AGREEMENT BETWEEN
THE CITY OF SAN DIEGO
AND KATHERINE CLARK
FOR PUBLIC ART SERVICES

THIS Agreement H197094 [Consulting Agreement], and the incorporated Exhibits A-G, is made and entered into between the City of San Diego, a municipal corporation [City], and Katherine Clark [Artist], for the Artist to provide consulting services to the City.

ARTICLE I
SCOPE OF SERVICES

1.1 Scope of Services. At the direction of the City, the Artist shall provide services to the City, as described in Scope of Services [Exhibit A], for design, fabrication, transportation of artwork to site and consultation during installation of artwork to be installed by the City in connection with the Mira Mesa Community Park Public Art Project, the Project.

ARTICLE II
DURATION OF AGREEMENT

2.1 Term of Agreement. This Consulting Agreement shall be effective on the date it is executed by the last party to sign the Consulting Agreement, and approved by the City Attorney in accordance with San Diego Charter Section 40. Unless otherwise terminated, it shall be effective until completion of the Scope of Services or February 15, 2024, whichever is the earliest but not to exceed five years unless approved by City ordinance.

2.2 Time of Essence. Time is of the essence for each provision of this Consulting Agreement, unless otherwise specified in this Consulting Agreement.

2.2.1 Unless otherwise specified herein, time is of the essence for each and every provision of the Consulting Agreement. Artist must immediately notify City in writing if there is, or it is anticipated that there will be, a delay in performance. The written notice must explain the cause for the delay and provide a reasonable estimate of the length of the delay. City may terminate this Consulting Agreement as provided herein if City, in its sole discretion, determines the delay is material.

2.2.2 If a delay in performance is caused by any unforeseen event(s) beyond the control of the parties, City may allow Artist to a reasonable extension of time to complete performance, but Artist will not be entitled to damages or additional compensation. Any such extension of time must be approved in writing by City. The following conditions may constitute such a delay: war; changes in law or government regulation; labor disputes; strikes; fires, floods, adverse weather or other similar condition of the elements necessitating cessation of the performance; inability to obtain materials, equipment or labor; or other specific reasons agreed to between City and Artist. This provision does not apply to a delay caused by Artist's acts or omissions. Artist is not entitled to an extension of time to perform if a delay is caused by Artist's inability to obtain materials, equipment, or labor unless City has received, in a timely manner, documentary proof satisfactory to City of Artist's inability to obtain materials, equipment, or labor, in which case City's approval must be in writing.

2.3 City's Right to Terminate for Convenience. The City may, at its sole option and for its convenience, terminate all or any portion of the Scope of Services agreed to pursuant to this Consulting Agreement by giving written notice of such termination to the Artist. Such notice shall be delivered by certified mail with return receipt for delivery to the City. The termination of the Scope of Services shall be effective upon receipt of the notice by the Artist. Artist will be entitled to fair and reasonable compensation for all services completed in compliance with this Consulting Agreement prior to the notice of termination. In the event that the City terminates this Consulting Agreement pursuant to this Section, the City shall have no right to use the Artist's work-product or services to complete and display the artwork absent the written consent of the Artist.

2.4 City's Right to Terminate for Default. If the Artist fails to satisfactorily perform any obligation required by this Consulting Agreement, the Artist's failure constitutes a default. A default includes the Artist's failure to adhere to the Schedule of Work given in **Exhibit D** attached hereto. If the Artist fails to satisfactorily cure a default within ten calendar days of receiving written notice from the City specifying the nature of the default, the City may immediately cancel and/or terminate this Consulting Agreement, and terminate each and every right of the Artist, and any person claiming any rights by or through the Artist under this Consulting Agreement. The rights and remedies of the City enumerated in this section are cumulative and shall not limit, waive, or deny any of the City's rights under any other provision of this Consulting Agreement. Nor does this section otherwise waive or deny any right or remedy, at law or in equity, existing as of the date of this Consulting Agreement or hereinafter enacted or established, that may be available to the City against the Artist.

