big cities, our approach decreased homelessness by 12%.

As Supervisor, I will support CARE courts to enhance mental health and addiction services, establish more shelters, and address encampments to ensure all communities are clean and safe.

My guiding principle: local government shouldn't be partisan. There is no Democrat or Republican way to fill a pothole.

I will show up every single day. I will work hard for you to solve the problems our County faces.

San Diego County Supervisor

Terra Lawson-Remer makes a huge difference for San Diego County.

Terra grew-up in San Diego, trained as an economist and attorney, served as senior advisor in the Obama Administration, and worked as a college educator.

A strong environmentalist, Terra is fighting to clean-up San Diego's polluted stormwater, stop sewage runoff from the Tijuana River from contaminating our beaches, and protect clean water.

Terra is making real progress in addressing homelessness and clearing encampments by moving people into shelters and supportive housing. Terra is implementing CARE Court to require people with severe mental health problems be housed and receive treatment. She is increasing fentanyl enforcement and addiction treatment. And she is keeping seniors and families from becoming homeless by providing emergency assistance with rent, utilities, and unfair surprise medical bills.

Terra is a leading voice for gun-safety, including banning assault weapons and untraceable ghost guns, and enacting strict red-flag laws to keep guns out of the hands of criminals and domestic violence perpetrators.

Terra is a strong champion of safe, legal abortion, and is proudly endorsed by Planned Parenthood.

TODD GLORIA
Mayor

I grew up in Clairemont, the son of a gardener and a maid who taught me that if you love something, you should leave it better than you found it. I love San Diego, and I share your frustration at the challenges we face as a result of leaders ignoring our problems. Enough! I've made tough choices to get us back on the right path. While there is much work left to do, we've finally laid the foundation for progress.

Housing the homeless. I've banned homeless encampments near schools and in parks, increased shelter beds by 70%, and expanded mental health and substance abuse services.

Keeping San Diego safe. I've worked with law enforcement to keep crime low and make San Diego one of the safest big cities in the country.

Helping people get ahead. We must lower rents and mortgages and get more money into people's pockets by building middle-class housing in the right places, lowering utility costs, and creating good jobs.

Improving every neighborhood. We've repaired 939 miles of roads; fixed potholes, streetlights, and sidewalks; built fire stations; improved libraries; and opened or upgraded 20 parks.

Let's keep moving forward. Vote Todd Gloria for Mayor.

SDPD Community Relations
Officer

Larry Turner is a U.S. Marine Veteran, retired Lieutenant Colonel. He has led our nation's finest through combat and humanitarian relief missions, and still serves as a peace officer in San Diego working in community relations for our city.

He is a proud father and dedicated husband. For years he has listened to our local businesses, community leaders, and our most vulnerable citizens in crisis. Turner is not a politician, rather, he is a man of service and has excelled in operational leadership his entire career.

Turner's vision for San Diego is to focus on core city services, end the homelessness humanitarian crisis, and restore public safety and trust. He promises to deliver solutions only, not partisan politicking.

Larry Turner is running for Mayor of San Diego to be a voice for the citizens of San Diego, and return power back to the people.

**HEATHER FERBERT
Chief Deputy City Attorney**

Most Qualified For City Attorney

Chief Deputy City Attorney Heather Ferbert protects San Diego by putting the law first, never politics.

Heather Ferbert's unmatched legal qualifications: she's exposed corrupt contractors, fast-tracked emergency homeless shelters, cut red tape for affordable housing, upheld fair pay laws, defended women's reproductive freedom, strengthened public safety.

Heather Ferbert is the City Attorney we need: an experienced, independent attorney who enforces the law and solves problems – not a politician who creates them.

Heather Ferbert's Record:

- Toughened protections against violence and abuse targeting women, children.
- Saved taxpayers millions by exposing corrupt real estate deals.
- Wrote the law clearing unsafe homeless encampments.

Heather Ferbert's Priorities:

- Fight crime. Go after illegal guns.
- Prosecute price gougers to rein in costs.
- Defend the taxpayers. No backroom deals.

"Most experienced and qualified"

As an Assembly Representative, I wrote landmark laws to help people with disabilities and mental health challenges. I co-authored Proposition 1 to protect abortion rights in our State Constitution.

I am the only candidate for City Attorney endorsed by Planned Parenthood.

I've won tougher prison sentences for sex trafficking crimes against children and fentanyl dealers. San Diego's Police Officers Association and Firefighters endorse me for City Attorney.

I strengthened the law to prosecute companies who commit wage theft. I supported Sierra Club's work for environmental protection. This year, I was a leader in putting marriage equality on the ballot and getting guns off the street.

I'm running for City Attorney because that office needs change.

As City Attorney, I will never sign off on shady, multimillion dollar real estate deals that line people's pockets at taxpayer expense. I was named a "Clean Money Champion" by one of America's leading anti-public corruption organizations.

I've been an attorney for 30 years and am endorsed by San Diego's Deputy District Attorneys. I have practiced law, taught the law, and made the law. I have the experience and skills needed.

It's time for change.

CITY OF SAN DIEGO
Member of the City Council District No. 3

COLEEN CUSACK
Trial Attorney & K12 Educator

I am a teacher and public interest attorney, running for District 3 to put residents first, to provide leadership and representation based on inclusion and critical thinking, and not simply serve as a rubber stamp. I will be your critical voice.

I moved to San Diego 34 years ago to attend law school in District 3. I've lived in North Park for 26 years, deeply rooting myself in our community.

My experience as a trial attorney, where I demand adherence to constitutional rights, and as a K-12 educator, where I support students, highlights my commitment to justice and community.

With over 800 students and their families in District 3 facing homelessness. I commiserate with residents' frustration over high rents, poor infrastructure, and a city that dismisses shared community perspectives.

In my experience anti-camping ordinances and the Mega shelters are futile and flawed. I will instead apply a human rights-based approach to governance and unite us through shared goals to ensure everyone has the opportunity to thrive.

I am honored to have endorsements, among others, from the San Diego Union-Tribune (primary), and the San Diego Education Association.

STEPHEN WHITBURN
City Councilmember, City of San Diego

Dear Neighbor,

As your city councilmember, I work tirelessly to address our community's most pressing issues head-on. I spearheaded the Unsafe Camping Ordinance to address unhealthy encampments on our sidewalks, near our schools, and in our parks while establishing safe sleeping sites to provide safer and healthier places for people to go.

To address the affordability crisis, I have championed initiatives to create more affordable housing opportunities in our city than ever before. I am also fighting exorbitant water rate hikes so you don't pay a penny more than necessary.

Moving our city forward requires vision, determination, and a steadfast commitment to progress. Rather than naysaying from the sidelines, I've rolled up my sleeves to do the hard work of bringing people together to get things done.

We cannot return to more encampments on our streets or less funding for public safety. With your help, we can build a San Diego that is a better place for everyone.

I would be honored to earn your vote.

Sincerely,

Stephen Whitburn

SEAN ELO-RIVERA
City Council President

I am a father, husband, son, and brother building my family in District 9. I lead with my values — honesty, integrity, hard work, respect, and love. I understand the struggles of raising a family in a city that is too expensive for the working class.

Together, you and I have confronted our greatest challenges and will continue creating a better future for our families by:

Protecting against homelessness and increased housing costs:

- Creating a protection program for seniors and families at risk of homelessness
- Passing a law protecting against unfair evictions

Cleaning up our community and environment:

- Partnering with community to clean up over 150 tons of trash and plant hundreds of trees
- Securing more than \$50,000,000 for safer streets, parks and infrastructure
- Strengthening rules against pollution
- Dedicating \$7 million to support flood recovery

Improving safety, services, and economic opportunity:

- Strengthening gun control laws
- Expanding protections for those seeking reproductive care
- Keeping San Diego amongst America's safest big cities, decreasing violent crime
- Supporting small businesses and youth employment programs

I'd be honored to continue serving you.

Sincerely,
Sean

SAN DIEGO COUNTY MEASURE G

(This measure will appear on the ballot in the following form.)

MEASURE G

FUND SAN DIEGO COUNTY TRANSPORTATION, INFRASTRUCTURE, AND SAFETY PROJECTS THROUGH A HALF-CENT SALES TAX.

To repair/upgrade roads, bridges, storm drains, rail lines, and prevent railway bluff collapse; reduce traffic congestion; improve pedestrian, bicyclist, and driver safety; improve public transit; protect wildlife habitat/air quality; and fill potholes; shall the measure authorizing a half-cent sales tax raising \$350,000,000 annually until ended by voters, requiring citizen oversight, public spending disclosure, and independent annual audits be adopted?

This measure requires Simple Majority (50%+1) of those voting on the measure.

COUNTY COUNSEL IMPARTIAL ANALYSIS

MEASURE TO FUND SAN DIEGO COUNTY TRANSPORTATION, INFRASTRUCTURE, AND SAFETY PROJECTS THROUGH A HALF-CENT SALES TAX

This measure was placed on the ballot by a petition signed by the requisite number of voters.

This measure, if approved by a majority vote of qualified electors, would impose a transactions and use tax (commonly referred to as a "sales tax") of a half cent per dollar on the sale of all tangible personal property in the County of San Diego, in both incorporated and unincorporated areas. The sales tax would be administered similarly to collection of other state and local sales taxes. The sales tax is subject to certain specified exemptions and exclusions that are generally consistent with state and locally imposed sales taxes. The sales tax would remain in effect until repealed by voters. Proponents estimate that the sales tax would generate approximately \$350,000,000 per year.

Proceeds of the sales tax would be administered by the San Diego County Regional Transportation Commission ("Commission"). The Board of Directors of the San Diego Association of Governments serves as the Commission.

The Commission would spend the money as follows:

- 50% on capital projects related to transit;
- 27% on capital projects related to road and highway traffic flow and commuter safety;
- 7% for streets, road maintenance, and active transportation, half of which is designated for road projects of cities within San Diego County, based on population;
- 12% on transit operations and maintenance for the Metropolitan Transit System and North County Transit District;
- 2% for the repair, rehabilitation, and replacement necessary for rail transit; and,
- No more than 2% on general administration.

The measure would create a Taxpayer Oversight Committee to evaluate whether moneys have been spent according to the measure's requirements. The Committee is allotted a budget of up to \$300,000 per year with that amount increasing annually for inflation based on the Consumer Price Index. The measure would require the Commission to annually certify that it has properly expended the sales tax funds.

A YES vote would impose a half-cent sales tax for use on transportation, infrastructure, and safety projects.

A NO vote would reject a half-cent sales tax for use on transportation, infrastructure, and safety projects.

ARGUMENTS IN SUPPORT OF OR IN OPPOSITION TO THE PROPOSED LAWS ARE THE OPINIONS OF THE AUTHORS

ARGUMENT IN FAVOR OF MEASURE G

San Diego Transportation

Vote YES on Measure G: fix our roads and make real transit and transportation improvements to reduce traffic gridlock and give us more time with family and friends.

- Fix streets and **repair the worst potholes** and roads across San Diego County.
- Fix aging, underground storm drains to prevent more catastrophic sinkholes and collapsing roads - like we experienced during last winter's rains
- Re-route rail lines away from collapsing bluffs
- Fix old and deteriorating bridges

Don't be LA: If we don't start improving transportation now, San Diego's smog, congestion and traffic will only get worse.

This measure does what LA never did: expand transit to unclog freeways; preserve open space, lagoons and habitat to protect the environment.

Fixing storm drains will also **protect beaches and marine habitat.**

Let's reduce commute time and get home from work faster. Time wasted in traffic is time away from family and friends. Gridlock and air pollution will only get worse if nothing is done.

