control over performance of the SUP, shall mean only that PERMITTEE shall follow the direction of CITY concerning the end results of the performance.

11. Sublicensee. PERMITTEE shall not assign or sublicense, in whole or in part, any part of the Premises, rights granted by this SUP, or any interest in this SUP without CITY's prior written consent in each instance, which may be withheld or delayed in CITY's sole and absolute discretion. CITY may also charge interest or penalties for failure to pay the required Sublicense Fee(s) when due.

- 11.6 As of the effective date of this SUP, each commercial operation that obtains a Sublicense with CITY must pay one-time processing fee of one thousand and fifty dollars (\$1,050.00) per Term, not subject to proration if the Term is reduced either by voluntary termination by PERMITTEE for convenience or involuntarily due to one of the reasons listed in Section 16.

- 11.7 The use and occupancy of any part of the Premises by a Sublicensee is subject to the terms and conditions of this SUP. If there is conflict between the Sublicense Agreement/Sublicense and this SUP, the terms, conditions, and obligations of this SUP will control.
- 11.8 Budget, Records, and Inspection. Sublicensee must keep accurate and complete books of accounts and records indicating all financial transactions made in connection with the Premises. - 11.10 Sublicensee must not sublicense or attempt to transfer any other interest or right to use the Premises, or any right or appurtenant privilege to the Premises, without CITY's prior written consent, which consent is in CITY's sole and absolute discretion.

All terms and conditions of the SUP shall control and supersede all inconsistent or contrary provisions in the Sublicense Agreement.
13. Sublicensee Assumption of Permittee's Obligations. The Parks and Recreation Department's consent to a Sublicense is conditioned upon Sublicensee's written agreement in the Sublicense Agreement to assume and perform all obligations of Permittee under the SUP that is applicable to the Sublicensee's portion of the Premises. Sublicensee's failure to perform one or more of these assumed obligations shall be a material default and breach under the SUP and may subject SUP to termination by the Parks and Recreation Department.

By entering into this SUP, neither CITY nor San Diego City Council (City Council) is obligating itself to PERMITTEE or any governmental agent, board, commission, or agency with regard to any other discretionary action relating to PERMITTEE's occupancy, use, development, maintenance or restoration of the Premises. Discretionary action includes without limitation re-zonings, variances, environmental clearances, and all other required governmental approvals.
16. Default of SUP. The following shall constitute an Event of Default under this SUP and will terminate this SUP as stated in each sub-paragraph, as follows:

Immediate Suspension of Operations will begin if PERMITTEE fails to carry and maintain the insurance required by this SUP and fails to immediately remedy such failure within five (5) business days of receipt of written notice thereof from CITY. This SUP will terminate if PERMITTEE fails to carry and maintain the insurance for longer than thirty (30) calendar days. CITY has the right to open the facility to the public during this suspension.

PERMITTEE expressly waives any claim for expense or loss which PERMITTEE might incur as a result of CITY's revocation or termination of this SUP.
18. No Holdover. If PERMITTEE continues to occupy the Premises after the expiration or earlier termination of this SUP, such occupancy shall neither constitute a renewal or extension of this SUP, nor give PERMITTEE any rights in or to the Premises. If PERMITTEE continues to occupy the Premises after the expiration or earlier termination of this SUP, PERMITTEE shall pay to CITY rent calculated on a per diem basis at the market rental rate as calculated by competent CITY staff. CITY's acceptance of such rent shall neither constitute a renewal or extension of this SUP, nor give the PERMITTEE any rights in or to the Premises. If, however, the Parties are negotiating a renewal of this SUP in good faith, and notice to terminate has not been timely delivered by the CITY, then continued occupancy of the Premises by PERMITTEE following expiration shall result in month-to-month continued occupancy for up to a maximum of twelve (12) months or until a renewal contract is established. A Temporary Park Use Permit (TPUP) shall be issued during this interim period. The TPUP shall not be considered a renewal or extension of the SUP. The TPUP allows for use of the Premises on a month to month basis. All other terms and conditions of the expired SUP shall be in full force and effect as long as the organization's non-profit is in compliance of the provisions of the SUP.

