STATEMENT SUPPORTING REASON FOR ENVIRONMENTAL DETERMINATION: The City of San Diego determined that the project would qualify to be categorically exempt from CEQA pursuant to Section 15301(e)(1) (Existing Facilities). More specifically, the project qualifies for this exemption

under CEQA Section 15301(e)(1) since the proposed 500 sq. ft. addition would not result in an increase of more than 50 percent of the floor area of the existing 1,157 sq. ft. structure before the addition. The exceptions listed in CEQA Section 15300.2 would not apply in that it is not located in a particularly sensitive environment; no cumulative impacts were identified; no significant effect on the environment was identified; the project is not adjacent to a scenic highway; the project would not cause substantial adverse change in the significance of a historical resource; **and the site is not included on any list compiled pursuant to Government Code Section 65962.5 for hazardous waste sites.**
