PUBLIC NOTICE

Date: Nov. 29, 2024

Subject: Fee Changes Effective Jan. 1, 2025

Effective Jan. 1, 2025, all Development Services Department (DSD) user fees will increase by 1.1% from the prior fiscal year based on City Council-approved general and special salary increases for DSD employees.

The increase will provide full-cost recoverability for all permitting services, help DSD meet established service levels and ensure sufficient resources to continue improving the quality of the mandated regulatory review process.

The fee increase will apply to all new projects deemed complete on and after Jan. 1, 2025. DSD Information Bulletins containing the updated fee schedules will be available and searchable online.
