## **Notice CANCELLED January 9<sup>th</sup> CPG Meeting**

To all CPG Members and Interested Community People, Greetings and I hope you are all doing well.

The regularly scheduled quarterly meeting for October 9<sup>th</sup> 2025. I apologize for both the cancellation and late notice. Having had no actionable agenda items, coupled with my ongoing health challenges/limitations, I completely overlooked the scheduled meeting.

**The next scheduled meeting will be our Annual Gathering, March 13<sup>th</sup> 2025**

If you are aware of ANY potential agenda items requiring our CPG action, please send them to me ASAP. Remember, we can also hold a special meeting with proper notice should the need arise.

Respectfully yours,

Marc Lindshield - Chair
