THE SMALL BUSINESS MEN'S ORGANIZATION  
OF SAN DIEGO COUNTY

(INCORPORATED)

P. O. BOX 525  
SAN DIEGO, CALIFORNIA

Oct 5, 1939

To the Honorable City Council  
San Diego, California

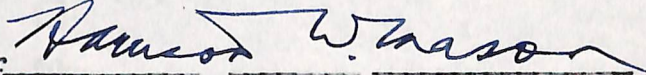

Gentlemen:

Resolutions of approval were passed at our last regular meeting, commending the action of city council and Fred Simpson, in the matter of enforcement of danger warnings incidental to use of beaches and boats by the public. It is the sense of the organization that the safety laws designed to protect the public should be enforced in this regard.

Respectfully submitted,

Small Business Men's Organization of San Diego County

Per

  
H. W. Mason, Corres. Sec.