Measure G creates and improves rapid transit between housing and job centers like Mission Valley, Sorrento Valley, East County, Escondido, South County, and the Border.

Measure G will improve traffic on Highways 56, 76, 78, 125 and I-5, I-8, and I-15.

Measure G improves safety for everyone, whether driving, walking, biking or riding transit - including better evacuation from fire-prone areas. That's why Families for Safe Streets, firefighters and law enforcement support Measure G.

A real, accountable and transparent solution. Measure G includes independent citizen oversight, public disclosure and annual financial audits. If funds are misused, the oversight committee can refer to the District Attorney for criminal prosecution.

Local control: All Measure G funds will be under local control. Even better, every dollar raised brings \$2 more from State and Federal government: billions for local improvements that would otherwise be spent elsewhere.

REBUTTAL TO THE ARGUMENT IN FAVOR OF MEASURE G

As you read the argument for Measure G, keep in mind that no amount of spin can change these simple realities:

WE CAN'T AFFORD THIS MASSIVE TAX INCREASE

The backers of Measure G want to raise your taxes – and will say and promise you anything to get your money.

But they do not express a single concern that higher taxes will add to your cost-of-living burden. That's because they do not care about the financial impact of this tax hike on you.

WE CAN'T TRUST THESE POLITICIANS

The backers of Measure G cannot be trusted. How many times have we been lied to by these politicians and special interests when they claim a tax hike will fund things we want – and then they fail to deliver or divert the money to other things?

Read the fine print on Measure G – not a penny is specifically earmarked for what they claim.

DEMAND REFORM – NOT TAX HIKES

Instead of fixing the fiscal mess they have created, these politicians now want to put the burden of their wasteful spending on your back with this deceptive tax hike bailout for them. Let's force them to be accountable with their existing budget.

ARGUMENT AGAINST MEASURE G

MASSIVE TAX INCREASE

San Diegans Can't Afford Another Massive Tax Hike!

Measure G Makes San Diego's Cost-of-Living Crisis WORSE!

San Diego families are struggling with one of the highest cost-of-living burdens in the nation. Despite this, county politicians want to add to that by imposing an additional sales tax on residents – on top of California's sky-high existing sales tax!

Measure G imposes an extra 0.50% sales tax on your purchases — for a total sales tax of 8-9% depending on which city you live in!

Measure G Won't Fix Our Roads

Measure G backers are LYING to voters when they claim the funds are "earmarked" to road projects. But not a single penny in Measure A is specifically earmarked for general use roads!

Measure G contains loopholes that allow the money to go to transit projects, electric vehicle infrastructure, and salaries and benefits instead!

Measure G Allows Wasteful Spending with No Oversight

Measure G backers are the same untrustworthy politicians and special interests that raided our existing road repair funds from previous tax hikes they imposed on you! What's worse, recent audits have uncovered millions in waste, fraud and abuse from the costly road taxes you already pay!

Measure G Discriminates Against Minorities and Small Businesses

Measure G funds are being awarded to politically-connected contractors under discriminatory "Project Labor Agreements" that bar small businesses and minority-owned contractors from working on road projects!

REBUTTAL TO THE ARGUMENT AGAINST MEASURE G

Unfortunately, the argument against Measure G is full of misrepresentations and scare tactics.

Please review the FACTS about Measure G for yourself:

FACT- Nobody likes paying taxes but one reason that San Diego Middle Class Taxpayers Association supports Measure G is because it's a modest 1/2 cent measure that ensures visitors and tourists contribute their fair share to improving transportation in San Diego County. It's also important to remember that groceries and prescription medications are exempt.

FACT- Measure G WILL generate funding to be used countywide for repairing potholes, fixing roads and addressing traffic congestion-guaranteed. Measure G funds will also fix aging underground storm drains, improve evacuation routes from fire-prone areas, re-route rail lines away from collapsing bluffs, and fix old/deteriorating bridges.

FACT- Business leaders support Measure G because all funds will be under local control (can't be taken by Sacramento) and it includes strong provisions ensuring oversight/accountability while guarding against waste. Independent citizen oversight and public disclosure of expenditures are required as are annual financial audits. Any misuse of funds can be referred to the District Attorney for investigation/criminal prosecution.

FACT- Whether we drive, walk, ride transit or bicycle- if our region doesn't start improving transportation now, our smog, congestion and traffic will only get worse. Measure G also protects beaches/marine habitat while preserving open space/lagoons.

FACT- Every dollar generated by Measure G brings an additional \$2 in matching funds from State/Federal governments. Isn't it time we got our fair share of these funds?

FULL TEXT OF MEASURE G

The people of the County of San Diego ordain as follows:

Section 1. Title

This measure shall be known and may be cited as the San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Ordinance.

Section 2. Findings

The people of the County of San Diego hereby find and declare the following:

(a) San Diego County is a great place to live and raise a family, but traffic congestion, crumbling streets and freeway gridlock threaten our quality of life.

(b) Time stuck in traffic takes away from time better spent at home with family and friends.

(c) Pothole riddled streets lead to increased costs for car maintenance and fuel.

(d) Aging infrastructure, from coastal rail lines to storm drains, are at serious risk of collapse.

(e) And jam-packed freeways aren't only frustrating – they pollute our air and damage the climate.

(f) To keep San Diego safe, livable and thriving, we need to invest in projects to reduce traffic, fix crumbling infrastructure, and improve transportation countywide.

(g) This measure is focused on the essential transportation improvements that will make life better for San Diego County residents now: getting more cars off the road by expanding the transit system and making our existing roads and highways safer and more efficient.

(h) The time is now – without this measure, we will experience even more traffic, gridlock, and smog as San Diego's population continues to grow and the number of cars increases.

(i) This measure's funding is guaranteed to go directly to San Diego County transportation priorities – and nothing else. The funds go directly into a special account politicians can't touch and, if the funds are misused, violators will be subject to possible criminal prosecution by the District Attorney and Attorney General.

(j) Independent audits every year and a citizens' taxpayer oversight committee will ensure funds are spent wisely on transportation priorities as the voters intend.

Section 3. Purpose and Intent

It is the people of San Diego County's intent to do all of the following with the San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Ordinance:

(a) Reduce traffic congestion and gridlock, improve freeway traffic flow and make commutes shorter and easier.

(b) Expand San Diego's public transit system with rapid routes to job centers and schools, a rail connection to the Airport, and improved service on trolleys and buses.

(c) Help address San Diego County's severe housing shortage by providing additional resources for our transportation and transit systems.

(d) Keep the transportation system safe with repairs, retrofits and safety upgrades to aging bridges, storm drains and rail lines on bluffs in danger of collapse.

FULL TEXT OF MEASURE G (CONTINUED)

(e) Reduce air pollution and preserve natural habitat and open space to protect San Diego's environment and quality of life.

(f) Make public transportation more affordable, convenient and reliable for seniors, students, the disabled and working-class people without cars who rely on transit.

(g) Create thousands of quality, blue-collar construction jobs and better connect our region's employment centers to attract jobs of all kinds to San Diego County.

(h) Create and maintain fire evacuation routes in wildfire-prone areas so San Diego County is prepared and safe in case of emergency.

(i) Provide funding for local road repairs in every city and in unincorporated San Diego County, including filling potholes, repaving streets and upgrades for pedestrian safety.

(j) The measure will not impose a tax or fee on drivers, developers, or others based on vehicle miles traveled (VMT) and does not impose vehicle miles traveled standards on commercial or residential development projects in San Diego County. The measure imposes a transaction and use tax, subject to a majority vote of County voters, at the rate of one-half of one percent (.5%) within San Diego County to fund transportation priorities within the County, including funding transportation infrastructure projects by the San Diego County Regional Transportation Commission.

(k) Protect taxpayers with strict accountability measures, including independent audits and citizens' oversight, to ensure funds are spent as intended by voters.

Section 4. County of San Diego Improvement Plan

22.501 Title

This chapter shall be known as the San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Ordinance (the "Ordinance").

FULL TEXT OF MEASURE G (CONTINUED)

22.502 Definitions

For the purpose of this chapter, the following definitions shall apply:

"Commission" means the San Diego County Regional Transportation Commission created by Chapter 1576 of the Statutes of 1985 (Division 12.7 (commencing with Section 132000) of the Public Utilities Code).

"Committee" means the Taxpayer Oversight Committee established as set forth in Section 22.520.

"County" means the County of San Diego.

"Fund" means the San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Fund.

"Operative Date" means the first day of the first calendar quarter commencing more than one hundred ten (110) days after the adoption of this Ordinance.

22.503 Purpose

This Ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

(a) To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) and Section 7285.5 of Part 1.7 of Division 2 of the Revenue and Taxation Code, which authorize the County to adopt this tax Ordinance, which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose. This retail transactions and use tax shall be in addition to any other taxes authorized by law, including any existing or future state or local transactions and use tax. The imposition, administration, and collection of the tax shall be in accordance with all applicable statutes, laws, and rules and regulations prescribed and adopted by the California Department of Tax and Fee Administration.

(b) To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

(c) To adopt a retail transactions and use tax ordinance that imposes a tax therefor that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

(d) To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this Ordinance.

22.504 Contract with State

(a) Prior to the operative date, the County shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax Ordinance; provided, that if the County shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

(b) Pursuant to section 22.517, the County may use the proceeds from this transactions and use tax Ordinance to pay for the costs to

FULL TEXT OF MEASURE G (CONTINUED)

administer and operate the transactions and use taxes Ordinance pursuant to section 7272 of the Revenue and Taxation Code.

22.505 Transactions Tax Rate

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated and unincorporated territory of the County at the rate of one half of one percent (0.5%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this Ordinance.

22.506 Place of Sale

For purposes of this Ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

22.507 Use Tax Rate

An excise tax is hereby imposed on the storage, use or other consumption in the County of tangible personal property purchased from any retailer on and after the operative date of this Ordinance for storage, use or other consumption in said territory at the rate of one half of one percent (0.5%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

22.508 Adoption of Provisions of State Law

Except as otherwise provided in this Ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Ordinance as though fully set forth herein.

22.509 Limitations on Adoption of State Law and Collection of Use Taxes

(a) In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

(1) Wherever the State of California is named or referred to as the taxing agency, the name of this County shall be substituted therefore. However, the substitution shall not be made when:

(A) The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California.

(B) The result of that substitution would require action to be taken by or against this County or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Ordinance.

(C) In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

(i) Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption

FULL TEXT OF MEASURE G (CONTINUED)

remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

(ii) Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

(D) In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

(b) The word "County" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203 of the Revenue and Taxation Code.

(c) "A retailer engaged in business in the County" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

22.510 Permit Not Required

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this Ordinance.

22.511 Exemptions and Exclusions

(a) There shall be excluded from the Ordinance of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

(b) There are exempted from the computation of the amount of transactions tax the gross receipts from:

(1) Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the County in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

(2) Sales of property to be used outside the County, which is shipped to a point outside the County, pursuant to the contract of sale, by delivery to such point by the retailer or the retailer's agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this section, delivery to a point outside the County shall be satisfied:

(A) With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-county address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

(B) With respect to commercial vehicles, by registration to a place of business outside the County and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

FULL TEXT OF MEASURE G (CONTINUED)

(3) The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this Ordinance.

(4) A lease of tangible personal property, which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this Ordinance.

(5) For the purposes of paragraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

(c) There are exempted from the use tax imposed by this Ordinance, the storage, use or other consumption in this County of tangible personal property:

(1) The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

(2) Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

(3) If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this Ordinance.

(4) If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this Ordinance.

