BYLAWS SUBCOMMITTEE

AGENDA ITEMS

This is the second meeting of the subcommittee to discuss required changes to SYP&DG Bylaws as mandated by City Council Policy 600-24 amended in October 2005. It is anticipated that there will be follow-on meetings of the subcommittee before a formal recommendation to the Planning Group will be made.

Recommendations by the subcommittee may be offered at this meeting, and would then be docketed in a Regular Meeting agenda of the Planning Group for consideration and official action.

Public comment will be accepted.
