

CONSTRUCTION UPDATE:
Morena Northern Pipelines and Tunnels at Nobel Drive and Genesee Avenue

Jan. 30, 2025

To limit traffic impacts and prioritize public safety, crews will complete pipeline installations on Genesee Avenue between Governor Drive and south of Decoro Street before beginning work in and around the intersection of Nobel Drive and Genesee Avenue.

Based on the current phasing and progress, the contractor will be working on Genesee Avenue from Governor Drive and south of Decoro Street through April 2025, with plans to move into the Nobel Drive and Genesee Avenue intersection in May 2025. Genesee Avenue between Governor Drive and Decoro Street will be opened to two lanes of traffic in each direction before traffic control is set up in the Nobel Drive and Genesee Avenue intersection. The multi-stage approach previously communicated will be replaced with a plan to complete all work in and around the intersection in a single stage.

Additional information and a new intersection map will be provided prior to work in the Nobel Drive and Genesee Avenue intersection.

Why: Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally. The Pure Water San Diego Program will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply. The Morena Northern Pipelines and Tunnels project is one of several major water infrastructure projects in Phase 1 of Pure Water San Diego.

The City is committed to clear communication and providing up-to-date information about construction activities. Properties along the construction area will receive printed notices before work begins near their address, and construction notices will be regularly posted on utc.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-UTC-PWSD (833-882-7973)** with questions about the City's Pure Water Program and the Morena Northern Pipelines and Tunnels project, and a team member will get back to you within one business day.