ARTICLE III COMPENSATION

3.1 Amount of Compensation. The City shall pay the Artist for performance of all Services rendered in accordance with this Consulting Agreement, including reasonably related expenses, a total contract amount not exceeding \$400,000.

3.2 Manner of Payment. The City shall pay the Artist according to the Compensation and Fee Schedule attached hereto as **Exhibit C**. For the duration of

this Consulting Agreement, the Artist shall not be entitled to fees, including fees for expenses, that exceed the amounts specified in 3.1. The Artist shall submit invoices in accordance with the Compensation and Fee Schedule, which shall include a description of completed services. The City will pay undisputed portions of the invoice within 30 calendar days of receipt.

ARTICLE IV ARTIST'S OBLIGATIONS

4.1 Industry Standards. The Artist agrees that the services rendered under this Consulting Agreement shall be performed in accordance with any standards, if such standards exist, customarily adhered to by an experienced and competent professional Artist using the degree of care and skill ordinarily exercised by reputable professionals practicing in the same field of service in the State of California. Where approval by the City Council, Mayor, or other representatives of the City is required, it is understood to be general approval only and does not relieve the Artist of responsibility for complying with all applicable laws, codes, and good consulting practices.

4.2 Maintenance of Records. The Artist shall maintain books, records, logs, documents and other evidence sufficient to record all actions taken with respect to the rendering of the Scope of Services, throughout the performance of the Scope of Services and for a period of 10 years following completion of the Professional Services for the Project. The Artist further agrees to allow the City to reasonably inspect, copy, and audit such books, records, documents and other evidence.

4.3 Insurance. The Artist shall not begin any work under this Consulting Agreement until the Artist has: (a) obtained, and upon the City's request provided to the City, insurance certificates reflecting evidence of all insurance required in below; however, the City reserves the right to request, and the Artist shall submit, copies of any policy upon reasonable request by the City; (b) obtained City approval of each insurance company or companies; and (c) confirmed that all policies contain the specific provisions required below. However, failure to obtain the required documents prior to the Professional Services commencing shall not waive Artist's obligation to provide them. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by this Agreement, at any time. The Artist's liabilities, including but not limited to the Artist's indemnity obligations, under this Consulting Agreement, shall not be deemed limited in any way to the insurance coverage required herein. Maintenance of specified insurance coverage is a material element of this Consulting Agreement and the Artist's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Consulting Agreement may be treated as a material breach of contract by the City. The Artist shall not modify any policy or endorsement thereto which increases the City's exposure to loss for the duration of this Consulting Agreement.

4.3.1 Types of Insurance. At all times during the term of this Consulting Agreement, the Artist shall maintain insurance coverage as follows:

Commercial General Liability. The Artist shall keep in full force and effect Commercial General Liability (CGL) Insurance written on an ISO Occurrence

form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury or property damage in the amount of \$ 1 million per occurrence and subject to an annual aggregate of \$2 million. There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.

Commercial Automobile Liability. For all of the Artist's automobiles including owned, hired and non-owned automobiles, the Artist shall keep in full force and effect, automobile insurance written on an ISO form CA 00 01 12 90 or a later version of this form or an equivalent form providing coverage at least as broad for bodily injury and property damage for a combined single limit of \$1 million per occurrence. Insurance certificate shall reflect coverage for any automobile (any auto). If the Artist does not possess owned automobiles then coverage for hired and non-owned automobiles shall be provided.

Workers' Compensation. For all of the Artist's employees who are subject to this Consulting Agreement and to the extent required by the applicable state or federal law, the Artist shall keep in full force and effect, a Workers' Compensation policy. That policy shall provide a minimum of \$1 million of employers' liability coverage, and the Artist shall provide an endorsement that the insurer waives the right of subrogation against the City and its respective elected officials, officers, employees, agents and representatives.