26. Storm Water Program Quality Assurances: City and PERMITTEE are committed to the implementation of controls (best management practices, or BMPs) to manage activities on the Premises in a manner which aids in the protection of City's precious water resources. It is PERMITTEE's responsibility to identify and implement an effective combination of BMPs so as not to cause pollutant discharges to the storm drain system in violation of San Diego Storm Water Management and Discharge Control Ordinance (San Diego Municipal Code sections 43.0301 to 43.0312).

A financial report showing all revenue by source and all expenditures in connection with the Premises shall be submitted to the Director on an annual basis by May 1st of each year. In the event of termination of this SUP, the financial report must be submitted within thirty (30) days of the date of said termination. All budgets and financial reporting shall be in a format acceptable to CITY. PERMITTEE's accounting records shall be subject to inspection by an authorized representative of CITY at all reasonable times. PERMITTEE shall maintain all such records and accounts for a minimum period of five (5) years.
30. Use of Funds. All funds collected by PERMITTEE from the use of the Premises shall be used for the sole purpose of maintaining the facilities and promoting the PERMITTEE's tennis and racquet-related activities on the Premises.
31. Nondiscrimination. This SUP is made and accepted upon and subject to the covenant and condition, which will run with the land, that PERMITTEE or any person claiming under or through PERMITTEE will not establish or allow any discrimination against or segregation of any person or group of persons on account of race, color, religion, gender, gender identity, gender expression, disability, sexual orientation, marital status, national origin, ancestry, familial status or source of income in the possession, use or occupancy of the Premises or in the selection, location, number, use or occupancy of tenants, subtenants or vendees in the Premises. PERMITTEE is expected to support and adhere to the principles of the City of San Diego's Equal Employment Opportunity (EEO) policy and the standards of conduct stated in this EEO policy as attached in **Exhibit H**.

32. Smoke/Vape/Drug Free Environment. The Premises provided under this SUP shall be utilized and operated in a smoke, vape, and drug-free environment. PERMITTEE shall make this fact known, both in writing and in oral communication, to participants periodically throughout the Term. PERMITTEE shall document such written or oral communication and provide copies of such to CITY on an annual basis.
33. Insurance of PERMITTEE. Prior to the Effective Date, PERMITTEE shall (a) provide to CITY insurance certificates reflecting evidence of all insurance required below; however, the CITY reserves the right to request, and the PERMITTEE shall submit, copies of any policy upon reasonable request by the CITY; (b) obtain CITY approval of each insurance company or companies; and (c) confirm with CITY that all policies contain the specific provisions required below. PERMITTEE's liabilities under this SUP, including without limitation PERMITTEE's indemnity obligations, shall not be deemed limited in any way to the insurance coverage required herein. PERMITTEE shall not modify any policy or endorsement thereto which increases CITY's exposure to loss.
- a. Types of Insurance. At all times during the term of this SUP, PERMITTEE shall maintain insurance coverage as follows:
- (1) Commercial General Liability Insurance (CGL). Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all personal injury or property damage in the amount of \$1 million per occurrence and subject to an annual aggregate of \$2 million. There shall be no endorsement or modification of the CGL limiting the scope of coverage for either insured vs. insured claims or contractual liability. All defense costs shall be outside the limits of the policy.
 - (2) Automobile Liability Insurance. For all of the PERMITTEE's automobiles including owned, hired and non-owned automobiles, the PERMITTEE shall keep in full force and effect, automobile insurance written on an ISO form CA 00 01 12 90 or a later version of this form or an equivalent form providing coverage at least as broad for bodily injury and property damage for a combined single limit of \$1 million per occurrence. Insurance certificate shall reflect coverage for any automobile (any auto).
 - (3) Worker's Compensation Insurance. For all of the PERMITTEE's employees who are subject to this SUP and to the extent required by the applicable state or federal law, the PERMITTEE shall keep in full force and effect, a Workers' Compensation policy. That policy shall provide a minimum of \$1 million of employers' liability coverage, and the PERMITTEE shall provide an

endorsement that the insurer waives the right of subrogation against the CITY and its respective elected officials, officers, employees, agents and representatives.