(5) For the purposes of subsections (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

(6) Except as provided in subsection (7) a retailer engaged in business in the County shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the County or participates within the County in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the County or through any representative, agent, canvasser, solicitor, subsidiary, or person in the County under the authority of the retailer.

(7) "A retailer engaged in business in the County" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the County.

FULL TEXT OF MEASURE G (CONTINUED)

(d) Any person subject to use tax under this Ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a county imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

22.512 Amendments

All amendments subsequent to the effective date of this Ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are consistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this Ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this Ordinance.

22.513 Enjoining Collection Forbidden

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the County, or against any officer of the State or the County, to prevent or enjoin the collection under this Ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

22.514 [Reserved]

22.515 San Diego County Improvement Measure for Traffic, Infrastructure and Safety Fund

There is hereby established in the treasury of the County of San Diego a special fund called San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Fund, which shall be maintained by the County.

22.516 Receipt of Proceeds

(a) All revenue generated by this Ordinance shall be deposited into the San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Fund.

(b) The uses and expenditures of money allocated to the San Diego County Improvement Measure for Traffic, Infrastructure and Safety Fund shall be governed by and subject to the requirements set forth in sections 22.517 through 22.519.

22.517 Use of Proceeds

(a) Moneys in the San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Fund shall be used to reimburse the County for the costs imposed by the California Tax and Fee Administration to administer and operate this tax pursuant to subdivision (b) of section 22.504 and for use by the Taxpayer Oversight Committee pursuant to subdivision (e) of section 22.520.

(b) The remaining moneys in the Fund shall be appropriated each fiscal year to the San Diego County Regional Transportation Commission solely for the purposes specified in section 22.519.

22.518 Supplement to Existing Commission Funding

(a) The People of the County of San Diego find and declare that transportation infrastructure needs of the County require more resources than currently provided. In adopting this measure, the people of the County of San Diego choose to provide additional County resources to supplement, and not supplant, local, State, Federal and other funding for the Commission.

(b) This funding is intended to be in addition to and not to replace any other monies provided by the County to the Commission.

FULL TEXT OF MEASURE G (CONTINUED)

22.519 Expenditure Plan

(a) The proceeds in the San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Fund shall be expended in the following manner:

(1) Fifty percent (50%) on capital projects related to transit including, but not limited, to:

(A) Upgrades and improvements to the I-5 North Coast Corridor rail line to prevent bluff collapse, and to increase rail route safety and reliability;

(B) Rail connector to San Diego International Airport;

(C) Rail system extension from South County to Kearny Mesa;

(D) Infrastructure upgrades for express service on South County rail lines;

(E) Creating a system of rapid routes/transit connections between population and job centers, including Mission Valley, Sorrento Valley, La Mesa, Escondido, South County and the Border;

(F) Road and highway grade separations, pedestrian safety, stormwater infrastructure, active transportation, habitat preservation, and climate mitigation projects.

(G) Safety, mobility, amenities, and security enhancements at transit stops.

(2) Twenty-seven (27%) on capital projects related to road and highway traffic flow and commuter safety, including, but not limited to:

(A) Fire evacuation routes on State Route 67 and other roadways in fire prone areas;

(B) Bridge safety repair and retrofits;

(C) Highway maintenance, improvements, and connectivity projects on State Routes 56, 76, 78, 94, 125 and Interstates 5, 8, 15, 805;

(D) HOV lanes and traffic congestion reduction programs throughout the County;

(E) Expanding electric vehicle infrastructure, including electric vehicle charging stations, and acquisition of electric zero emission buses;

(F) Road and highway grade separations, pedestrian safety, stormwater infrastructure, active transportation, habitat preservation, and climate mitigation projects.

(3) Seven percent (7%) for local streets, roads maintenance, and active transportation, half of which will be Local Return Funds for local road projects, including repaving streets, filling potholes, fixing storm drains, and active transportation projects. "Local Return Funds" means funds returned to the cities within San Diego County, based on population, for the purposes specified in this paragraph.

(4) Twelve percent (12%) on transit operations and maintenance for the Metropolitan Transit System and North County Transit District, including, but not limited to:

(A) Keeping fares affordable and/or free for seniors, youth, disabled, veterans;

(B) Frequency and service enhancements on bus routes and rail transit services;

FULL TEXT OF MEASURE G (CONTINUED)

(C) Enhancing transit stop safety and sanitation services.

(5) Two percent (2%) for the repair, rehabilitation and replacement required to maintain reliable, safe, effective, and efficient rail transit services.

(6) No more than two percent (2%) shall be expended on general administrative services including contractual services, salaries, wages, benefits, and overhead necessary to carry out administrative responsibilities.

(b) The purposes set forth in this section shall constitute the specific purposes of the Ordinance, which are specific and legally binding limitations on how the proceeds of the tax can be spent. The proceeds of the tax imposed by this Ordinance shall be used only for such purposes and shall not fund any purpose, program or project other than those set forth herein.

(c) The County shall require the Commission to certify on an annual basis that all expenditures made in the prior fiscal year have been expended consistent with the requirements set forth in this Ordinance. The Commission shall make this certification in a report presented to the San Diego County Board of Supervisors, which shall be made available to the public.

22.520 Taxpayer Oversight Committee

(a) The Taxpayer Oversight Committee shall be established on the effective date of this ordinance, as specified in Elections Code section 9122, to provide an enhanced level of accountability for the expenditures from the San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Fund. The Board of Supervisors shall appoint members to the Taxpayer Oversight Committee no later than 45 days after the effective date of this Ordinance.

(b) The Taxpayer Oversight Committee shall be composed of seven at-large, voting members with the characteristics described below. Members of the committee shall not simultaneously hold any elected office. The intent is to have one member representing each of the specified areas of expertise. If, however, after a good faith effort, qualified individuals have not been identified for one or more of the areas of expertise, then no more than two members from one or more of the remaining areas of expertise may be selected. For each of the areas of expertise listed below, an individual representing one of the region's colleges or universities who possesses a comparable level of academic experience is eligible for selection.

(1) A professional in the field of municipal/public finance and/or budgeting with a minimum of ten years in a relevant and senior decision-making position in the public or private sector.

(2) A licensed architect, civil engineer, or traffic engineer with demonstrated experience of ten years or more in the fields of transportation and/or urban design in government or the private sector.

(3) A professional with demonstrated experience of ten years or more in real estate, land economics, and/or right-of-way acquisition.

(4) A professional with demonstrated experience of ten years or more in the management of large-scale construction projects.

(5) A licensed engineer with appropriate credentials in the field of transportation project design or construction and a minimum of ten years of experience in a relevant and senior decision-making position in the government or private sector.

(6) The chief executive officer or person in a similar senior-level decision-making position, of a major private sector employer who possesses demonstrated experience in leading a large organization.

(7) A professional in biology or environmental science with demonstrated experience of ten years or more with environmental regulations and major project mitigation requirements and/or habitat acquisition and management.

FULL TEXT OF MEASURE G (CONTINUED)

(8) A representative of a labor union whose membership is comprised primarily of workers in the building and construction trades industry in San Diego County.

(9) A representative of the environmental justice community who is a frequent user of the San Diego County transit system.

(10) The Committee shall have two ex-officio members: the Executive Director of the San Diego Association of Governments (SANDAG) and the San Diego County Auditor.

(c) The Committee shall have the following responsibilities:

(1) Conduct an annual fiscal and compliance audit of all San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Fund expenditures using the services of an independent fiscal auditor to verify compliance with the Ordinance. This annual audit will evaluate compliance with the supplemental funding requirement in section 22.518 and any other applicable requirements. The audits will identify each project that was funded in the prior fiscal year and will include the accumulated expenses and revenues for ongoing, multi-year projects.

(2) Prepare an annual report presenting the results of the annual audit process. The report should include an assessment of the consistency of the expenditures of the San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Fund with the Ordinance. The assessment shall include a review of expenditures by project type for each local jurisdiction. The report shall be presented to the San Diego County Board of Supervisors and the Board of Directors of the San Diego Association of Governments (SANDAG), and shall be made available to the public.

(3) If the Committee determines that any funds in the San Diego County Improvement Measure for Traffic, Infrastructure, and Safety Fund were misused in violation of section 424 of the Penal Code or any other state law, the Committee shall make a referral detailing the misuse to the San Diego County District Attorney's Office, the Attorney General, and any other applicable state or local agency or official.

(d) Term limits

(1) Committee members shall serve a term of four years, except that for the initial appointments to this Committee, three members shall serve a two-year term and four members shall serve a three-year term in order to ensure the terms of the Committee members are sufficiently staggered.

(2) Committee members shall serve no more than eight years unless the member's first term was less than four years, in which case the member may serve an additional two terms after the partial term. In no case, however, shall any member serve more than ten years on the Committee.

(3) If and when vacancies in the membership of the Committee occur, the same selection process as outlined above shall be followed to select a replacement to fill the remainder of the term. At the completion of a term, eligible incumbent members will need to apply for reappointment for another term.

(4) Term limits for Committee members should be staggered to prevent turnover of more than two members at any one time. In the event more than two members need to be replaced during the same recruitment period, the Selection Committee shall determine the length of their replacement first term in order to limit concurrent future turnover.

(e) Up to \$300,000 per year, with adjustments for inflation based on the Consumer Price Index for San Diego County, may be expended for activities related to the Committee.

FULL TEXT OF MEASURE G (CONTINUED)

Section 5. Severability

If any section, subsection, sentence, clause, phrase or word of this Ordinance is for any reason held to be invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The voters of San Diego County hereby declare they would have passed and adopted this Ordinance and each and all provisions hereof irrespective of the fact that any one or more of said provisions be declared invalid.

Section 6. Liberal Construction

This measure is an exercise of the initiative power of the People of the County of San Diego to implement a special tax to fund the purposes set forth in the Ordinance, and it shall be liberally construed to effectuate these purposes.

Section 7. Amendments

The provisions of this Ordinance may be amended only upon approval by the voters.

Section 8. Conflicting Measures

This measure is intended to be comprehensive. It is the intent of the People of the County of San Diego that, in the event this measure and one or more measures relating to a special tax to fund transportation infrastructure shall appear on the same ballot, the provisions of the other measure or measures shall be deemed in conflict with this measure. In the event that this measure receives a greater number of affirmative votes, the provisions of this measure shall prevail in their entirety, and all provisions of the other measure or measures shall be null and void.

* * * * *

CITY OF SAN DIEGO

MEASURE C

(This measure will appear on the ballot in the following form.)

MEASURE C

AMENDMENTS TO CHARTER SECTION 66 REGARDING BOARD OF EDUCATION ELECTIONS.

Shall Charter section 66 be amended to eliminate the primary election when two or fewer candidates for particular seat for the Board of Education of the San Diego Unified School District, including write-in candidates, qualify for the primary election, with the qualifying candidates automatically moving forward to the general election?

This measure requires approval of a Simple Majority (50%+1) of those voting on the measure.

OFFICIAL TITLE AND BALLOT SUMMARY

BALLOT TITLE

Amendments to San Diego Charter Section 66 Regarding Board of Education Elections.

BALLOT SUMMARY

This measure would amend San Diego Charter (Charter) section 66 to change, in certain circumstances, the election of members of the Board of Education (School Board) for the San Diego Unified School District (School District). If two or fewer candidates, including write-in candidates who meet the requirements set out in the San Diego Municipal Code (Municipal Code), qualify to run for a particular School Board seat in a Municipal Primary Election (Primary), voters will vote on that seat at the Municipal General Election (General Election) and not the Primary. For example, if only two candidates qualified to run for a particular School Board seat in the Primary, both candidates would automatically proceed to the General Election and would not be voted on at the Primary.