4.3.2 Deductibles. All deductibles on any policy shall be the responsibility of the Artist and shall be disclosed to the City at the time the evidence of insurance is provided.

4.3.3 Acceptability of Insurers. Except for the State Compensation Insurance Fund, all insurance required by this Consulting Agreement shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by the City. The City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

4.3.4 Required Endorsements. The following endorsements to the policies of insurance are required to be provided to the City before any work is initiated under this Consulting Agreement.

be endorsed to provide that the insurance afforded by the Commercial General Liability policy or policies is primary to any insurance or self-insurance of the City and its elected officials, officers, employees, agents and representatives as respects operations of the named insured. Any insurance maintained by the City and its elected officials, officers, employees, agents and representatives shall be in excess of the Artist's insurance and shall not contribute to it.

4.3.4.2 Workers' Compensation and Employer's Liability Insurance Endorsements

WAIVER OF SUBROGATION. The Workers' Compensation policy or policies must be endorsed to provide that the insurer will waive all rights of subrogation against the City and its respective elected officials, officers, employees, agents and representatives for losses paid under the terms of this policy or these policies which arise from work performed by the named insured for the City.

4.3.5 Reservation of Rights. The City reserves the right, from time to time, to review the Artist's insurance coverage, limits, deductible and self-insured retentions to determine if they are acceptable to the City. The City will reimburse the Artist for the cost of the additional premium for any coverage requested by the City in excess of that required by this Consulting Agreement without overhead, profit, or any other markup.

4.3.6 Additional Insurance. The Artist may obtain additional insurance not required by this Consulting Agreement.

The Artist shall not discriminate against any employee or applicant for employment on any basis prohibited by law. The Artist shall provide equal opportunity in all employment practices. The Artist shall ensure that its sub-consultants comply with the City's Equal Opportunity Contracting Program Consultant Requirements. Nothing in this section shall be interpreted to hold the Artist liable for any discriminatory practice of its sub-consultants. The Artist's hiring

or retaining of any sub-consultant to perform services is subject to prior written approval by the City. Should the Artist retain sub-consultants with the City's written approval, the Artist shall comply with all Equal Opportunity Contracting requirements. The Artist shall provide equal opportunity for sub-consultants to participate in sub-consulting opportunities. The Artist understands and agrees that violation of this clause shall be considered a material breach of the contract and may result in contract termination, debarment, and other sanctions. This language shall be in contracts between the Artist and any Sub-consultants, vendors and suppliers.

4.6.2 Compliance Investigations. Upon the City's request, the Artist agrees to provide to the City, within 60 calendar days, a truthful and complete list of the names of all sub-consultants, vendors, and suppliers that the Artist has used in the past five years on any of its contracts that were undertaken within San Diego County, including the total dollar amount paid by the Artist for each subcontract or supply contract. The Artist understands and agrees that violation of this clause shall be considered a material breach of the Consulting Agreement and may result in remedies being ordered against the Artist up to and including contract termination, debarment, and other sanctions for violation of the provisions of the Nondiscrimination in Contracting Ordinance. The Artist further understands and agrees that the procedures, remedies and sanctions provided for in the Nondiscrimination Ordinance apply only to violations of said Nondiscrimination Ordinance.

4.7 Product Endorsement. The Artist shall conform to the City's Administrative Regulation 95.65 and Council Policy 000-41 concerning product endorsement which requires that any advertisement referring to the City as a user of a product or service will require the prior written approval of the Mayor.

4.8 Compliance with the City's Contractor Standards. The Artist shall comply with the City's Contractor Standards delineated in the Municipal Code Chapter 2, Article 2, Division 30 adopted by Ordinance No. O-20316, the purpose of which is to ensure that the City of San Diego conducts business with firms that have the necessary quality, fitness and capacity to perform the work set forth in a given contract. 6.1 Headings. All article headings are for convenience only and shall not affect the interpretation of this Consulting Agreement.

