Subject: September 2024: Skilled & Trained Workforce Report - Letter to Achieve

Robert/Natalie,

Sukut Construction (Sukut) is submitting this letter as a supplement to the September 2024 Skilled and Trained Workforce Report. We had laborers, operators cement masons and carpenters who were apprenticeship program graduates, and these are noted in our report. These same employees will continue to be on our site as our mainline installation continues.

Although we did not meet our goals for apprenticeship graduates this month, Sukut has enrolled employees through the accelerated apprenticeship program and are awaiting approval from the program directors.

Feel free to contact me with any questions.

Regards,

Matt Fleming

Sukut Construction Project #1451

Subject: September 2024: Skilled & Trained Workforce Report - Letter to Achieve

Dear City of San Diego/Sukut Construction,

Zefiro Corporation is submitting this letter as a follow-up to the September 2024 Skilled and Trained Workforce Report. This month, we had operators who were not graduates of the apprenticeship program, which prevented us from meeting our goals for apprenticeship graduates.

Moving forward, we have two employees who have completed the apprenticeship program, and they will be assigned to this project to help us achieve our objectives.

Please feel free to reach out with any questions.

Best regards,

Mike Buntich

Superintendent
