

COMMUNITY WORKSHOP #2

Mission Boulevard Public Spaces & Active Transportation

Study Area Map

Please join us

Thursday, May 30th, 2019

6:00 p.m. - 8:00 p.m.

Crown Point Elementary School Auditorium

4033 Ingraham Street, San Diego, CA 92109

The Mission Boulevard Public Spaces and Active Transportation plan is a SANDAG grant funded effort led by the City of San Diego.

At this workshop we will present concepts for public spaces, bicycle and pedestrian improvements for the area bounded by Mission Boulevard, Pacific Beach Drive, Diamond Street, and Ocean Boulevard (see study area map to the left).

These refined concepts incorporate the community input received at our previous community workshop on September 12, 2018.