The City Council placed the measure on the ballot. Passage of this measure requires the affirmative majority vote of those qualified electors registered within the legal boundaries of the School District voting on the matter at the Municipal Special Election. Under Article IX, section 16(b) of the California Constitution, only those voters registered to vote within the geographic boundaries of the School District may vote on a City Charter amendment regarding School Board members, their removal from office, and their election. If approved by a majority vote of those qualified to vote on the measure, the Charter amendments would become effective after they are chaptered by the California Secretary of State.

CITY ATTORNEY IMPARTIAL ANALYSIS

Charter section 66 governs the composition and elections of the School Board. In 2020, voters approved amendments to Charter section 66 which changed the election of members from a district-wide vote to individual district-based elections and amended the elections process when there is a vacancy on the School Board. Under Charter section 66, the two candidates that qualify to run for a particular School Board seat and receive the most votes in the Primary advance to the General Election. Under this Charter language, when there are only two candidates on the ballot for a School Board seat in the Primary, those two candidates must run twice: first in the Primary and again in the General Election. A candidate running unopposed for a School Board seat must also run twice, in the Primary and the General Election.

Under the proposed amendments, if two or fewer candidates, including write-in candidates who meet the requirements for write-in candidates in the

Municipal Code, qualify to run for a particular School Board seat in the Primary, voters will vote on that seat at the General Election and not the Primary. For example, if only two candidates qualified to run for a particular School Board seat, both candidates would automatically proceed to the General Election and would not be voted on at the Primary.

The proposed amendments were proposed by the School Board as part of the Council Policy 000-21 process, and were heard by the City Council's Rules Committee on April 18, 2024, and again on June 5, 2024. The City Council voted to place this measure on the ballot.

Passage of this measure requires the affirmative majority vote of those qualified electors registered within the legal boundaries of the School District voting on the matter at the Municipal Special Election. Under Article IX, section 16(b) of the California Constitution, only those voters registered to vote within the geographic boundaries of the School District may vote on a City Charter amendment regarding School Board members, their removal from office, and their election.

FISCAL IMPACT STATEMENT

MEASURE C. AMENDMENTS TO CHARTER SECTION 66 REGARDING BOARD OF EDUCATION ELECTIONS

This measure would amend the San Diego City Charter to eliminate the Municipal Primary Election to fill a San Diego Board of Education (Board) seat up for election when there are two or fewer candidates who qualify to participate in the election. Instead, the Board seat would be voted upon at the Municipal General Election. For context, Municipal Primary and General Elections are often consolidated with the respective State of California elections.

Currently, Board member candidates are voted upon at both the primary and the general election. The top two candidates with the most votes in the primary election advance to the general election, even when there are only two candidates or when a candidate is running unopposed.

Eliminating the primary election for a Board member seat that has two or fewer candidates would save the San Diego Unified School District approximately \$130,000 per seat. This was the approximate cost in the March 2024 primary election associated with holding Board member elections for each of the three seats up for election; in which two incumbent candidates ran unopposed, and the third seat had only two candidates. Since the San Diego Unified School District pays the San Diego Registrar of Voters for election costs, there are no fiscal impacts to the City of San Diego.

ARGUMENT IN FAVOR OF MEASURE C

YES ON MEASURE C Strengthen Democracy. Strengthen Our Schools.

Measure C is a clean, common-sense elections reform that strengthens local democracy and strengthens our public schools.

Currently, even if only two candidates or fewer run for a San Diego School Board seat, we hold both Primary *and* General elections. It's confusing, costly, and easily manipulated by special interest schemes. Measure C fixes this by ensuring elections are decided only in November when a majority votes.

Measure C: Hold One-on-One Elections When Most People Vote

- The current system lets special interests tilt elections with big spending in low-turnout primaries that yield warped, undemocratic results. Measure C moves one-on-one elections to November, when most voters cast ballots, limiting election manipulation and ensuring a true majority chooses our local leaders.

Measure C: Clean, Consistent, Common-Sense Election Rules

- Not one other school district in California holds these confusing, costly, easily co-opted primary elections. Measure C aligns election rules for San Diego Schools with San Diego County's process, holding contests for two or fewer candidates in November general elections only. Measure C is clean, consistent and common-sense.

Measure C: Simple. Straightforward. Saves Our Schools Money.

- The City Charter bizarrely requires primary elections even when a candidate runs *unopposed*. It confuses voters and this year cost taxpayers \$286,000 for pointless primaries in two uncontested seats. Measure C ensures elections are decided in November only. It's simple and saves more school dollars for our schools.

Measure C: Recommended By Ethics Watchdogs And Classroom Teachers

- San Diego's top ethics expert says Measure C is a "good government reform that's good for democracy". San Diego's Classroom Teachers urge YES on C because "public schools and students shouldn't pay the price for special interest schemes."

**Clean. Common-Sense. Cost-Effective.

ARGUMENT AGAINST MEASURE C

DEFEND DEMOCRACY. Unless opposed, MEASURE C stands for the last regular full democratic vote for the School Board. Measure C can eliminate primaries. Corporate power thrives when democracy is weak; corporate campaign funders can gain influence over those they fund for school elections. Keep their influence out of government.

The change proposed is when one or only two candidates run then the regular primary election is eliminated. A chance to vote is eliminated. The traditional regular full voting processes are ended.

Elections are the only performance check we have on the quality of neighborhood schools. Are San Diego schools delivering the best education for students? Incumbent single uncontested elections keep the status quo. Vote No, if you feel that your schools need improvement.

Elections that have only one candidate can reflect big corporate money influence and dominance bullying of alternate grassroots neighborhood candidates. Do not be fooled; this elimination of voting will not save \$130,000 for students. The corporate influencers can save real money, in only one candidate races, by elimination of election campaign expenses, for both a primary and general election campaigns. Election rules long established should not be changed for light and transient causes.

The incumbent School Board should be proposing rule changes to make more competitive and open elections by reducing money influence, term limiting incumbents, increasing the number of school board seats from 5 to 9, and more reforms to broaden neighborhood parent family control of schools. Measure C proves the truth of the adage: "the real political power in America, regardless of party, lies in the hands of big money." The incumbent school board is consolidating their power by cutting elections and opportunities for election debate.

ARTICLE VI

BOARD OF EDUCATION

SECTION 66: BOARD OF EDUCATION

The government of the San Diego Unified School District shall be vested in a Board of Education, composed of five members who shall be nominated and elected by the registered voters of the individual Board of Education District for which they are a candidate. Board of Education elections will be held at the regular Municipal Primary Elections and Municipal General Elections, at the same time as the election of Councilmembers. At the Municipal Primary Election, the registered voters of an individual Board of Education District shall nominate two candidates to fill the office of their Board of Education member in a District whose term expires the following December. When more than two candidates, including write-in candidates, qualify for a particular office in the Municipal Primary Election, the top two candidates receiving the highest number of votes vote getters for a particular office in the Municipal Primary Election for an individual seat will advance to the Municipal General Election. Write-in candidates may participate in the Municipal Primary Election if they meet the requirements for write-in candidates for the Board of Education set forth in the San Diego Municipal Code. If two or fewer candidates, including write-in candidates, qualify to participate in the Municipal Primary Election for a particular elective office, the office shall be voted upon at the Municipal General Election and not the Municipal Primary Election and the names of the write-in candidate(s) who qualified to participate in the Municipal Primary Election shall be printed on the Municipal General Election ballot as qualified candidates. At the Municipal General Election, the registered voters of the individual Board of Education District shall select one of the nominees to fill the seat. Each candidate for the Board of Education shall have been a registered voter of the San Diego Unified School District and an actual resident of the election district from which the candidate seeks to be nominated for thirty (30) days immediately preceding the filing of a nomination petition. The members shall serve for a term of four years from and after 10 a.m. the first Monday after the first day of December next succeeding this election and until their successors are elected and qualified, except as herein provided.

Notwithstanding any other provision of this Charter, and commencing in 2020, no person shall serve more than three four-year terms as a member of the Board of Education. Board members who hold the office as of the date of the Municipal General Election in 2020 shall not have prior or current terms counted for purposes of applying this term limit provision.

Article XVI of this Charter shall govern: (1) when a vacancy in the office of member of the Board of Education shall be deemed to occur, and (2) when a member of the Board of Education shall be removed for cause.

Vacancies for the office of member of the Board of Education shall be filled as provided in this Charter section.

Any vacancy occurring on the Board shall be filled from the election district in which the vacancy occurs, by appointment by the remaining Board members; but in the event that the remaining members fail to fill such vacancy by appointment within thirty (30) days after the vacancy occurs, they must immediately cause to be held a primary election and a general election as set forth in this section to fill such vacancy; provided, however, that any person appointed to fill such vacancy shall hold office only until the next regular municipal election, at which date a person shall be elected to serve for the remainder of such unexpired term.

For the purpose of electing members of the Board of Education, the San Diego Unified School District shall be divided into five (5) districts as nearly equal in registered voter population as practicable. For the first primary and regular election held under this section, as amended, the boundaries of such election districts shall be established by the Board of Education as such Board existed on the effective date of the amendment to this section. Thereafter, the boundaries of such election districts shall be subject to alteration and change under the provisions of this section. The Board of Education, by resolution, may change and alter the boundaries of the election districts and in the resolution may describe the new boundaries by reference to a map on file in the office of the City Clerk; a metes and bounds description of the new boundaries need not be contained in the resolution.

CITY OF SAN DIEGO

MEASURE D

(This measure will appear on the ballot in the following form.)

MEASURE D

ADDING CHARTER SECTION 41.3 AND AMENDING SECTION 41 TO STRENGTHEN THE INDEPENDENCE OF THE ETHICS COMMISSION.

Shall Charter section 41.3 be added so the Ethics Commission, which regulates City officials, candidates for City office, lobbyists, and consultants, can be eliminated only by voters, appoints its own Executive Director without Council confirmation, independently initiates its own investigations and law enforcement referrals, has defined qualifications and term limits, and is provided sufficient resources?

This measure requires approval of a Simple Majority (50%+1) of those voting on the measure.

OFFICIAL TITLE AND BALLOT SUMMARY

BALLOT TITLE

Amendments to the San Diego Charter to Strengthen the Independence of the Ethics Commission.

BALLOT SUMMARY

This measure would amend the San Diego Charter (Charter) by removing the Ethics Commission (Commission) from Charter section 41 and placing those provisions in a new Charter section dedicated solely to the Commission.

If approved by voters, new Charter section 41.3 would describe the Commission and its responsibilities and those of the Commission's Executive Director. Only voters could eliminate the Commission or diminish its authority or responsibilities. The new section would establish the number of Commission members (Commissioners), their qualifications, and their length of service. Commissioners would hire their own Executive Director and establish their own complaint and investigation procedures without City Council confirmation. The City Council would be required to provide the Commission with sufficient resources to perform its responsibilities. The Executive Director could refer evidence of possible unlawful conduct to law enforcement at any time.

The ballot measure was proposed by City Attorney Mara W. Elliott during the process in which proposals are submitted for consideration by a City Council standing committee and then the full City Council. The City Council voted to place it on the ballot.

If approved by a majority of those qualified to vote on the measure, the Charter amendments would become effective after they are chaptered by the California Secretary of State.

CITY ATTORNEY IMPARTIAL ANALYSIS

The San Diego City Council (City Council) adopted San Diego Ordinance O-18945 (June 5, 2001) establishing the Ethics Commission (Commission). The Commission is charged with investigating and enforcing City governmental ethics laws involving current and former elected City officials, candidates for City office, certain City employees, consultants, lobbyists, and members of City boards and commissions who are required to file conflict of interest disclosure forms.

