SUBJECT: OTAY MESA/TIJUANA FIELD TRIP - MARCH 21, 1991
9:00 AM TO APPROXIMATELY 4:00 PM

SUMMARY:

THIS IS AN INFORMATIONAL ITEM ONLY. NO ACTION IS REQUIRED ON THE PART OF THE PLANNING COMMISSION.

DISCUSSION:

At the request of the Planning Commission, a field trip to Tijuana has been arranged for March 21, 1991. Planning Commissioners and Planning staff will meet in the large conference room on the fifth floor of the City Administration Building at 9:00 am on Thursday, March 21, and will return between 3:00 and 4:00 pm.

This field trip will serve to acquaint the Commissioners with new housing projects in Tijuana as well as infrastructure plans for the City, including the expansion of Rodriguez Airport. We will also visit the residentially designated portion of Otay Mesa that is situated immediately to the north of Tijuana. This is the area that would be most impacted by proposals to develop an international or binational airport in the southern portion of Otay Mesa.

A meeting has been arranged with Mr. Hector Castellanos, Tijuana's Director of Planning and Urban Development, to provide an opportunity for Planning Commissioners to discuss these topics. Mr. Jeff Bogart, City of San Diego's Director of Binational Affairs, will join us during that meeting.

We plan to have lunch while we are in Tijuana. If you have further questions regarding the field trip, please contact Gail Goldberg at 533-3684.
