## INTRODUCTION

The City of San Diego Parks and Recreation Department operates and maintains a diverse and valued parks system that serves millions of residents and visitors each year. The City's parks system does more than fulfill the public's need for leisure, it supports and provides opportunities for individual growth, cultural exchange and enrichment, and youth development including important opportunities for at-risk youth, and it also provides a robust and varied offering of programs for all, including individuals with disabilities and seniors. The parks system also preserves and maintains a significant portion of the San Diego region's diverse natural habitat and supports San Diego's economic base through tourism; and it greatly enhances the City's ability to attract and retain businesses.

The Parks and Recreation Department is responsible for the management of:

- Park Land 42,263 acres of developed and undeveloped park land, joint use and open space.
- 26,972 acres of open space
- 5,977 water acres within the San Diego-La Jolla Underwater Park
- 9,314 acres of regional, community, neighborhood, mini and joint use parks

City of San Diego City Charter, Article V, Section 55 states "All real property owned in fee by the City heretofore or hereafter formally dedicated in perpetuity by ordinance of the Council or by statute of the State Legislature for park, recreation or cemetery purposes **shall not be used for any but park, recreation or cemetery purposes** without such changed use or purpose having been first authorized or later ratified by a vote of two-thirds of the qualified electors of the City voting at an election for such purpose."

## REGISTRATION/RESERVATION PROCESSING FEES

The City of San Diego only accepts electronic bank transfers and major credit cards as payment; except for Pool Admission fees. Transaction and credit card processing fees are established by the on-line service provider and are nonrefundable. Processing fees (approximately 3-5%) are added when transactions are processed within the online reservation/registration system. Processing fees are cost recoverable and are subject to change based on service provider rate changes.

#### Miscellaneous Staffing for Event Support

Fees are intended to achieve 100% cost recovery to support events and protect public health and safety. Fees will be based on the hourly loaded labor cost for each employee classification (Step C) and the total number of hours per employee.

#### Non-Hours of Operation

This fee is required when facilities are reserved outside the normal hours of operation when City staff is required on site. There is a two-hour minimum charge if Non-Hours of Operation are not contiguous with normal hours. Prorating for partial hours and combining partial hours over multiple timeframes is not allowed.

Payment of Non-Hours of Operation Fee does not provide open access to an entire facility to the public. Groups or individuals that desire full public access to a recreation center will be required to pay the Additional Operating Hours for Recreation Center fee.

#### Non-Profit Organization

Refers to an organization that the Internal Revenue Service has designated as tax exempt organization under 26 U.S.C. § 501, with current status as a 501(c)(3), 501(c)(4), or 501(c)(6) charitable organization. Organizations must submit documentation to qualify for these rates.

#### Parking Lot Use for Event Venues

Fee is for the sole purpose of closing public parking spaces for use as an event venue. It is not permissible to use the fee to secure parking spaces for exclusive permitted or paid parking purposes. This daily rental must include any set-up or dismantle time. Rental period begins at 6 a.m. and is valid for 24 hours. An additional daily rate will be charged per day for any event which exceeds the permitted period. Not all parking spaces are available for rental. All rentals will be assessed the Recreation Center Fund Fee or the Opportunity Fund Fee as designated under General and Commercial Use of Parks (page 4).

#### Pedi-Cab Permit

For complete rules and procedures for Pedi-Cabs, contact Park Ranger Division at 619-235-1122.

#### Permits

Park and building rental permits are not issued until payment is received. Some permits may require insurance, cleaning deposits and/or damage deposits. Each rental group is responsible for leaving the facility and equipment in a safe, proper working order and clean condition. Any violations of rules, regulations or policies and/or damage attributable to the Permittee, sponsors or any other party associated with this event, an invoice from the City will be issued to the Permittee with applicable charges for repairs and labor cost.

#### Prorating

All hourly fees are rounded to the full hour. Prorating of partial hours or combining partial hours over multiple timeframes is not allowed. Set up and clean up time must be included in the total hours permitted.

### Special Equipment Set-Up

Permittees that pay the Ground Use Fee are not charged this fee. This charge is for any special set-up by permittee to include, but not limited to canopies, tables, chairs, generators, party jumps, pony rides, portable food service equipment, portable stages (20'x20' maximum size), etc. Each item will be assessed a set-up charge.

One party jump with one generator is considered one set-up charge where allowed. Permittees should confirm which locations allow party jumps prior to seeking a permit. Generators for youth league pitching machines or other like equipment are excluded from this fee when used in conjunction with permitted regular season play.

There is a set-up fee for tables and chairs when the number of tables exceeds three (3) tables (max. seating of 10) or the number of chairs exceeds thirty (30) chairs. Activities with more than one 10'x10' canopy or canopies larger than 10'x10' will be charged a set-up fee for each canopy.

Events officially sponsored by City Council offices require direct and active involvement by the Council/Mayor and/or their staff. Community events officially sponsored by the City must be accompanied by a written confirmation from a City Council staff representative or the appropriate City department appointing authority.

## Athletic Programs

The City of San Diego manages athletic fields, gymnasiums and outdoor courts (hardscape or sand) throughout the City to serve the recreation needs of its citizens. These facilities are used for activities conducted by the Parks and Recreation Department (Department). Other groups and organizations may schedule use of the athletic fields, gymnasiums and outdoor courts when available. The Department reserves the right to modify priority classifications and seasonal sports priorities, and to establish new priorities for other activities, at its sole discretion.

All organized activities require use fees and a permit, including athletic activities, sports games, practices, clinics, sports classes, commercial activities (including for-profit leagues), tournaments, and all school-based or organized athletics on an athletic field, gymnasium or outdoor court.

Leagues consists of a minimum of four (4) teams that participate in athletic competitions against each other at a City field or court. An organization with four (4) or more teams that practices at a City of San Diego park or court but participates in competitions exclusively at fields or courts from another jurisdiction is not considered a City league and must pay the appropriate hourly rates.

Clinics are instructional events conducted on a single non-recurring date in which the participants are primarily registered participants or affiliates of a permitted league. Examples include coaches’, officials’, and player development clinics. Hourly fees will apply unless the clinic is offered for free as part of a league permit. Camps cannot be offered as part of a league permit and must pay the applicable hourly rate.

In-season League Play consists of a maximum of 26 weeks that includes tryouts, clinics, practices, scrimmages and games hosted by a league for its participants. **League Play is calculated as one practice and one game per week per team.** If space is available, practices can be allowed up to 2 times a week. Hourly rates will apply for non-league activities. The calendar below sets seasonal sports priorities for “In-season League Play.”

1. Organizations may only permit the minimum number of athletic fields, gymnasiums and outdoor courts required to adequately operate their program. The permitting of facilities to keep other organizations out of an area is strictly prohibited.