Currently, the Mayor appoints all seven Commission members from a pool of nominees submitted by members of the City Council and the City Attorney, who are then subject to confirmation by a City Council majority. The City Council confirms the appointment of the Commission's Executive

Director; approves the Commission's complaint and investigation procedures; and controls the Commission's budget.

If the proposed Charter amendments are approved, only City voters would disband the Commission. The amendments would establish the number of Commission members (Commissioners), their qualifications, and their length of service, and the City Council would update the San Diego Municipal Code to establish a process to appoint Commissioners. The amendments would authorize the Commission to hire its own Executive Director and establish its own complaint and investigation procedures without City Council confirmation. The amendments would also empower the Executive Director to initiate investigations and complaints, compel witness attendance, testimony, and records production, and to report evidence of possible unlawful conduct to other government or law enforcement agencies during an investigation. The City Council would be required to allocate sufficient funds for the Commission to carry out its responsibilities and to retain legal counsel.

A "Yes" vote is a vote in favor of amending the Charter relating to the Ethics Commission. A "No" vote is a vote against the amendments.

If approved by a majority of the qualified voters voting in favor of the measure, the Charter amendments would become effective after they are chaptered by the California Secretary of State.

FISCAL IMPACT STATEMENT

MEASURE D. ADDING CHARTER SECTION 41.3 AND AMENDING SECTION 41 TO STRENGTHEN THE INDEPENDENCE OF THE ETHICS COMMISSION

This measure would remove nearly all existing references to the Ethics Commission (Commission) in the San Diego Charter (Charter) and recast those provisions in a new Charter section that solely governs the Commission. The Commission is charged with: administering and enforcing the City of San Diego's (City) governmental ethics laws and proposing reforms, conducting investigations, imposing fines, referring certain complaints to appropriate enforcement agencies, auditing campaign committees, and advising and educating elected officials, City employees, candidates, campaign committees, and lobbyists about governmental ethics laws.

The Ethics Commission is funded by the City's General Fund currently totaling \$1.8 million, and any unused budgeted funds in a given year are returned to the General Fund. The Commission also imposes fines on violators, which are deposited into the City's General Fund but do not factor into the Commission's budget. All funds for legal counsel and enforcement hearings come out of the Commission's allotted contracts budget.

While this measure would make several changes, this analysis focuses on two amendments that would have fiscal implications.

The measure requires the City Council to allocate sufficient funds for the Commission to carry out its responsibilities. **Based on actual expenditures for each of the last ten years, an additional approximately \$65,000 would bring the Commission's contract budget to a level equal to its highest annual expenditure during that period.** This budget increase would decrease the possibility of the Commission needing to request additional funding from the Mayor and City Council during any given fiscal year. As stated above, any funds budgeted each year for the Ethics Commission that are not spent would be returned to the City's General Fund.

The measure also provides the Commission authority to retain *additional* legal counsel, if needed. Voters have previously authorized the Commission to retain its own legal counsel, independent of the San Diego City Attorney, for legal support in carrying out its responsibilities. It is anticipated that additional legal counsel beyond the Commission's usual outside counsel would be needed only in rare circumstances, due to conflicts, a need for specific expertise, or when certain cases advance to a hearing.

To the extent the Commission's responsibilities are expanded in the future, additional funding would be needed.

ARGUMENT IN FAVOR OF MEASURE D

This good governance measure strengthens the independence of the City of San Diego's Ethics Commission by empowering it to control its investigations and resources without political interference.

The Commission is the City's watchdog for violations of ethics, lobbying, and campaign finance laws. It educates and regulates elected officials, lobbyists, campaigns, certain City employees and City consultants, and imposes penalties and fines when violations occur. This measure will bolster the Commission's ability to hold accountable those it regulates, protecting the interests of the City and its residents.

To regulate fairly and effectively, the Commission must be independent from those it regulates; however, the City's Charter authorizes City Council control over the Commission. The Council determines its budget and resources; confirms the appointment of its Executive Director; can eliminate the Commission or reduce its responsibilities; and approves its complaint and investigation procedures.

To maintain the public's confidence and ensure the Commission's independence, the Charter must be changed to empower our City's ethics watchdog. Those who are regulated by the Commission should not have control over its funding, procedures for holding individuals accountable, or its ability to do its work.

A yes for this measure:

- Cements the Commission's existence in the Charter.
- Defines the Commission's responsibilities, qualifications, and term limits.
- Vests power in the Commission to subpoena witnesses and records, compel attendance and testimony, and conduct investigations.
- Empowers the Commission to hire its Executive Director without Council confirmation.
- Authorizes the Commission's Executive Director to make all hiring decisions.
- Protects the Commission's ability to do its work by ensuring it has sufficient resources.
- Authorizes the Commission to divulge evidence of possible unlawful conduct to other government or law enforcement agencies during an investigation.

These commonsense amendments are intended to ensure our government is more ethical, transparent, and accountable.

ARTICLE V

EXECUTIVE AND ADMINISTRATIVE SERVICE

SECTION 41: COMMISSIONS

The Mayor shall appoint, subject to the confirmation of the Council, members of all commissions, established pursuant to this section, except the members of the Commission on Police Practices and the Ethics Commission, whose appointment and service are governed by Sections 41.2 and 41.3 of this Charter. Whenever the Mayor does not appoint a member within forty-five (45) days after a vacancy occurs, the Council shall make such appointment. The commissioners shall be limited to two (2) full consecutive terms, with one (1) term intervening before they become eligible for reappointment; and this provision shall apply to anyone who has served two (2) full consecutive terms by January 1972. The terms of commissioners may extend beyond the elective term of the appointing Mayor. The Mayor shall fill, subject to the confirmation of the Council, any vacancy and such appointment shall be for the unexpired term of the office being filled. The City Council may remove a member of the Civil Service Commission for cause by vote of two-thirds (2/3) of the members of the Council. However, before the Council may remove a member of the Civil Service Commission, written charges shall be made against the commission member and an opportunity afforded for public hearing before the Council upon such charges. The City Council may remove members of all other commissions established pursuant to this section for cause by vote of a majority of the members of the Council.

- (a) Funds Commission. This Commission shall have supervision and control over all trust, perpetuity, and investment funds of the City and such pension funds as shall be placed in its custody, and shall administer them subject to the laws of the State and ordinances of the Council. The membership of this Commission shall be appointed by the Mayor and confirmed by the Council and shall be one bank official, two unclassified citizens, and the City Attorney and City Treasurer, ex officio. They shall serve without compensation for terms of four (4) years and until their successors are elected and qualified. Notwithstanding any other provision of this section, appointments shall be made so that not more than one (1) term of office shall expire in any year.
- (b) Civil Service Commission. There shall be a Civil Service Commission consisting of five members who shall be electors of the City. Not more than three members of the Commission shall be of the same sex. The Mayor, with the approval of the Council, shall appoint the members of the Commission. The members of the Commission shall be appointed to serve for five years and until their successors have been appointed and qualified. Notwithstanding any other provision of this section, appointments shall be made so that not more than one (1) term of office shall expire in any year. The Mayor, with the approval of the Council, shall fill any vacancy.

Members of the Civil Service Commission shall not hold any other office in City Government.

- (c) City Planning Commission. The City Planning Commission shall be organized as provided by the laws of the State and have such powers and perform such duties as are prescribed by such laws. The duties of the Commission shall also include advising upon public buildings, bridges, retaining walls, approaches, park and harbor structures, the improvement of Pueblo lands and such other improvements as the Council may by

ordinance determine. The Commission shall consist of seven (7) members appointed by the Mayor, subject to the confirmation of the Council. The City Engineer, and the City Attorney, or their designated representatives, shall be members ex officio, but neither of said officers shall have a vote. The members of this Commission shall serve without compensation for terms of four years and until their successors are elected and appointed and qualified.

Notwithstanding any other provisions of this section, appointments to this Commission shall be made so that not more than three (3) members are appointed in any one year. To accomplish this, initial appointments to this Commission, after the effective date of this amendment, shall be made so as to provide that the terms of office of two (2) members shall be for four (4) years; two (2) members for three (3) years; two (2) members for two years; and one (1) member for one (1) year.

- (d) ~~Ethics Commission. For so long as an Ethics Commission remains established by ordinance of the Council, the Executive Director of the Commission shall be appointed by the Commission, subject to confirmation by the Council, and shall thereafter serve at the direction and pleasure of the Commission. The Commission may, in accordance with complaint and investigation procedures approved by ordinance of the Council, subpoena witnesses, compel their attendance and testimony, administer oaths and affirmations, take evidence and require by subpoena the production of any books, papers, records, or other items material to the performance of the Commission's duties or exercise of its powers. The Ethics Commission shall be authorized to retain its own legal counsel, independent of the City Attorney, for legal support and guidance in carrying out its responsibilities and duties.~~

SECTION 41.3: ETHICS COMMISSION

The Ethics Commission is an independent body that monitors, administers, and enforces the City's governmental ethics laws, proposes new governmental ethics law reforms, conducts investigations, refers violations to appropriate government and law enforcement agencies, audits disclosure statements, and advises and educates City officials and the public about governmental ethics laws. The City Council may, by ordinance, mandate additional duties and discretionary powers consistent with this section and applicable state and federal law.

This Charter provision and the implementing ordinance shall control the appointment process to the Ethics Commission. The Commission shall consist of seven members who are appointed and removed by procedures approved by ordinance of the Council. The Commission must possess the independence, experience, and technical expertise necessary to carry out the duties of the Commission. Members of the Commission shall serve for terms of four years and until their successors have been appointed and qualified. Members of the Commission are limited to two full consecutive terms, with at least one term intervening before they become eligible for reappointment.

The Commission shall appoint an Executive Director who shall serve at the direction and pleasure of the Commission. The Executive Director is the appointing authority for all City personnel authorized in the department through the normal annual budget and appropriation process of the City. The Executive Director, who shall act in accordance with policies and regulations adopted by the Ethics Commission and with applicable law, is authorized to initiate investigations and complaints, subpoena witnesses, compel their attendance and testimony, administer oaths and affirmations, take evidence, and require by subpoena the production of any books, papers,

records, or other items material to the performance of the Commission's duties or exercise of its powers.

The Commission shall be authorized to retain its own legal counsel, independent of the City Attorney, for legal support and guidance in carrying out its responsibilities and duties, and to retain additional legal counsel to handle cases within its jurisdiction. City Council shall allocate funds sufficient for the Commission to carry out the responsibilities described herein. The Executive Director may refer a matter and divulge evidence of possible unlawful conduct discovered during an investigation to another governmental or law enforcement agency for appropriate action at any time.

CITY OF SAN DIEGO

MEASURE E

(This measure will appear on the ballot in the following form.)

MEASURE E

CITY OF SAN DIEGO SALES TAX

To invest in neighborhood upgrades which can include fixing potholes, repairing streets, sidewalks, and streetlights, improving parks and libraries, updating police, fire, paramedic, and 9-1-1 response, and providing infrastructure and delivering general services across San Diego neighborhoods, shall the measure enacting a one-cent sales tax be adopted, generating approximately \$400,000,000 per year until ended by voters, requiring citizen oversight and independent audits, with all funds staying in the City of San Diego?

This measure requires approval of a Simple Majority (50%+1) of those voting on the measure.

OFFICIAL TITLE AND BALLOT SUMMARY

BALLOT TITLE

City of San Diego Sales Tax.

BALLOT SUMMARY

The City of San Diego (City) currently receives 1.00% (i.e., one cent per sale or use transaction) of the total 7.75% sales tax rate (Current Sales Tax) charged on transactions occurring within the City. According to the California Department of Tax and Fee Administration, the City's Current Sales Tax is tied for the fourth lowest out of the 482 individual cities in the State, and 9 of the 18 cities in San Diego County have a higher sales tax than the City.

