The Mandatory Firearms Training Shoot will begin January 19, 2021, and end May 14, 2021. The shoot will include the annual shotgun qualification. All sworn officers and civilians authorized to carry firearms on duty are required to attend. Dates available for the shoot will be posted on the Department's Success Factors training site entitled "Firearms Training Shoot - Spring." Immediate supervisors will ensure their personnel are scheduled and track their attendance.

The handgun shoot will consist of accuracy and performance drills. Supervisors and officers working patrol and other uniformed assignments will wear their full duty equipment. **A minimum of three magazines for a semi-automatic pistol are required for the shoot. Tactical drop down holsters/thigh rigs will not be used unless that equipment is worn in the normal course of their duties and authorized by their unit policy.**

Supervisors, detectives and officers working investigations and non-uniformed assignments, including authorized civilians, are expected to utilize the holster that is worn for everyday use; non-uniformed assignments may NOT use patrol style leather gear. **Shoulder holsters and cross-draw type holsters are not authorized.**

Personnel will qualify with the shotgun after the handgun shoot. **Personnel with a Department-issued shotgun, or a personally owned shotgun carried on duty, must bring that shotgun for inspection and qualification. For the shotgun qualification, bring all of your issued ammunition and a sleeve for spare ammunition if you have one.** Duty ammunition will be used for the shotgun qualification and personnel will receive new duty ammunition after the shoot.

If there are any questions regarding this Department shoot, contact the Rangemaster, Sergeant Chris Sarot at **(Redacted – record exempt)**.
