Date of Notice: November 6, 2024

NOTICE OF RIGHT TO APPEAL

ENVIRONMENTAL DETERMINATION

ENGINEERING & CAPITAL PROJECTS

WBS#: B-25066.02.06

PROJECT NAME: Stormwater Channel Emergency Permanent Repairs

COMMUNITY PLAN AREA: Southeastern San Diego and Encanto Neighborhoods

COUNCIL DISTRICT: 4, 8

LOCATION: The project sites are located within the Akins Channel from 64th Street to 69th Street and within the Cottonwood Channel at 4529 Nordica Avenue and 2128 Osborne Street.

PROJECT DESCRIPTION: The project will conduct permanent structural repairs to the damaged concrete segments along the Akins and Cottonwood Channels. Failure to make these structural repairs increases the likelihood of future flooding, erosion, impacts to private property and the public right-of-way, and threatens life and safety. The proposed work is the minimum necessary to ensure adequate operational capacity of stormwater infrastructure. Following the completion of work, all areas impacted by the emergency will be restored to their pre-impact condition, including the restoration of environmentally sensitive habitats impacted by the project.

ENTITY CONSIDERING PROJECT APPROVAL: City of San Diego

ENVIRONMENTAL DETERMINATION: This activity is statutorily exempt from CEQA pursuant to CEQA Statute Sections 21080(b)(2) and (4) and CEQA Guidelines Sections 15269(b) and (c) (Emergency Projects).

ENTITY MAKING ENVIRONMENTAL DETERMINATION: City of San Diego Engineering & Capital Projects

STATEMENT SUPPORTING REASON FOR ENVIRONMENTAL DETERMINATION: The City of San Diego conducted an environmental review that determined the project meets the definition of an "Emergency" as defined in CEQA Guidelines Section 15359 (Emergency) as the project involves a sudden, unexpected occurrence, involving a clear and imminent danger, demanding immediate action to prevent or mitigate loss of, or damage to, life, health, property, or essential public services. This emergency repair is required in order to protect public health, safety and property, and is supported by the expert opinion of the City Engineer. Thus, this emergency activity is statutorily exempt from CEQA pursuant to CEQA Statute Section 21080(b)(2) and CEQA Guidelines Section 15269(b) (Emergency Projects), which exempts emergency repairs to publicly or privately owned service facilities necessary to maintain service essential to public health, safety or welfare. This activity is also statutorily exempt from CEQA pursuant to CEQA Statute Section 21080(b)(4) and CEQA Guidelines Section 15269(c) (Emergency Projects), which exempts specific actions necessary to prevent or mitigate an emergency.

CITY PROJECT MANAGER: Eriberto J. Valdez Jr.