This measure would amend the Municipal Code by adding Chapter 3, Article 2, Division 1, sections 32.0101 through 32.0120, relating to a General Transactions and Use Tax, to provide for the imposition and collection of a new one-cent transactions and use tax (i.e., a sales tax). The new tax is projected to generate approximately \$400 million of unrestricted annual revenue to the City's General Fund which can be used for infrastructure projects, core services, and general City needs.

In its Fiscal Year 2025-2029 Five-Year Capital Infrastructure Planning Outlook, the City has identified critical infrastructure maintenance and construction needs in areas such as the City's roads, sidewalks, streetlights, parks, libraries, and other facilities totaling \$9.25 billion over the next five fiscal years, which amount does not include the costs of maintaining public safety services like police, fire, and emergency services.

The City Council placed the measure on the ballot and it will pass if it is approved by a majority vote of those qualified voters who vote on the measure. The amendments would take effect after the results of the election are certified by a resolution of the City Council. If adopted, collection of the tax is expected to commence April 1, 2025.

CITY ATTORNEY IMPARTIAL ANALYSIS

The City of San Diego (City) placed Measure E on the ballot for the voters to decide whether to amend the Municipal Code to add a one percent (1.00%) general transactions and use tax (commonly known as a "sales tax") to the retail sales price, or one cent for an item that costs one dollar. Currently, the tax on retail sales within the City is 7.75%, of which the City receives 1.00% (i.e., one cent per transaction) directly from the State.

The City estimates that the 1.00% tax increase proposed by this measure would result in additional revenue of approximately \$400 million annually to

the City until repealed by the voters. The revenues from the tax increase would supplement, not replace, existing expenditures from the City's General Fund.

This is a "general tax," not a "special tax," because this measure does not legally restrict the use of tax revenue to any specific purposes. The proceeds may be used for general municipal services and all lawful public purposes including, but not limited to, providing public safety services; repairing and maintaining public infrastructure such as streets, sidewalks, and storm drains; and maintaining or improving upon the level of City services to residents.

On July 22, 2024, City Council approved the ordinance for submittal to the voters. If approved by a majority of the voters at the November 5, 2024 election, as authorized by California law, the City will levy the proposed one cent per dollar tax on the sale or use of all tangible personal property sold at retail within the City, with certain exceptions. The tax would be collected in the same manner and at the same time as existing sales taxes. Proceeds will be deposited into the City's General Fund and subject to the same independent annual audit as other General Fund revenue. An accounting of revenues received and expenditures made from the tax will be presented annually to the City Council and made available for public review through the City's annual budgetary process.

A "Yes" vote is a vote in favor of the tax. A "No" vote is a vote against the tax. Measure E will be approved if it receives a simple majority of "Yes" votes. If this measure is approved, the current 7.75% total sales tax rate within the City will increase by 1.0% to 8.75%.

This measure was proposed by Mayor Todd Gloria and City Councilmember Raul Campillo, and the City Council voted to place it on the ballot. If approved by a majority of the qualified voters voting on the measure, the Municipal Code would be amended after the election results are certified by a resolution of the City Council. If adopted, the collection of the tax increase is expected to commence on April 1, 2025, and the measure will remain in effect until amended or repealed by the voters.

FISCAL IMPACT STATEMENT

MEASURE E. CITY OF SAN DIEGO SALES TAX

This measure would increase the transactions and use tax, commonly known as "sales tax," within the City of San Diego (City) by 1 cent on each dollar subject to sales tax once operative on April 1, 2025. Currently, the sales tax rate in the City is 7.75%, of which the City receives 1.00% (equal to 1 cent on each dollar of taxable sales) and the remainder is allocated among other local and state entities. Under the measure, the sales tax rate in the City would increase to 8.75%, of which the City would generally receive 2.00% (equal to 2 cents on each dollar of taxable sales).

If this measure passes, the City would receive estimated additional revenue ranging between \$360 million (conservative), and \$400 million or more (optimistic) in the first year of implementation. This new revenue stream range is based on current economic assumptions, consumer behavior, and tax law and it is anticipated to grow moderately in future years. Future annual revenue would vary based on actual sales activity, economic conditions, and changes to tax law.

All revenue collected under the measure would be available for unrestricted general purposes and deposited into the City's General Fund. The City anticipates using funds to support new and existing infrastructure, such as streets, sidewalks, streetlights, flood prevention and water quality systems. These funds are also anticipated to help address the City's significant infrastructure backlog, which will continue to grow at an increasing rate, with higher costs expected in the future if not addressed. Revenue would also support operating costs, including but not limited to public safety and emergency response, such as police, fire, paramedic, and 9-1-1 response services; neighborhood services, such as libraries and parks; and internal support services, such as finance, legal, and human resources.

FISCAL IMPACT STATEMENT (CONTINUED)

If this measure does not pass, the City would not receive the additional revenue noted above. The City is currently operating with an approximately \$200 million structural budget deficit, whereby ongoing costs exceed existing ongoing revenues. To balance the current year's budget, the City took several budget mitigation actions to generate additional one-time funds and/or temporarily reduce expenses. When those actions expire after this fiscal year, the City will lack the ongoing funds needed to support its current operations and will continue to be unable to address its infrastructure backlog. Balancing future budgets would require the City to make more severe and permanent operational cuts, while the City's infrastructure backlog would continue to grow.

ARGUMENT IN FAVOR OF MEASURE E

Vote Yes on Measure E!

Yes on Measure E, San Diego's neighborhood improvement measure, will allow us to have an immediate impact in every San Diego neighborhood with better roads and neighborhood infrastructure, faster emergency response times, and improved storm readiness. That's why we support Measure E and ask you to join us.

Yes on Measure E: Fix our roads. Tired of bad roads, sidewalks, and streetlights that don't work? With Measure E we can quickly begin to fill potholes, resurface roads, fix streetlights and improve our neighborhood infrastructure.

Yes on Measure E: Protect the safety of San Diegans. Measure E will help improve emergency response times by upgrading police, fire protection, paramedic, and 9-1-1 equipment and facilities.

Yes on Measure E: Improve our stormwater system. Measure E will allow us to upgrade and maintain the city's stormwater infrastructure to prepare for flooding and improve water quality.

Yes on Measure E: Enhance our neighborhood parks and libraries. Measure E will allow for better parks and recreation facilities, and improved libraries to increase access to learning and other opportunities for kids.

Yes on Measure E: For San Diego only. Every penny generated by Measure E stays exclusively in the City of San Diego for needed work in our neighborhoods. Sacramento can't take this money away from us!

Yes on Measure E: Accountability to taxpayers. Measure E includes strict accountability, transparency, and oversight to ensure that the money goes directly to essential city services and infrastructure.

ARGUMENT AGAINST MEASURE E

Vote NO! Don't let the City of San Diego continue wasting your hard-earned tax dollars!

The city can't even read your water meters correctly, and they're squandering money on bad real estate deals! The city's own auditor has revealed that our elected leaders are breaking their own spending rules. Right now the City of San Diego's governance is struggling and they need to get their house in order before putting their hands deeper into taxpayers' wallets.

Vote NO! There's no sunset clause, which means this tax could last forever, leaving us powerless.

Given the city's history of management blunders, you'd expect some humility. But no, the city's leadership thinks they deserve our trust indefinitely without an end date. Fool us once, shame on them. Fool us twice? Shame on us.

Vote NO! Don't let these politicians tell you that we aren't paying enough in taxes!

San Diego's residents already deal with tax rates, yet critical issues like homelessness, road conditions, and stormwater management continue to worsen. That's not because we aren't paying enough. It's because the money goes to the wrong places in ridiculous amounts. Don't let politicians blame you for the problems they should have solved.

Vote NO! Now they want to start charging for trash too.

Enough is enough! Next year, the city will start charging us for trash collection—what's next? Well, the appetite for pay raises and government workers' expensive retirement plans gets bigger and bigger. That's why the municipal employees union is paying for the campaign for this sales tax. We can't afford to keep funding their unchecked spending.

Chapter 3

Article 2: Sales Tax

Division 1: General Transactions and Use Tax

§32.0101 Title

This Division shall be known as the San Diego General Transactions and Use Tax Ordinance and shall be applicable in the incorporated territory of the City.

§32.0102 Operative Date

"Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance, the date of such adoption being as set forth below.

§32.0103 Purpose

This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted to accomplish those purposes:

- (a) To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with section 7251) of Division 2 of the Revenue and Taxation Code and section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.
- (b) To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- (c) To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.
- (d) To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

§32.0104 Contract with State

Prior to the Operative Date, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the Operative Date, it shall nevertheless so contract and in such a case the Operative Date shall be the first day of

FULL TEXT OF MEASURE E (CONTINUED)

the first calendar quarter following the execution of such a contract.

§32.0105 Transactions Tax Rate

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of one percent (1%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the *Operative Date* of this ordinance.

§32.0106 Place of Sale

For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

§32.0107 Use Tax Rate

An excise tax is hereby imposed on the storage, use, or other consumption in the City of tangible personal property purchased from any retailer on and after the *Operative Date* of this ordinance for storage, use, or other consumption in said territory at the rate of one percent (1%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

§32.0108 Adoption of Provisions of State Law

Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

§32.0109 Limitations on Adoption of State Law and Collection of Use Taxes

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

(a) Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:

(1) The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;

(2) The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this ordinance.

FULL TEXT OF MEASURE E (CONTINUED)

(3) In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

(A) Provide an exemption from this tax with respect to certain sales, storage, use, or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use, or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

(B) Impose this tax with respect to certain sales, storage, use, or other consumption of tangible personal property which would not be subject to tax by the State under the said provision of that code.

(4) In sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797, or 6828 of the Revenue and Taxation Code.

(b) The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in section 6203 and in the definition of that phrase in section 6203.

(1) "A retailer engaged in business in the District" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to section 267(b) of Title 26 of the United States Code and the regulations thereunder.

§32.0110 Permit Not Required

If a seller's permit has been issued to a retailer under section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

§32.0111 Exemptions and Exclusions

(a) There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

(b) There are exempted from the computation of the amount of transactions tax the gross receipts from:

(1) Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

FULL TEXT OF MEASURE E (CONTINUED)

- (2) Sales of property to be used outside the City that is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:
- (A) With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and
- (B) With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.
- (3) The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the *Operative Date* of this ordinance.
- (4) A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the *Operative Date* of this ordinance.
- (5) For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
- (c) There are exempted from the use tax imposed by this ordinance, the storage, use, or other consumption in this City of tangible personal property:
- (1) The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.
- (2) Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

FULL TEXT OF MEASURE E (CONTINUED)

- (3) If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the *Operative Date* of this ordinance.
- (4) If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the *Operative Date* of this ordinance.
- (5) For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
- (6) Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.
- (7) "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.
- (d) Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use, or other consumption of which is subject to the use tax

§32.0112 Amendments of Revenue and Taxation Code

All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

FULL TEXT OF MEASURE E (CONTINUED)

§32.0113 Enjoining Collection Forbidden

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action, or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

§32.0114 Amendments by City Council

After the effective date of this ordinance, any proposed amendment to this ordinance must be approved by the voters of the City if the amendment involves: increasing the tax rate; revising the methodology for calculating the tax such that a tax increase would result or imposing the tax on transactions and uses not previously subject to the tax (unless such amendment occurs automatically by operation of law); reducing the tax; or terminating the tax. The City Council may otherwise amend this ordinance without submitting the amendment to the voters for approval in any manner that does not constitute a tax "increase" as that term is defined in Government Code section 53750(h).

