

## Infrastructure Priorities Survey - Projects Form for Planning Groups

Planning Group Name: Torrey Pines		
Questions	Project Idea 1	Project Idea 2
<b>1. Please share specific infrastructure project ideas/ suggestions for your community?</b>	Sidewalk Improvements – Safe Walk to Del Mar Heights Elementary School	Completion of previously approved CIP street improvements / resurfacing:
<b>2. Where is your suggested project located? Please provide an exact address or be as specific as possible (e.g., "Along the westside of Boundary Street between Thorn Street and Myrtle Avenue."</b>	a. The completion of sidewalks along Mercado Drive to allow pedestrians the ability to walk safely to the new elementary school, separated from vehicular traffic. Currently, this is the only segment void of sidewalks to the school. Cost: TBD. Improvements to enable pedestrian access through a City-owned triangle of property connecting DMHT's Road and Boquita Drive. Cost: TBD. There is an existing narrow raised dirt walkway along the south side of DMHR connecting Mango Drive to Mira Montana. Create a concrete ramp, ADA compliant to allow safe passage to the Del Mar Heights School. This would allow students to be safely above the vehicular traffic on DMHR as they make their way to Del Mar Heights School. \$2,000,000 (estimated).	This request is for street repairs that were part of CIP funding approved for Del Mar Heights area, south of Del Mar Heights Road, that were pulled without Notice
<b>3. How will this project positively impact the community?</b>		
<b>4. Project Category</b>	Public Safety	Public Safety
