NUMBER: OR 21-05
SUBJECT: ADVANCED OFFICER TRAINING (A.O.T.)
COST CENTER: 1914161111
SCOPE: ALL MEMBERS OF THE DEPARTMENT
DEPARTMENT PROCEDURE AFFECTED: N/A

Effective February 2, 2021, the new cycle of Advanced Officer Training (A.O.T.) 2021-2022 will begin. The training classes will run until the end of 2022, with the exception of summer months (July and August). All sworn personnel from the rank of Sergeant and below **shall** attend A.O.T. during the training cycle. This training course will be four-days (Tuesday-Friday)

P.O.S.T. requires that **all** sworn officers must complete this training every two years. A.O.T. satisfies the P.O.S.T. requirements for Sergeant and below and will keep officers in compliance. All sworn personnel from the rank of Lieutenant and above shall attend a minimum of 24 hours of a P.O.S.T. approved course or complete a minimum of 24 hours of POST approved on-line training, i.e. Continued Professional Training (C.P.T.), to meet their compliance requirement within this two-year training cycle.

Effective January 1, 2021, enrollment in A.O.T. will be assigned by In-Service Training to ensure everyone completes their training on time without interfering with their CPR/First Aid certification. Personnel will be assigned to attend approximately the same time as in the previous cycle. An email will be sent in advance by Officer Shannah Oliveras. If there is a conflict with training dates, please contact Officer Oliveras via email at soliveras@pd.sandiego.gov.

Failure to attend A.O.T or complete C.P.T. during the 2021-2022 training cycle will result in non-compliance with P.O.S.T. mandated training and could result in disciplinary action by the Department.

If you have any questions or need additional information, please contact Officer Shannah Oliveras, In-Service Training at soliveras@pd.sandiego.gov
