

## **Senior Affairs Advisory Board Proposed Leadership Slate for Board Election**

### **Chair: Gwenmarie Hilleary**

Gwenmarie Hilleary has shown exceptional leadership and strategic foresight in her contributions to the board. She successfully guided the team through the complexities of the bylaws process, demonstrating a deep understanding of governance and procedure. Her ability to engage with key stakeholders, coupled with her proven capacity to lead in an interim role, makes her an ideal candidate to serve as Chair.

### **Vice-Chair: Juan Sotelo**

Juan Sotelo has been instrumental in coordinating critical outcomes during his interim role, showcasing his organizational strength, collaborative leadership, and commitment to board initiatives. His proactive approach, ability to resolve challenges, and dedication to fulfilling board objectives position him well to step into the Vice-Chair role.

### **Secretary: Michelle Matter**

Michelle Matter has consistently demonstrated precision, efficiency, and reliability in documenting board proceedings. Her attention to detail and ability to maintain accurate records provide essential organizational support. Given the importance of this role, Michelle's skill set ensures that board operations remain efficient and well-documented.

### **Legislative Chair: JB Robinson**

JB Robinson has exhibited unwavering commitment to advancing legislative priorities and fostering progress in critical areas of focus for the board. His proactive engagement, ability to resolve legislative challenges, and dedication to serving the community align seamlessly with the responsibilities of this role.

### **Summary:**

Each nominee has agreed to serve in their respective roles, bringing proven leadership, dedication, and expertise to support the mission of the Senior Affairs Advisory Board. Their combined experience will ensure continued growth, strategic progress, and successful execution of board initiatives.