6.2 Independent Consultants. The Artist and any Sub-consultants employed by the Artist shall be independent consultants and not agents of the City. Any provisions of this Consulting Agreement that may appear to give the City any right to direct the Artist concerning the details of performing the Scope of Services, or to exercise any control over such performance, shall mean only that the Artist shall follow the direction of the City concerning the end results of the performance.

6.3 Jurisdiction and Venue. The venue for any suit or proceeding concerning this Consulting Agreement, the interpretation or application of any of its terms, or any related disputes shall be in the County of San Diego, State of California.

6.8 Public Records. By Signing this Agreement the Artist agrees that it is aware that the contents of this Agreement and any documents pertaining to the performance of the Agreement requirements/Scope of Services resulting from this Agreement are public records, and therefore subject to disclosure unless a specific exemption in the California Public Records Act applies.

If the Artist submits information **clearly marked** confidential or proprietary, the City of San Diego (City) may protect such information and treat it with confidentiality only to the extent permitted by law. However, it will be the

DEFINITION OF "CONSULTANT"

2 California Code of Regulations defines a "consultant" as an individual who, pursuant to a contract with a state or local government agency:

- (A) Makes a governmental decision whether to:
 - 1. Approve a rate, rule or regulation;
 - 2. Adopt or enforce a law;
 - 3. Issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement;
 - 4. Authorize the City to enter into, modify, or renew a contract provided it is the type of contract that requires City approval;
 - 5. Grant City approval to a contract that requires City approval and to which the City is a party, or to the specifications for such a contract;
 - 6. Grant City approval to a plan, design, report, study, or similar item;
 - 7. Adopt, or grant City approval of, policies, standards, or guidelines for the City, or for any subdivision thereof; or

- (B) Serves in a staff capacity with the City and in that capacity participates in making a governmental decision as defined in Regulation 18702.2 or performs the same or substantially all the same duties for the City that would otherwise be performed by an individual holding a position specified in the City's Conflict of Interest Code.

An individual "serves in a staff capacity" if he or she performs substantially all the same tasks that normally would be performed by staff member of a governmental entity. In most cases, individuals who work on only one project or a limited range of projects for an agency are not considered to be working in a "staff capacity." The length of the individual's service to the agency is relevant. Also, the tasks over the relevant period of time must be substantially the same as a position that is or should be specified in the City's conflict of interest code.

An individual "participates in making a governmental decision" if he or she: (1) negotiates, without substantive review, with a governmental entity or private person regarding the decision; or (2) advises or makes recommendations to the decision-maker, by conducting research or an investigation, preparing or presenting a report, analysis or opinion which requires the exercise of judgment on the part of the individual and the individual is attempting to influence the decision.

**City of San Diego
CONTRACTOR STANDARDS
Pledge of Compliance**

The City of San Diego has adopted a Contractor Standards Ordinance (CSO) codified in section 22.3004 of the San Diego Municipal Code (SDMC). The City of San Diego uses the criteria set forth in the CSO to determine whether a bidder or proposer has the capacity to fully perform the contract requirements and the business integrity to justify the award of public funds. This completed Contractor Standards Pledge of Compliance (Pledge of Compliance) signed under penalty of perjury must be submitted with each bid and proposal. If an informal solicitation process is used, the bidder must submit this completed Pledge of Compliance to the City prior to execution of the contract. All responses must be typewritten or printed in ink. If an explanation is requested or additional space is required, Respondents must provide responses on Attachment "A" to the Pledge of Compliance and sign each page. Failure to submit a signed and completed Pledge of Compliance may render the bid or proposal non-responsive. In the case of an informal solicitation, the contract will not be awarded unless a signed and completed Pledge of Compliance is submitted. A submitted Pledge of Compliance is a public record and information contained within will be available for public review except to the extent that such information is exempt from disclosure pursuant to applicable law.