§32.0115 Use of Proceeds

The proceeds from the tax imposed by this ordinance shall be for unrestricted general revenue purposes of the City and shall be received into the General Fund of the City. Nothing in this ordinance shall establish the tax imposed under this ordinance as a special tax or bind the City to use the proceeds for any specific purpose or function. The Mayor and City Council shall retain discretion to expend the proceeds of the tax for any lawful purpose of the City.

§32.0116 Citizen Oversight

Public oversight of the City's annual expenditures of the proceeds of the transactions and use tax under this ordinance shall be accomplished through the City's current budgetary process. The City's Department of Finance provides periodic budgetary updates throughout the year, and each fiscal year's budget is developed through a process involving multiple public hearings allowing City Council and public participation.

§32.0117 Independent Annual Audit

The proceeds resulting from the transactions and use tax under this ordinance shall be subject to the same independent annual audit requirements as other General Fund revenue. The City's annual financial statements, which are subject to audit procedures performed by an auditor independent of the City, will include the revenues received and expenditures made from the proceeds resulting from this transactions and use tax, and will be presented annually to the City's Audit Committee and City Council at publicly-noticed meetings, and be made available for public review.

§32.0118 Severability

If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

FULL TEXT OF MEASURE E (CONTINUED)

§32.0119 Effective Date

This ordinance relates to the levying and collecting of the City transactions and use taxes and shall take effect immediately.

§32.0120 Termination Date

The authority to levy the tax imposed by this ordinance shall continue indefinitely until terminated by a majority vote of the qualified voters voting on a new measure at a regularly scheduled municipal election.

SAN DIEGO COMMUNITY COLLEGE DISTRICT

MEASURE HH

(This measure will appear on the ballot in the following form.)

MEASURE HH

SAN DIEGO COMMUNITY COLLEGE DISTRICT CLASSROOM REPAIR, AFFORDABLE EDUCATION, CAREERS MEASURE.

Shall San Diego Community College District's measure to:

- Repair classrooms
- Protect college affordability
- Prepare students for careers including nursing, firefighting, science, engineering
- Repair deteriorating roofs, electrical/gas lines
- Ensure safe drinking water
- Remove lead paint, asbestos
- Improve veteran/homeless student resources

be adopted authorizing \$3.5 billion in bonds at legal rates, averaging 2.5¢ per \$100 of assessed valuation (generating \$168 million annually while bonds are outstanding) with oversight, spending disclosures, funds staying local?

Bonds – Yes

Bonds – No

This measure requires approval of 55% of those voting on the measure.

COUNTY COUNSEL IMPARTIAL ANALYSIS

The Board of Education for the San Diego Community College District ("District") placed this measure on the ballot. If approved by 55% of the votes cast, this measure will authorize the District to issue and sell general obligation bonds in an amount not to exceed \$3.5 billion. The bonds may be issued in several series and mature in a maximum of 40 years. The interest rate on the bonds would not exceed statutory limits.

Approval of this measure will authorize a levy on the assessed value of taxable property within the District in an amount needed to pay the principal and interest on the bonds each year the bonds are outstanding. The District estimates the average tax rate to fund this bond will be \$23.77 per \$100,000 of assessed valuation, and the highest tax rate will be \$25.00 for every \$100,000 of assessed valuation. The estimated final fiscal year in which the tax is anticipated to be collected is 2073. The total debt service, including principal and interest, required to be repaid if all the bonds are issued and sold is approximately \$7.7 billion. These amounts are estimates. Actual amounts may vary depending on the timing of sales, amount of bonds sold at each sale, and assessed valuation.

The measure identifies a list of projects at schools and facilities within the District that may be funded from the bond proceeds. Approval of this measure does not guarantee the proposed projects will be funded by the sale of the bonds. The District's proposal for certain projects may assume receipt of matching State funds subject to appropriation by the Legislature or approval of a statewide bond measure.

The measure includes provisions to demonstrate compliance with State law regarding school bonds, as follows:

- (1) the proceeds from the sale of the bonds may be used only for the purposes specified,
- (2) the District will establish an independent citizens' oversight committee to ensure bond proceeds are spent only on projects listed in the measure, and

- (3) the District shall conduct an annual performance and financial audit to ensure funds have been expended on the projects listed.

A "YES" vote is in favor of authorizing the District to issue and sell \$3.5 billion in general obligation bonds.

A "NO" vote is against authorizing the District to issue and sell \$3.5 billion in general obligation bonds.

TAX RATE STATEMENT

SAN DIEGO COMMUNITY COLLEGE DISTRICT CLASSROOM REPAIR, AFFORDABLE EDUCATION, CAREERS MEASURE

An election will be held in the San Diego Community College District (the "District") on November 5, 2024, to authorize the sale of up to \$3.5 billion in general obligation bonds to finance improvements for District classrooms and facilities, as described in the measure. If such bonds are authorized and sold, principal and interest on the bonds will be payable only from the proceeds of *ad valorem* tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the California Elections Code. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate that would be required to be levied to fund this bond issue over the entire duration of the bond debt service, based on a projection of assessed valuations available at the time of filing of this statement, is \$23.77 per \$100,000 of assessed valuation. The final fiscal year in which the tax is anticipated to be collected is Fiscal Year 2073.
2. The best estimate of the highest tax rate that would be required to be levied to fund this bond issue, based on a projection of assessed valuations available at the time of filing of this statement, is \$25.00 per \$100,000 of assessed valuation. It is estimated that such rate would be levied in Fiscal Years 2025-26 through 2072-2073.
3. The best estimate of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is approximately \$7.7 billion.

Voters should note the estimated tax rate is based on the assessed value (not the market value) of taxable property on San Diego County's official tax rolls. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts or durations and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary from those used to provide the estimates set forth above, due to factors such as variations in the timing of bond sales, the par amount of bonds sold and market interest rates available at the time of each sale, actual assessed valuations over the term of the bonds, and other factors. The date and amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. The actual interest rates at which the bonds will be sold will depend on conditions in the bond market at the time of sale. Actual future assessed valuations will depend upon the amount and value of taxable property within the District as

determined by the San Diego County Assessor in the annual assessment and the equalization process.

ARGUMENT IN FAVOR OF MEASURE HH

PRESERVING OUR MOST AFFORDABLE COLLEGE OPTION

The cost to attend California's public universities is six times that of community college. Seeking an affordable education, nearly 1/3 of high school graduates attend local community colleges to save tens of thousands of dollars. Many more use community college to learn new job skills or upgrade their skills for high-paying jobs in San Diego's dynamic economy. Measure HH builds state-of-the-art classrooms, science labs, and learning facilities so students can gain 21st Century job skills or to transfer to 4-year universities.

TRAINING NURSES / FIRST RESPONDERS

We're facing a serious shortage of trained nurses, firefighters, and paramedics. San Diego Community College District is our region's pre-eminent institution for training skilled First Responders. Measure HH will enable the District to upgrade training facilities/technology so these life-saving professionals gain the skills they need to serve our region.

AGING, OUTDATED CLASSROOMS NEED REPAIRS AND UPDATED TECHNOLOGY

Measure HH replaces frayed wiring and leaky roofs; renovates outdated electrical/heating systems; and fixes broken plumbing, and deteriorating bathrooms.

'NEW TECH' BACHELOR'S DEGREES

Measure HH builds high-tech facilities where students can earn affordable bachelor's degrees in high demand fields including cyber-security, health data management, and public safety.

ASSISTING VETERANS

Mesa College, City College, Miramar College, and the San Diego College of Continuing Education play vital roles assisting Veterans seeking to learn new skills and rejoin the civilian workforce. Measure HH provides new, high-tech classrooms and teaching facilities for programs that serve Veterans.

HOUSING / STUDENT HOMELESSNESS

Tragically, nearly 25% of local community college students are 'housing insecure' (living in cars, couch surfing). Measure HH builds safe student housing, providing a stable environment helping students to focus on learning and completing their degrees.

REBUTTAL TO THE ARGUMENT IN FAVOR OF MEASURE HH

As you read the argument for Measure HH, keep in mind that no amount of spin can change these simple realities:

WE CAN'T AFFORD THIS MASSIVE TAX INCREASE

The backers of Measure HH want to raise your taxes – and will say and promise you anything to get your money.

But they do not express a single concern that higher taxes will add to your cost-of-living burden. That's because they do not care about the financial impact of this tax hike on you.

WE CAN'T TRUST THESE POLITICIANS

The backers of Measure HH cannot be trusted. How many times have we been lied to by these politicians and special interests when they claim a tax hike will fund things we want – and then they fail to deliver or divert the money to other things?

Read the fine print on Measure HH – not a penny is specifically earmarked for what they claim.

DEMAND REFORM – NOT TAX HIKES

Instead of fixing the fiscal mess they have created, these politicians now want to put the burden of their wasteful spending on your back with this deceptive tax hike bailout for them. Let's force them to be accountable with their existing budget.

Vote NO on Measure HH

ARGUMENT AGAINST MEASURE HH

MASSIVE TAX INCREASE MORE DEBT TAXPAYERS CAN'T AFFORD

Measure HH is a massive property tax hike! Worse, it allows the school district to borrow \$3.5 billion to coverup its fiscal failures and wasteful spending.

We Can't Afford Another Tax Hike

San Diegans already have one of the highest cost-of-living burdens in the nation. Despite this, Measure HH imposes an extra \$168 million in property taxes annually in our region. Struggling families are already seeing their insurance and utility rates spike – and simply cannot afford to pay more.

Wasteful Spending with No Oversight

Independent audits of the school district have revealed reckless spending by bureaucrats and politicians – and they now want you to pay more for this bond to bail them out their mess.

Worse, local schools are experiencing a massive decrease in student enrollment and are projected to see enrollment decline even more. Now is not the time to go into debt to build fancy new government facilities.

Measure HH Discriminates Against Minorities and Small Businesses

Measure HH contains a discriminatory Project Labor Agreement clause so politicians can avoid fair and open bidding on contracts and divert the funds to their special interest backers. Worse, PLAs add up to 25% to construction costs and discourage small and minority construction contractors from bidding on and getting contracts.

Don't raise your taxes to bail out these politicians!

Vote NO on Measure HH!

REBUTTAL TO THE ARGUMENT AGAINST MEASURE HH

Measure HH opponents
have their Facts Completely Wrong.

ENROLLMENT INCREASING, NOT DECREASING

Enrollment for all of the San Diego Community Colleges (Mesa College, City College, Miramar College, and the San Diego College of Continuing Education) increased 12% in the last 3 years and continues to grow.

TOUGH OVERSIGHT BUILT RIGHT IN

San Diego County Taxpayers Association® (San Diego's preeminent Taxpayer organization) has endorsed Measure HH precisely because the bond requires tough oversight and strict accountability.

- ANNUAL, INDEPENDENT AUDITS
- INDEPENDENT CITIZENS OVERSIGHT COMMITTEE
- NO FUNDS FOR ADMINISTRATORS' SALARIES

THE GOLD STANDARD OF FINANCIAL ACCOUNTABILITY

The San Diego Community College District has:

- AAA credit rating
- Perfect audits of bond expenditures every year since 2003
- Successfully refinanced prior bonds six times when interest rates dropped, saving taxpayers more than \$430 million

BUILD CRITICALLY NEEDED STUDENT HOUSING

Measure HH will provide safe, affordable student housing for students living in their cars or "couch surfing" in order to give these students a stable place to live while studying for careers or 4-year college.

KEEP OPEN AN AFFORDABLE PATH TO JOBS AND 4-YEAR COLLEGE

San Diego's Community Colleges are a lifeline for students to learn needed job skills to thrive in our competitive, high-tech economy or who need credits towards 4-year college degrees. With the skyrocketing cost of higher education, community college is the most affordable option for tens of thousands of students.