- (4) Causes of Loss - Special Form Property Insurance. PERMITTEE shall obtain and maintain, at its sole cost, Causes of Loss - Special Form Property Insurance on all of PERMITTEE's insurable property related to the Permit Use of the Premises under this SUP or the Premises in an amount to cover 100 percent (100%) of the replacement cost.

b. Required Endorsements: The following endorsements to the policies of insurance are required to be provided to CITY before any work is initiated under this SUP.

- (1) Commercial General Liability Insurance Endorsements:

- i. Additional Insured: To the fullest extent allowed by law including but not limited to California Insurance Code Section 11580.04, the policy or policies must be endorsed to include as an Additional Insured the City of San Diego and its respective elected officials, officers, employees, agents and representatives with respect to liability arising out of (a) ongoing operations performed by you or on your behalf, (b) your products, (c) your work, including but not limited to your completed operations performed by you or on your behalf, or (d) premises owned, leased, controlled or used by you.
- ii. Primary and Non-Contributory Coverage: The policy or policies must be endorsed to provide that the insurance afforded by the Commercial General Liability policy or policies is primary to any insurance or self-insurance of the City of San Diego and its elected officials, officers, employees, agents and representatives as respects operations of the Named Insured. Any insurance maintained by the City of San Diego and its elected officials, officers, employees, agents and representatives shall be in excess of PERMITTEE's insurance and shall not contribute to it.
- iii. Severability of Interest. The policy or policies must be endorsed to provide that the PERMITTEE's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of

the insurer's liability and shall provide cross-liability coverage.

(2) Worker's Compensation Insurance Endorsements:

- i. Waiver of Subrogation: The Worker's Compensation policy or policies must be endorsed to provide that the insurer will waive all rights of subrogation against CITY and its respective elected officials, officers, employees, agents and representatives for losses paid under the terms of this policy or these policies which arise from work performed by the Named Insured for CITY.

- c. Acceptability of Insurers. Except for the State Compensation Insurance Fund, all insurance required by this SUP shall only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by the CITY. CITY will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (LESLI list). All policies of insurance carried by non-admitted carriers are subject to all of the requirements for policies of insurance provided by admitted carriers described herein.

- d. Deductibles. All deductibles on any insurance policy shall be the responsibility of PERMITTEE and shall be disclosed to the CITY at the time evidence of insurance is provided.

- e. Continuity of Coverage. All policies shall be in effect on or before the first day of the Term. At least thirty (30) days prior to the expiration of each insurance policy, PERMITTEE shall furnish a certificate(s) showing that a new or extended policy has been obtained which meets the requirements of this SUP.

- f. Modification. To assure protection from and against the kind of extent of risk existing on the Premises, CITY, at its reasonable discretion, may require the revision of amounts and coverage at any time during the Term by giving PERMITTEE thirty (30) days prior written notice. PERMITTEE shall also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY'S reasonable reevaluation of risk levels related to PERMITTEE'S use of the Premises.

- g. Accident Reports. PERMITTEE shall immediately report to CITY any accident causing property damage or injury to persons on the Premises. Such report shall contain the names and addresses of the involved parties,

a statement of the circumstances, the date and hour of the accident, the names and addresses of any witnesses, and other pertinent information.

