Gardner, instead of William X. Gardner, the true and correct name of the actual purchaser of the land therein described, by which deed the said City of San Diego, intended to grant, sell, release, and quitclaim unto the purchaser of the lands therein described, and to the person to whom said lands had been previously sold by the said City, and thereby to convey to the said purchaser all the title, interest and estate of the said City of San Diego in and to all the said lands, and thus to carry out and into effect the resolution theretofore adopted by the said Board of Trustees of said City, authorizing and directing the sale and conveyance of said lands to William X. Gardner as the purchaser thereof, from the said City of San Diego, for the price of fifty dollars (\$50). It being at the time of the execution of said deed understood on the part of the said City of San Diego and of the officers thereof, then authorized to execute the powers and carry out the purposes of said City in that behalf, as well as on the part of the Board of Trustees and the said William X. Gardner, that William X. Gardner was the name of the purchaser of said lands and that said deed so executed was and would be effectual and sufficient to convey the said lands and all the right, title and interest and estate of said City to and in the same to the said William X. Gardner, the said purchaser thereof; and

WHEREAS, the said sum of Fifty Dollars (\$50.00), the full price for which said lands were by the said City of San Diego bargained and sold to the said William X. Gardner, was, in pursuance of the terms of said sale before the date of the execution of said deed, paid by the said William X. Gardner to said City, and was by the said City of San Diego in that behalf received and retained; and

WHEREAS, upon the execution of said deed the said William X. Gardner, with the full consent of said City, and conformably to the intentions of all parties concerned and inter-

ested in the said sale and conveyance of said lands, went into the possession of the same under claim of right as the owner thereof in fee by virtue of said deed; and

WHEREAS, the said lands since the execution of said deed have been subdivided into lots and blocks, and numerous lots and parcels thereof have been for a valuable consideration sold and conveyed by the said William X. Gardner, and successively by others claiming under him are now held and claimed under such conveyances, or by titles otherwise derived by the said William X. Gardner, or persons claiming under him, as by inheritance, devise, or due legal proceedings had for effecting the transfer of any such title; and

WHEREAS, it was the intention of the said City of San Diego that the grantee in said deed should be described as and be the same individual to whom said land was sold by the said City of San Diego, and

WHEREAS, it was the intention of said City of San Diego to convey said lands to the said William X. Gardner, he being the purchaser thereof, as above stated, and

WHEREAS, the said deed described the said grantee as William H. Gardner instead of William X. Gardner; and

WHEREAS, doubt has arisen as to whether said deed, executed as aforesaid to the said William H. Gardner, is sufficient and operative in law, or at all, to pass title in said property to the said William X. Gardner, and the said City of San Diego making in fact no claim or title to or interest in said lands, or any part thereof, excepting in cases where some interest in or title to some part of said lands may have been acquired by said City for delinquent taxes, or for public uses, since the execution of said deed dated February 5th, 1869, wherein the said grantee is described as William H. Gardner; or by forfeiture for the nonpayment of taxes, but the said City of San Diego being willing, never the less, to do whatever it may have the power to do to correct the error in the name of the said grantee, he being described therein as William H. Gardner instead of William X. Gardner and to quiet the title of every person now rightfully claiming any right, title or interest in or to any lot or lots, or parcel or parcels of said lands mediately or immediately under the said deed to the said William H. Gardner,

NOW, THEREFORE, the said City of San Diego in consideration of the premises, and of the sum of one dollar to the said City of San Diego, in hand paid, the receipt whereof is hereby acknowledged, does hereby release and quitclaim to the said William X. Gardner, and to each of said persons (being now the rightful claimants as aforesaid, under said deed to the said William H. Gardner) the lot or lots, parcel or parcels of said lands, and all interest therein so rightfully claimed by each of said persons respectively, and all right title, interest and estate of the said City of San Diego in and to the same, so that each of said persons shall, as far as the said City of San Diego is concerned, have and hold said lot or lots, or parcel or parcels of said lands so rightfully claimed by each of said persons respectively, as of the same estate and title that each of said persons, respectively would have if said deed had in the first instance been executed to the said William X. Gardner, and the said grantee therein should have been described as William X. Gardner instead of William H. Gardner, and with the same effect as if said deed had been construed as having been legally sufficient and operative to pass and convey to the said William X. Gardner, all the right, title, interest and estate of the said City of San Diego in and to the said lands described in said deed executed on the said 5th day of February, 1869. The intention and purpose of this instrument being not to modify or enlarge the estate or title which any such person would have if said deed had been construed as having conveyed all the interest of the said City of San Diego in said lands, if this instrument had not been made, but to ratify and confirm the said deed to the said grantee therein with the same power and

effect as if the said grantee had been named and identified therein as William X. Gardner, and as if said deed had been construed as conveying all the interest of said City in said lands to the said William X. Gardner.

