Alvarado 2nd Extension Pipeline Project

Hello,

You are receiving this email because you were previously identified as an interested stakeholder during the design phase of the Alvarado 2nd Extension Pipeline Project. The Project includes the construction of approximately 10 miles of water mains in the Mission Valley and Mission Bay areas. Work will be occurring on Sea World Drive, Friars Road, Fashion Valley Road, Riverwalk Drive, Hazard Center Drive and Frazee Road. More details on the project, as well as the project alignment, are available at the [project website](#).

As a subscriber to this e-blast list, you will receive all future notifications regarding upcoming work on the project. Currently, the contractor is performing work to identify and confirm the location of underground utilities along the project alignment before they begin work to install pipeline. Pipeline installation work is currently estimated to begin in April 2025 at Friars Road and Frazee Road, working east towards I-805 on Friars Road.

Please feel free to forward this email to anyone else that might be interested in subscribing. They can subscribe for project e-blasts [using this link](#), entering their contact information, and then clicking the box for "Project Updates: Alvarado 2nd Pipeline Extension".

If you do not wish to be included in this project e-blast subscriber list, please click the unsubscribe button at the bottom of this email.

Sincerely,
The Alvarado 2nd Extension Pipeline Project Team