34. Indemnification and Hold Harmless. PERMITTEE will protect, defend, indemnify, and hold City and its elected officials, officers, employees, representatives, and agents harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property, including injury to PERMITTEE's officers, employees, invitees, guests, agents, or contractors, which arise out of or are in any manner directly or indirectly connected with this SUP or PERMITTEE's occupancy, use, development, maintenance, restoration, or improvement of the Premises, and all expenses of investigating and defending against same, including without limitation attorneys' fees and costs; provided, however, that PERMITTEE's duty to indemnify and hold City harmless will not include any established liability arising from the sole negligence or willful misconduct of City and its elected officials, officers, employees, representatives, and agents. City may, at its own discretion, conduct the defense, or participate in the defense, of any claim related in any way to this indemnification. If City elects to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification, PERMITTEE will pay the City for all costs related thereto, including, without limitation, reasonable attorneys' fees and costs.
35. Accessibility Compliance. PERMITTEE will, as applicable to the Premises and PERMITTEE's possession, use, and occupancy of the Premises, comply with all accessibility requirements under California Government Code sections 11135-11139.5; Title 24 of the California Code of Regulations; the Federal Rehabilitation Act of 1973, Section 504, Title V; the Americans with Disabilities Act of 1990 (ADA); and all other applicable state and federal laws, rules, and regulations of competent governmental authority protecting the rights of individuals with disabilities. When a conflict exists between any federal or state accessibility requirements, PERMITTEE will follow the most restrictive accessibility requirement (i.e., that which provides the most access). PERMITTEE's compliance will include without limitation the following:
- a. PERMITTEE will not discriminate against qualified individuals with disabilities in any aspects of employment, including recruitment, hiring, promotions, conditions and privileges of employment, training, compensation, benefits, discipline, layoffs, and termination of employment.
 - b. No qualified individual with a disability may be excluded on the basis of disability from participation in, or be denied the benefits of, services, programs, or activities of PERMITTEE.
 - c. PERMITTEE will post a statement addressing the requirements of the ADA in a prominent place at the work site.

- d. Where required by law, all improvements, fixtures, structures, or installations on the Premises will comply with municipal, state, and federal accessibility requirements by bringing up to code and making accessible any areas of the Premises which deny access to individuals with disabilities. All improvements and alterations will be at PERMITTEE's sole expense.
 - e. PERMITTEE's failure to comply with the accessibility requirements of this section or submitting false information in response to these accessibility requirements, or both, will be a default of this SUP.
36. Accessibility Assessment. In accordance with California Civil Code section 1938, CITY hereby states that the Premises has not been inspected by a Certified Access Specialist (CAsp).
- Further, pursuant to California Civil Code section 1938(e), CITY is required to state: "A Certified Access Specialist (CAsp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CAsp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CAsp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CAsp inspection, the payment of the fee for the CAsp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises."
37. PERMITTEE'S Risk. PERMITTEE shall bear all risks and liability arising out of or in any manner directly or indirectly connected with PERMITTEE's occupancy, use, development, maintenance, repair or restoration of the Premises and any damages to the improvements on, under, or in the vicinity of the Premises resulting directly or indirectly thereby.
38. No Nuisance. PERMITTEE shall not use the Premises in any manner which, in the opinion of CITY, creates a nuisance or disturbs the quiet enjoyment of persons in and to the surrounding area or that violates CITY's Noise Abatement and Control Ordinance (Chapter 5, Article 9.5 of the San Diego Municipal Code, as amended from time to time).
39. Signs. PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings or similar devices or advertising on the Premises or any CITY-owned property without CITY's prior written consent. If any such unauthorized item is found on the Premises or any CITY-owned property, PERMITTEE shall remove the item at its sole cost and expense

within 24 hours after notice from CITY, or CITY may thereafter summarily remove the item at PERMITTEE's sole cost and expense.