This deed is made pursuant to Ordinance No. 1195 of the Ordinances of the said City of San Diego, approved on the 25th day of October, 1902, to correct a defect in said deed made by the said City of San Diego by and through its said Board of Trustees to the said William H. Gardner, bearing date on the 5th day of February, 1869, and recorded on the 5th day of February, 1869, in Deed Book Number Four at page 177 in the office of the County Recorder of the County of San Diego, State of California, as aforesaid, but this deed does not convey any interest which said City has acquired in said property for delinquent taxes, or otherwise, since said deed dated February 5th, 1869, was so executed. It being the intention of the said City of San Diego that this deed shall correct and be construed as correcting the error in the execution of said deed dated February 5th, 1869, wherein the said grantee is described as William H. Gardner instead of William X. Gardner the purchaser of the said lands from the said City of San Diego, and that this deed shall overcome any possible question that the said City of San Diego did not by said deed so executed on the said 5th day of February, 1869, convey to the said William X. Gardner, all the right, title, interest, and estate of every name and nature whatsoever that the said City of San Diego had in said property described in said deed dated on the said 5th day of February, 1869.

IN WITNESS WHEREOF: the said City of San Diego, by virtue of said Ordinance No. 1195 of the ordinances of said City, approved on the 25th day of October, 1902, has caused these presents to be executed by its Mayor and the execution thereof to be attested by the City Clerk by affixing thereto his name and the corporate seal of said City, this 27th day of October, 1902.

THIS INDENTURE made this 20th day of July, in the year of our Lord, 1909, between C. W. Fox party of the first part, and the City of San Diego, a municipal corporation of the State of California, the party of the second part, WITNESSETH:

That the said party of the first part for and in consideration of the covenants and conditions hereinafter contained, does by these presents grant unto the said party of the second part, a perpetual easement and right of way for the construction, maintenance and operation of a re-inforced concrete conduit in, under and along those certain pieces or parcels of land situated in the City of San Diego, aforesaid, and particularly described as the northwest portion of Lot "D" block one hundred and fifty-three (153) of Horton's Addition to the said City of San Diego, according to map or plat thereof on file in the office of the County Recorder of San Diego County, State of California, for the purpose only of building, operating, reconstructing, inspecting and maintaining by said city of a re-inforced concrete conduit in, under and along said lot. Said right of way is more definitely located, so far as it touches or is upon said lot as being seven and one-half feet on each side of the center line of the proposed concrete conduit from the south side of the City Park to an outlet near San Diego Bay, as located and shown upon said lot in that certain document filed in the office of the City Clerk of said City on the 24th day of June, 1909, and being Document No. 28982 in said Clerk's office.

Together with the right to enter upon and to pass and repass over and along said strip of land, and to deposit tools, implements, and materials, thereon by the said party of the second part, its officers, agents and employees and by persons under contract with it, and their employees, whenever and wherever necessary for the purpose of constructing, operating, reconstructing, inspecting and maintaining said conduit, reserving the use of the same for any and all purposes not in conflict with the said right of way. Provided, however, that nothing herein contained shall be construed to in any way prevent the said grantor, his heirs or assigns from erecting or constructing upon the said right of way herein referred to, such building or buildings as he or they may at any time desire to erect thereon or making any other use of said right of way which he or they may deem proper, provided such building or use shall not interfere with or damage the conduit herein referred to.

Provided further that nothing herein contained shall be construed to authorize the said City in repairing or maintaining said conduit to in any way damage or injure any building structure or improvement erected on said right of way, and that if any such damage is so done to any such building, structure or improvement the said city shall forthwith pay to the owner of such building or structure the amount of such damage.

In consideration of the foregoing grant the said party of the second part hereby agrees that said conduit shall be constructed in a first-class workmanlike manner and below the surface of the ground. That upon completion of said conduit as much as possible of the earth excavated from the trench thereof shall be thrown back into the trench, and the remainder shall be spread out evenly and smoothly over the surface of the ground, and that all of said back-filling shall be thoroughly packed, so that the ground will not sink or cave in after said back-filling is completed. That said conduit shall be properly constructed, closed and watertight, with man-holes at reasonable distances along the same, for the purpose of making repairs and removing obstructions therefrom.

TO HAVE AND TO HOLD the said right of way for the purpose aforesaid unto the said City of San Diego, and its successors forever.
