Hello Neighbor,

The year may be coming to an end soon, but our work serving you at City Hall never stops! As Chair of the Budget and Government Efficiency Committee, I'm already casting an eye toward next year's budget. Priorities include funding for repairing streets, building more affordable housing, and expanding shelter services to reduce the number of San Diegans experiencing homelessness on our streets.

I'm also focused on what our district needs – things like expanding the University City Library, acquiring a site for a new fire station near Camino Santa Fe/Miramar, renovating the Standley Recreation Center, extending Carroll Canyon Road west from Camino Santa Fe to Interstate 805, and numerous additional park and infrastructure updates to accommodate the continued growth in our communities.

While these are significant investments that will take many years and a lot of your continued advocacy, I remain committed to advancing important projects throughout the District in the year ahead. You can read more about my Fiscal Year 2026 Budget Priorities here: www.sandiego.gov/citycouncil/cd6/budget

As we head into the holiday season, it's also a time for joy and gratitude. Happy Diwali to all who celebrated last week. My family and I look forward to spending time together over Thanksgiving this month. I wish you and your loved ones a wonderful holiday.

Please continue reading below for details on signing up for our District 6 Turkey Distribution event on November 23rd and our annual Trees for Troops on December 7th.

Wishing you all a wonderful holiday season,

Councilmember Kent Lee

Marcy Park Groundbreaking Celebration

I'm excited to share that work has begun on the renovation of Marcy Neighborhood Park in University City. Join us this Wednesday, Nov. 6th, from 12:30 to 2:30 p.m. for the Groundbreaking Community Celebration! We'll kick off these exciting improvements with a fun afternoon of free activities, crafts, and a bounce house for kids. Bring the whole family and help us celebrate this new chapter for University City!

YOU'RE INVITED!

MARCY PARK GROUNDBREAKING COMMUNITY CELEBRATION

**FREE ACTIVITIES
& BOUNCE HOUSE
FOR KIDS!**

**WEDNESDAY,
NOVEMBER 6TH 12:30 - 2:30PM**

2-5 & 5-12 YEARS OLD
PLAYGROUND AREAS

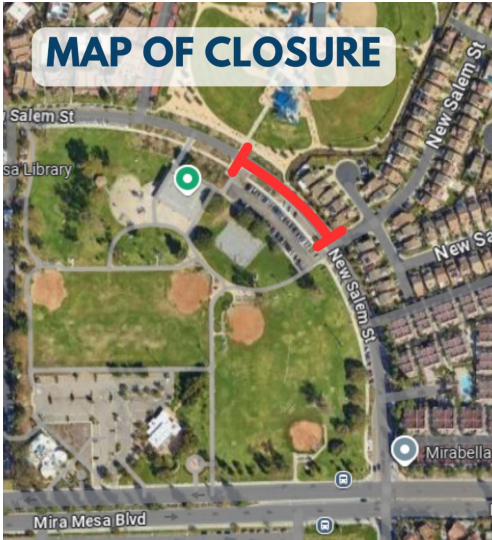

This long-awaited project will replace and expand the playground while improving pathways, curb ramps, walkways, and other essential features. Last year, I advocated for and secured \$750,000 in funding to bridge the financial gap for this project, and I'm thrilled to see it underway. Spaces like Marcy Park are crucial for the wellbeing of our neighborhoods, and I'll continue to push for more City funding to improve as well as add these vital public spaces.

Mira Mesa Updates

As Chair of the Budget and Government Efficiency Committee, one of our top priorities working with Mayor Gloria and my City Council colleagues was to secure over \$140 million this year to repair over 300 miles of roads as well as funding for an additional in-house mill and pave team to accomplish smaller projects.

While key projects such as the reconstruction of Gold Coast Dr. and Parkdale Ave. are currently underway, we continue to hear from residents about their frustrations with road conditions ranging from major thoroughfares to small residential stretches — all of which need our attention.

This last week, Aqua Mansa Rd., one of those smaller stretches with one of the worst condition scores in the City, finally received a much-needed facelift! Completed by the city's new in-house team, Aqua Mansa Rd. is a reminder that residents on roads big and small all deserve attention beyond simply paving potholes, and we look forward to fighting to secure ongoing funding to pave more roads across Mira Mesa and throughout District 6.

Meanwhile, following our groundbreaking last month for the **Mira Mesa Community Park Phase II project**, a portion of New Salem Street will be closed to traffic from October 21st to December 6th (7 a.m.—4 p.m.) for utility work. See the attached map for more details. Thank you to residents for your patience as this landmark project is underway!

District 6 Business Spotlight

Tiny Tiger

This imaginative indoor play space recently opened on Miramar Road and was thoughtfully created for young families to enjoy in San Diego. Inspired by her journey as a mother, the owner, Jenna, has created a safe, joyful haven where parents and children can come together to make lasting memories. We're thrilled to welcome Tiny Tiger to our community and look forward to seeing it become a beloved spot for play and connection. Welcome to District 6! □