Measure HH repairs and renovates aging classrooms and builds state-of-the-art computer labs and learning facilities that enable our community colleges to provide tens of thousands of San Diego students with an affordable, quality education.

BACKGROUND

The Board of Trustees of the San Diego Community College District, to be responsive to the needs of students and the community, evaluated the District's urgent and critical facility needs, including providing sufficient classrooms and laboratories to offer more courses and programs to students close to home, facility maintenance, safety enhancements, class size and offerings, energy cost reduction, and information and computer technology, as outlined in the Master Plan Facilities Needs List, and as amended from time to time. In developing the scope of projects, the faculty, staff, and students have prioritized the essential health and safety requirements to address the most critical demands and the most urgent and basic facility needs and repairs that will make City College, Mesa College, Miramar College, and the College of Continuing Education clean and safe for learning. The Board conducted facilities evaluations and received public input and review in developing the scope of college facility projects to be funded, as listed in the Master Plan Facilities Needs List. The Chancellor received input from faculty, business, industry, and workforce development partners and concluded that if these needs were not addressed now, the facility problems would only get worse.

In implementing the Master Plan Facilities Needs List, the Board determines that the San Diego Community College District must:

- Due to the high costs of attending public and private universities, City College, Mesa College, Miramar College, and the College of Continuing Education must provide a high-quality, affordable education to local students who might otherwise be denied the opportunity to receive job training or a college education.
- City College, Mesa College, Miramar College, and the College of Continuing Education must provide a positive alternative for students who want to work and go to school, seek vocational training, or for workers who need to learn new or enhanced job skills later in life.
- Expand classrooms and laboratories that provide advanced and/or state-of-the-art training for high-demand workforce jobs in San Diego's high-technology industries, including computer science, cybersecurity, biotechnology, nursing, and emergency first responders, and for skilled high-wage jobs in manufacturing, building trades, and other growing industries.
- Renovate existing classrooms, science and learning laboratories, and vocational training facilities to ensure they are safe, energy efficient, and provide access to state-of-the-art equipment, computers, and instructional technology.

FULL TEXT OF MEASURE HH (CONTINUED)

- Provide safe classroom facilities throughout the areas served by City College, Mesa College, Miramar College, and the College of Continuing Education to enable more local students to transfer to four-year colleges and universities.

The Master Facilities Needs List, which includes the types of projects listed below, is on file and available for review at the Operations, Enterprise Services, and Facilities office at the District's main office.

The list is designed to describe the many repairs, renovations, and improvements now critically needed for District facilities to complete the facilities master plans for all District campuses. The descriptions of individual buildings and facilities are expected to be refined as the District's development plans are completed. The final design of buildings and facilities may vary from these descriptions. As projects are more fully developed, specific designs may be refined by the District's development review team—drawn from the Colleges. Final designs will conform to all applicable code requirements. Where applicable, the suggested sizes of buildings are indicated in Assignable Square Feet (ASF).

Listed building, repair, rehabilitation projects, and upgrades will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program management, staff training expenses, and a customary contingency for unforeseen design and construction costs. The allocation of bond proceeds will be affected by the District's receipt of State bond funds and the final costs of each project. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for modernization may be required if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. There will be necessary site preparation/restoration in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees, and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property.

If any of the projects listed below are not constructed using the bond funds, the funds will remain with the District and approved by the Board for use with other Districtwide projects.

PROJECTS

SAN DIEGO CITY COLLEGE

The bond-funded facilities projects at San Diego City College would include but not be limited to:

PROJECT I: Replace a 50-year-old building to allow the construction of a new Campus Commons that will serve as a hub for campus life and student activities. The new Commons will include amenities that address college priorities for student health and wellness and will include student dining areas, student gathering venues, and study rooms with communal spaces that will support a variety of campus events and programs.

PROJECT II: Replacement of the 50-year-old Saville Theatre with a new state-of-the-art Stagecraft, Multimedia, and Performance Center that would include a large lecture hall and performance space designed with innovative sound, lighting, and stage technologies to support teaching of performance and multimedia skills as well as presentations, lectures, workshops, master classes, and community events.

PROJECT III: Repair and modernize degraded exercise science facilities to provide safe venues for student learning with improved air quality, temperature control, asbestos removal, electrical upgrades, and technology improvements.

FULL TEXT OF MEASURE HH (CONTINUED)

PROJECT IV: Modernize the college's degraded utility infrastructure and Central Plant with current energy-efficient technologies and systems to help reduce utility costs and ensure reliable access to essential heating, cooling, and electrical utilities crucial for maintaining a safe, quality learning environment and supporting campus and community activities.

PROJECT V: Construction of an affordable student residential village to help address widespread housing and homelessness issues and other barriers to educational access among City College students. This facility would include services to support student success such as referral services for academic counseling, mental health, and other student supports. The facility would provide close to 800 beds, including laundry, kitchen, living spaces, and a recreation area. Protected pedestrian pathways connecting the complex to the main campus would enhance access to other college facilities for resident students.

PROJECT VI: Construction of a new facility to support the expanding Seeds at City agriculture science program, to include classrooms, lecture halls, laboratories, greenhouses, field research areas, and space for showcasing sustainable practices. The project would allow the college to expand outreach to the community to provide workshops, field days, educational events, and continue to serve as a resource for fresh, local produce for underserved communities. The project would also involve the construction of new facilities to support the college maintenance and operations functions.

SAN DIEGO MESA COLLEGE

The bond-funded facilities projects at San Diego Mesa College would include but not be limited to:

PROJECT I: Demolition of degraded exercise science facilities, and construction of new facilities to expand kinesiology, health, athletics, and exercise science programs, with classrooms, indoor sports performance areas, and outdoor athletic areas that support student learning, sports programming and development, physical rehabilitation and clinical work, and community engagement through wellness workshops, health screenings, and recreational activities. The project would also include support and storage spaces. The facilities to be demolished were built in the 1960s and require extensive maintenance to support current conditions.

PROJECT II: Construction of a new aquatics center, replacing a 50-year-old obsolete facility. The new center would include a new energy efficient, modern aquatics system, restroom facility, and support facilities to serve and expand programs at Mesa College for lifeguard training, water safety instructor and other life/safety and aquatic safety training programs, and exercise science and health rehabilitation activities.

PROJECT III: Upgrades to the college's degraded utility infrastructure and Central Plant to allow for more sustainable practices with energy-efficient technologies and systems to help reduce utility costs and ensure reliable access to essential heating, cooling, and electrical utilities crucial for maintaining a quality learning environment and supporting campus and community activities.

PROJECT IV: Replacement of the obsolete Apolliad Theatre, built in 1962, with a new state-of-the-art educational facility designed with cutting-edge sound, lighting, and stage technologies that will include a variety of performance spaces, and a large lecture hall for campus and community events to include informative lectures, conferences and educational programs for students and community groups.

PROJECT V: Construction of a new Early Education Center dedicated to providing enriching, professionally supervised childcare, early child education services, and practicum training for SDCCD students qualifying for Childcare Professional certifications while also serving the children of students, faculty, and staff, supporting the developmental needs of children ranging from infants to preschoolers. The Center, which would replace an obsolete child development center, would serve as a practical training site for students studying early childhood education and related fields, allowing students to gain hands-on experience working with young children under the guidance of experienced educators.

FULL TEXT OF MEASURE HH (CONTINUED)

PROJECT VI: Construction of a new Community Health Center to offer a range of healthcare services, such as preventive services, mental health support, dental screenings and services, and some primary care, to students, faculty, staff, and the local community. The Center would offer educational opportunities for students pursuing allied health careers and serve as an accessible and affordable healthcare option for those who may not have easy access to medical services elsewhere.

SAN DIEGO MIRAMAR COLLEGE

The bond-funded facilities projects at San Diego Miramar College include but not be limited to:

PROJECT I: Renovation and upgrade of Aviation and Aeronautical Sciences program aircraft storage facility with modern technology, climate control systems, and advanced maintenance equipment to ensure the safety and integrity of the aircraft used in training programs. This new facility would allow for expansion of job training for careers in the aviation industry.

PROJECT II: Construction of a new Early Childhood Education Center with interactive learning materials and technology, dedicated spaces for imaginative play, outdoor areas designed for exploration and physical development, and a secure drop-off zone. The Center would help meet local demand for early childhood educators, a field growing three times as fast as the average growth for all U.S. occupations, according to the Bureau of Labor.

PROJECT III: Construction of a new Stagecraft, Multimedia, and Performance Center for educational conferences and performance events. The Center would include a large lecture hall and performance space designed with innovative sound, lighting, and stage technologies to support presentations, lectures, workshops, master classes, and community events.

PROJECT IV: Modernize the college's degraded utility infrastructure and Central Plant to allow for more sustainable practices with energy-efficient technologies and systems to help reduce utility costs and ensure reliable access to essential heating, cooling, and electrical utilities crucial for maintaining a quality learning environment and supporting campus and community activities.

PROJECT V: Construction of a new English and Communication Arts Center to serve as a cultural hub with technologically advanced classrooms, multimedia studios, writing laboratories, editing suites, and a museum-quality gallery to display student and community artist work and exhibitions. The Center would replace an obsolete lecture hall building that does not meet current or future academic and career training needs.

PROJECT VI: Construction of a new College Welcome Center/Academic Resource Center to serve as a pivotal hub for prospective and current students, parents, visitors, and community members. It would provide a reception area, information desk, information resource center, lounge area, and designated spaces for hosting new student orientation programs and welcome events. The Center would be equipped with computer workstations and printers to promote completion of online applications and scheduling placement tests.

SAN DIEGO COLLEGE OF CONTINUING EDUCATION

The bond-funded projects for Continuing Education may include but not be limited to:

PROJECT I: Renovation of career training areas for welding, HVAC, and other building trades at the Educational Cultural Complex (ECC) to improve safety, upgrade equipment, and add innovative technologies and processes that align with projected industry standards and practices.

PROJECT II: Modernize facilities to support the expansion of the in-demand automotive technology program by renovating the existing facility to support modern technologies, equipment, and processes to align with projected industry practices and environments, ensuring students receive education, hands-on experiences, and internships relevant to the demands of the workforce and increasing their employability upon graduation.

FULL TEXT OF MEASURE HH (CONTINUED)

PROJECT III: Repair and renovate the Continuing Education Mesa College and Mid-City Campuses to address issues presenting potential property damage to the building's structure, walls, ceilings, floors, and fixtures to preserve the integrity of the buildings.

PROJECT IV: Construction of a new Central Plant and associated utility and energy infrastructure at the ECC to allow for more sustainable practices with energy-efficient technologies and systems to help reduce utility costs and ensure reliable access to essential cooling, heating, and electrical utilities crucial for maintaining a quality learning environment and supporting campus and community activities.

PROJECT V: Renovation of existing the 50-year-old Educational Cultural Complex, including the construction of a new Student Services Center to centralize student support services and programs, a new Community Room to expand ECC's capacity for hosting meetings, workshops, and events for the community, and add new childcare facilities to serve student parents.

PROJECT VI; Expand or construct a new Mid-City Campus to allow for critical facility growth to address chronic waiting lists for in-demand programs such as English as a Second Language (ESL), Citizenship, Emeritus, job training and skill development, and other vital social gateway programs that can mitigate barriers to education, social integration, and economic opportunity for older residents and San Diego's growing immigrant community.

FISCAL ACCOUNTABILITY

THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' BOND OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND AS SPECIFIED. THE CITIZENS' BOND OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS' ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS' ORGANIZATION.
