

Crews Will Begin Potholing in Bay Park Next Week

February 20, 2025

Starting next week, Feb. 24, crews will begin pre-construction work to locate underground utilities along the project's pipeline alignment in Bay Park. Work will be occurring on Chicago Street, Ingulf Street, Jellett Street, Denver Street and Milton Street. Minor traffic and street parking impacts are expected during this work, which is expected to last for approximately 3 weeks.

Potholing will occur at the following locations:

- Within the Chicago Street and Jellett Street intersection
- Within the Denver Street and Ingulf Street intersection
- On Chicago Street, near the Milton Street intersection
- On Chicago Street, between Lister Street and Milton Street
- On Jellett Street, between Chicago Street and Denver Street
- On Denver Street, between Jellett Street and Ingulf Street

Once completed, crews will begin pipeline installation near the intersection of Morena Boulevard and Milton Street, moving north along the alignment. Additional notices will be distributed to homes and residences in the area before pipeline installation begins.

Please [view the notice](#) for additional information about the upcoming pipeline work and a map outlining the alignment where work will be taking place .
