Proposal to Add a Dog Park to the North Clairemont Community Park

Community member Jonathan Hogan proposed a dog park. There are many unused portions of North Clairemont Community Park, as demonstrated by the maps in the presentation. Currently, the unused land The agency controlling some unused lands is unclear. Four options were proposed:

- Vacant land south of baseball field (Option A)
- Near the southern soccer field
- Near the basketball and tennis courts
- Combining all three options to create a

Jonathan solicited community input. Community members support the proposal.

IG supports the proposal and wants the City to make good on its promise to build a dog park at the North Clairemont parkl.

MW asked about which proposal would be best. Jonathan said that

SP likes the proposal and supports it. SDUSD potentially owns the land in option A.

Time ran out on Zoom. Motion by IG to continue the dog park proposal and the DIF spending plan to the next meeting. MW seconds the motion.

Roll Call: IG (yea), MW (yea), SP (yea). IG adjourned the meeting at 6:35 p.m.
