In addition, the Prime Contractor certifies that it has met the requirements of Public Contract Code 2601(d), subject to certain exceptions set forth therein, that the required percentage of the skilled journeypersons or skilled journeyperson hours employed to perform work on the Project by the Prime Contractor and all subcontractors are graduates of an apprenticeship program for the applicable apprenticeable occupation.

A graduate of an apprenticeship program means either of the following:

Re: Skilled and Trained Workforce Report – Plan to Achieve – Plumbers – September 2024  
Project: North City Pure Water Facility

To whom it may concern, We are currently only employing three journeyman plumbers. Due to the amount of work currently on the project, we are unable to bring out another worker at this time. If/when the work picks up, Shimmick will request another trained worker from the union.

Should you have any questions or wish to discuss this matter further, please don't hesitate to contact me.