40. Encumbrances. PERMITTEE shall keep the Premises, any CITY-owned property of which the Premises is a part, and all improvements thereon free from all encumbrances and liens of any nature which arise out of or are in any manner directly or indirectly connected with this SUP or PERMITTEE's occupancy, use, developments, maintenance, repair or restoration of the Premises. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from and against any and all such encumbrances or liens, and from and against any claim, liability, cost or expense, including without limitation all attorney fees and costs, relating to or charged against the Premises, including without limitation PERMITTEE's failure or the failure of any contractor or subcontractor hired by PERMITTEE to pay any person or persons entitled to lien or encumber property pursuant to the California Civil Code.
41. Compliance with Laws. PERMITTEE shall, at its sole cost and expense, comply with all rules, regulations, ordinances, laws and direction of all CITY, county, state, and federal governing authorities now in effect or which may hereafter be in effect, which pertain to PERMITTEE's occupancy, use, development, maintenance, repair or restoration of the Premises, including activities for minors. Violation of this provision shall be cause for immediate revocation of this SUP.
42. Taxes. PERMITTEE shall pay, before delinquency, all taxes, assessments, and fees assessed or levied upon PERMITTEE or the Premises, including the land and any buildings, structures, machinery, equipment, appliances, or other improvements or property of any nature whatsoever erected, installed or maintained by PERMITTEE, or levied by reason of PERMITTEE's occupancy, use, development, maintenance, repair or restoration of the Premises, including without limitation any licensing and permitting costs or fees. PERMITTEE acknowledges that this SUP may create a possessory interest subject to property taxation, and that PERMITTEE may be subject to the payment of taxes levied on that interest. PERMITTEE shall be solely responsible for all and shall pay all such possessory interest taxes. PERMITTEE's payment of such taxes, fees, and assessments shall not reduce any payment due to CITY.
43. Hazardous Substances. PERMITTEE shall not allow the illegal installation, storage, utilization, generation, sale or release of a Hazardous Substance or otherwise regulated substance in, on, under or from the Premises by any of the PERMITTEE's officers, employees, agents, contractors, invitees and guests. PERMITTEE and PERMITTEE's officers, employees, agents, contractors, invitees and guests shall not install, store, utilize, generate or sell any Hazardous Substance on the Premises without CITY's prior written consent. PERMITTEE shall, prior to initiating any operations, obtain all required permits from applicable regulatory agencies, including without limitation the San Diego County Department of Environmental Health, local fire agencies, the San Diego County

Department of Weights and Measures, the San Diego County Air Pollution Control District, and the San Diego Regional Water Quality Control Board. Installing, utilizing, storing, or any other presence of a Hazardous Substance includes boxes, bags, bottles, drums, cylinders, above or below ground tanks, equipment with tanks, or any other type of container, equipment or device which holds or incorporates a Hazardous Substance or hazardous waste.

- a. For all purposes of this SUP, a “release” shall include without limitation any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or otherwise disposing of a Hazardous Substance.
- b. For all purposes of this SUP, “Hazardous Substance” shall mean any substance listed by the Environmental Protection Agency or the State of California as a hazardous substance, and all types of petroleum-related substances and their chemical constituents.
- c. Remediation. If PERMITTEE’s occupancy, use, development, maintenance, repair or restoration of the Premises results in a release of a Hazardous Substance, PERMITTEE shall pay all costs of remediation and removal to the CITY’s satisfaction for unrestricted reuse of the Premises, and in accordance with all applicable laws, rules and regulations of governmental authorities.
- d. Removal. If PERMITTEE or PERMITTEE’s officers, employees, agents, contractors, invitees, and guests has received approval and permits to store, utilize, generate or install, or otherwise bring Hazardous Substances to the Premises, PERMITTEE shall remove all Hazardous Substances in any type of container, equipment or device from the Premises immediately upon or prior to the expiration or earlier termination of this SUP. CITY reserves the right to conduct inspections of the Premises and/or request documentation demonstrating the legal removal and/or disposal of the hazardous materials, wastes or other containers, equipment, or devices from the Premises. PERMITTEE shall be responsible for any and all costs incurred by CITY to remove any container, equipment or device requiring disposal or removal as required by this provision.
- e. Indemnity. PERMITTEE shall protect, defend, indemnify, and hold CITY harmless from any and all claims, costs, and expenses related to environmental liabilities resulting from PERMITTEE’s occupancy, use, development, maintenance, repair or restoration of the Premises, including without limitation: (i) costs of environmental assessments; (ii) costs of regulatory remediation oversight; (iii) costs of remediation and removal; (iv) any necessary CITY response costs; (v) all fines, penalties or fees assessed by any regulatory agency; (vi) damages for injury to natural resources, PERMITTEE’s officers, employees, invitees, guests, agents or

contractors, or the public; and (vii) all costs of any health assessments or health effect studies.

- f. Notice of Release. If PERMITTEE knows or has reasonable cause to believe that a Hazardous Substance has been released on, from or beneath the Premises, PERMITTEE shall immediately notify CITY and any appropriate regulatory or reporting agency in compliance with California Code of Regulations Title 19 and all other applicable laws or regulations. PERMITTEE shall deliver a written report thereof to CITY within three (3) days after receipt of the knowledge or cause for belief and submit any required written reports to regulatory or reporting agencies as required by regulation or law. If PERMITTEE knows or has reasonable cause to believe that such substance is an imminent release or is an imminent substantial danger to public health and safety, PERMITTEE shall take all actions necessary to alleviate the danger. PERMITTEE shall immediately

notify CITY in writing of any violation, notice to comply, or notice of violation received or the initiation of environmental actions or private suits related to the Premises.

