ENVIRONMENTAL DETERMINATION: Categorically exempt from CEQA pursuant to CEQA State Guidelines, Section 15302, Replacement or Reconstruction.

ENTITY MAKING ENVIRONMENTAL DETERMINATION: City of San Diego

STATEMENT SUPPORTING REASON FOR ENVIRONMENTAL DETERMINATION: The City of San Diego determined that the project would qualify to be categorically exempt from CEQA pursuant to Section 15302 (Replacement or Reconstruction). The exemption consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. Since the project proposes the replacement of an existing single-family residence and associated site improvements with a new single-family residence and associated site improvements, this exemption was deemed appropriate. In addition, the exceptions listed in CEQA

Section 15300.2 would not apply. **The site is not included on any list compiled pursuant to Government Code Section 65962.5 for hazardous waste sites.**
