advances alternative transportation options and promotes economic revitalization. They foster community cooperation through creative collaborations that enhance the vitality of our businesses, sustain the health of our residential community, and promote a model cohesive neighborhood. El Cajon Boulevard Business Improvement Associate (ECBIA) is the fiduciary lead of the organization and puts together the meetings, agendas, notifications, etc. Historically the committee has focused on work in and alongside the business district (~late 1990s), but has increasingly played a role in relaying community needs to the City. The board members still focus on commercial areas, but will facilitate residential concerns as well. The group meets on the fourth Wednesday of every month at 11:30am.
