PUBLIC NOTICE

Date: Oct. 21, 2024

Subject: Construction Restrictions Near Polling Locations - 2024 Presidential Election

The Registrar of Voters is conducting the [2024 Presidential General Election](#) from Saturday, Oct. 26 through Tuesday, Nov. 5.

As a result, please postpone or suspend all work within one (1) mile of the nearest [polling location](#) that would impact access to polling locations during this timeframe. This includes, but is not limited to, trench and utility work, saw cutting and paving. In addition, any private utility work scheduling power outages that would hinder voters from reaching their poll location should be coordinated outside this window.

This requirement includes the removal of traffic control that reduces lanes or reduces lane speeds. It also includes the removal of sidewalks or closures.

Please inform contractors and subcontractors and reflect this requirement in your schedules as appropriate. If you have any further questions regarding this requirement, please contact your assigned Resident Engineer.
