APPROVAL OF THE October 11, 2024 MINUTES:

Motion to approve the minute pass 5-0-0

NON-AGENDA PUBLIC COMMENT: This portion of the agenda provides an opportunity for members of the public to address the Board on items of interest within the jurisdiction of the Board.

- Sycamore park will be assessed and renovated soon. It will be assessed by MADS. Walter will ask Ivan, the ground maintenance supervisor, for the turf report and to see if an aerate service can be done on the field.
- Jerebek Park is tentatively going to reopen in the spring. It was originally going to reopen earlier, but the rain and other factors delayed the reopening.
- SRWAC requests more gym time. Walter says that would not be doable because the site can only be open a certain amount of time.
- Lighting issues at Stonebridge, the path lights tend to go out at the same time as the field lights. Walter says that it's an electrical issue. Ivan is working to get a contractor out there to potentially fix it.
- There were concerns raised about vandalism on the fields during winter break. Trying to prevent people from driving on the fields as they've done in the past. There were discussions about security, such as locking the gates, but

there were also concerns about problems if the gates don't get unlocked in the morning. Also a funding block is in effect for the general fund, which would make approval of security contractors a lot more difficult.

REQUEST FOR ITEMS TO BE PLACED ON CONSENT AGENDA:

The Chair may entertain a motion by any Board Member to approve any agenda item as consent when no public comments have been submitted in favor or in opposition to the item. Items approved on consent are approved in accordance with staff's recommendation as reflected on the agenda and described in the Staff Report to Scripps Ranch Community Recreation Group unless otherwise noted in the motion.

PARKS AND RECREATION STAFF REPORT:

OCA Center Director III: Brian Vaira, and Center Director III: Walter Ma'ake

Brian Vaira reports that the Halloween Carnival at Scripps went well. Attendance was a bit lighter than previous years, about 70-80 people attended. There was an issue where the sprinklers came on while there were bounce houses outside.

There will be a holiday movie in the gym event with Frozen 2. The event will require registration, only 50 families max will be allowed to attend. There will be activities, workshops, and a Santa.

Mark Moncey has returned from his OCA assignment. Hana Jaffe is on leave. Walter is preparing for another leave soon.
