

THE CITY OF SAN DIEGO

Date of Notice: October 30, 2024

NOTICE OF RIGHT TO APPEAL

ENVIRONMENTAL DETERMINATION

ENGINEERING & CAPITAL PROJECTS

WBS# B-24139.02.06

PROJECT NAME: 535 University Place Storm Drain Emergency

COMMUNITY PLAN AREA: Uptown

COUNCIL DISTRICT: 3

LOCATION: The project is located within an existing utility easement straddling 535 University Place (APN: 451-102-01-00) and 3911 Dove Street (APN: 444-624-05-00).

PROJECT DESCRIPTION: A visual inspection of stormwater infrastructure located within an existing 8-foot drainage easement straddling 535 University Place and 3911 Dove Street revealed a sinkhole measuring approximately 15 feet (L) x 14 feet (W) x 9 feet (D). The sinkhole was caused by a failed 12-inch diameter corrugated metal pipe (CMP) storm drain that terminates at the bottom of the slope. The sinkhole has undermined the retaining wall at the bottom of the slope and the structural integrity of the adjacent residences.

The project will relocate existing dry utilities in coordination with San Diego Gas & Electric to facilitate storm drain infrastructure repair; replace in-place approximately 135 linear feet (LF) of 12-inch diameter CMP storm drain with new 18-inch diameter reinforced concrete pipe (RCP) and fill the sinkhole. The project will also require the construction of structural appurtenances for the new RCP storm drain. Failure to repair the storm drain infrastructure increases the likelihood of flooding, erosion, and impacts on private property. The proposed work is the minimum necessary to ensure adequate operational capacity of the storm drain and public health and safety. Following the completion of work, all areas impacted by the emergency will be restored to their pre-impact condition.

ENTITY CONSIDERING PROJECT APPROVAL: City of San Diego

ENVIRONMENTAL DETERMINATION: This activity is statutorily exempt from CEQA pursuant to CEQA Statute Sections 21080(b)(2) and (4) and CEQA Guidelines Sections 15269(b) and (c) (Emergency Projects).

ENTITY MAKING ENVIRONMENTAL DETERMINATION: City of San Diego Engineering & Capital Projects

STATEMENT SUPPORTING REASON FOR ENVIRONMENTAL DETERMINATION: The City of San Diego conducted an environmental review that determined the project meets the definition of an “Emergency” as defined in CEQA Guidelines Section 15359 (Emergency) as the project involves a sudden, unexpected occurrence involving a clear and imminent danger, demanding immediate action to prevent or mitigate loss of, or damage to, life, health, property, or essential public services. This emergency repair is required in order to protect public health, safety and property, and is supported by the expert opinion of the City Engineer. Thus, this emergency activity is statutorily exempt from CEQA pursuant to CEQA Statute Section 21080(b)(2) and CEQA Guidelines Section 15269(b) (Emergency Projects), which exempts emergency repairs to publicly or privately owned service facilities necessary to maintain service essential to public health, safety or welfare. This activity is also statutorily exempt from CEQA pursuant to CEQA Statute Section 21080(b)(4) and CEQA Guidelines Section 15269(c) (Emergency Projects), which exempts specific actions necessary to prevent or mitigate an emergency.

CITY PROJECT MANAGER: Eriberto J. Valdez Jr.
MAILING ADDRESS: 525 B Street, Suite 750, San Diego, CA 92101
PHONE NUMBER/E-MAIL: (619) 533-5473 / EJValdez@sandiego.gov

On October 30, 2024 the City of San Diego made the above-referenced environmental determination pursuant to the California Environmental Quality Act (CEQA). This determination is appealable to the City Council. If you have any questions about this determination, contact the City Project Manager listed above.

Applications to appeal CEQA determination to the City Council must be filed in the Office of the City Clerk within five (5) business days from the date of the posting of this Notice (by November 6, 2024). Appeal procedures are described in Information Bulletin 505 (<https://www.sandiego.gov/sites/default/files/dsdib505.pdf>). Appeals to the City Clerk must be filed by email or in person as follows:

- 1) Appeals filed via E-mail: The Environmental Determination Appeal Application Form DS-3031 can be obtained at <https://www.sandiego.gov/sites/default/files/legacy/development-services/pdf/industry/forms/ds3031.pdf>. Send the completed appeal application form (including grounds for appeal and supporting documentation in pdf format) by email to Hearings1@sandiego.gov by 5:00 p.m. on the last day of the appeal period; your email appeal will be acknowledged within 24 hours. You must separately mail the appeal fee by check payable to the City Treasurer to: City Clerk/Appeal, MS 2A, 202 C Street, San Diego, CA 92101. The appeal filing fee must be United States Postal Service (USPS) postmarked within 5 business days of the date the appeal is filed.
- 2) Appeals filed in person: The Environmental Determination Appeal Application Form DS-3031 can be obtained at <https://www.sandiego.gov/sites/default/files/legacy/development-services/pdf/industry/forms/ds3031.pdf>. Deposit the fully completed appeal application (including grounds for appeal and supporting documentation) to the City Administration Building—Public Information Counter (Open 8:00 a.m. to 5:00 p.m. Monday through Friday excluding City-approved holidays), 1st Floor Lobby, located at 202 C Street, San Diego, CA 92101, by 5:00 p.m. on the last day of the appeal period. The completed appeal form shall include the required appeal fee, with a check payable to: City Treasurer. Please include the project name on the memo line of the check/money order. This Drop-Off Box is checked daily, and payments are processed the following business day.

This information will be made available in alternative formats upon request.
