Department Description

The Office of the Chief Financial Officer (CFO) Department includes the Chief Financial Officer, the Corporate Partnerships Director, and an Executive Secretary.

The CFO is responsible for the City's internal controls over financial reporting, and oversees the development and implementation of internal control policies and procedures in all City departments. In addition, the CFO oversees the Office of the City Comptroller, City Treasurer, Debt Management, Risk Management, Financial Management, Department of Information Technology, and Corporate Partnerships.

The Department's mission is:

To provide the City of San Diego with the highest quality public services in the areas of financial management, budgeting, fiscal planning, financial reporting, and enterprise resource planning support to ensure financial integrity, fiscal transparency to the public, and to promote accountability in government

Key Performance Indicators

Performance Measure	Actual FY2011	Actual FY2012	Target FY2013
Grant dollars awarded	\$42.2M	\$53.5M	\$33.8M
2. Number of grants applied for (citywide)	61	381	36

The decline in grants can be attributed to the following factors: loss of the American Recovery and Investment Act of 2009 (ARRA) funding (a one-time program), a decrease in granting opportunities, and a decrease in City departments' staffing resources to search and request for grants. A position has been added to the Fiscal Year 2013 budget to identify, coordinate, and provide assistance with citywide grant opportunities.