- g. Environmental Assessment. Upon reasonable cause to believe that PERMITTEE's occupancy, use, development, maintenance, or restoration of the Premises resulted in any Hazardous Substance being released on, from or beneath the Premises, CITY may cause an environmental assessment under regulatory oversight of the suspect area to be performed by a professional environmental consultant registered with the State of California as a Professional Engineer, Certified Engineering Geologist or Registered Civil Engineer. The environmental assessment shall be obtained at PERMITTEE's sole cost and expense, and shall establish what, if any, Hazardous Substances have more likely than not been caused by PERMITTEE's occupancy, use, development, maintenance, or restoration of the Premises, and in what quantities. If any such Hazardous Substances exist in quantities greater than allowed by city, county, state or federal laws, statutes, ordinances or regulations, or require future restricted re-use of the Premises, then the environmental assessment shall include a discussion of such substances with recommendations for remediation and removal necessary to effect unrestricted re-use and in compliance with those laws or statutes, and estimates of the cost of such remediation or removal. PERMITTEE shall cause, or if PERMITTEE fails to do so within a reasonable period of time, as determined by CITY in its sole discretion, CITY may cause the remediation and/or removal recommended in the environmental assessment such that unrestricted re-use of the Premises and compliance with environmental law and regulations are achieved, and PERMITTEE shall pay all costs and expenses therefor.

44. Alcohol. No alcohol may be served at the Premises without the written permission of the Director obtained in advanced, which permission may be reasonably withheld or delayed in the Director's sole discretion. PERMITTEE must obtain a special event permit under Municipal Code section 56.54, as amended from time to time and as referenced in Section 43. PERMITTEE shall follow and shall bear full responsibility for compliance with all alcohol laws, special event permit conditions, and SUP conditions whenever PERMITTEE obtains permission to serve alcohol pursuant to this Section. All state and local regulations regarding the consumption of alcohol must be followed at all times at the Premises, at PERMITTEE's sole risk and cost.
45. Special Events. If PERMITTEE's event meets the definition of a Special Event under San Diego Municipal Code § 22.4003, PERMITTEE must submit a Special Event permit application. The City's Office of Special Events is responsible for the overall management of the Citywide Special Event Permitting Process for all special events taking place on public right-of-way as well as events taking place on Park property that include event components that are considered complex. Examples of complex event elements:
- Alcohol
 - Road closures
 - Major structural elements
 - Events that require two (2) additional regulatory or public safety permits aside from a Parks permit
 - Commercial vending activity

As it relates to the special event permit application, all required information, documents, and application fee are required no later than 60 days prior to the actual date of the event. Permit applications submitted and/or incomplete with less than 60-days' notice will incur late fees per business day. A map of the event layout will be required, as part of the permit process, to ensure the event will take place within the Premises. For more information on the Citywide Special Event Permit Process and to submit a permit application, refer to the Special Events & Filming website: <https://www.sandiego.gov/specialevents-filming>.

Any event that will take place on City Park Property outside the Premises of this SUP will require a Park Use Permit issued through Parks and Recreation staff. All events must be in compliance of Parks and Recreation Park Use Rules and Regulations including undergoing a California Environmental Quality Act (CEQA) review if the event is over park capacity. Park Use Rules and Regulations including Park Capacities can be found at: <https://www.sandiego.gov/park-and-recreation/parks/rules>.

46. Exclusive Vending Machine. PERMITTEE acknowledges and understands that Compass Group USA, Inc., a Delaware corporation doing business as Canteen San Diego, is the exclusive "vending machine" provider for CITY and must be used for all machine vending at the Premises. PERMITTEE shall not procure, use,

or otherwise allow any vending services at the Premises other than CITY's designated exclusive provider. If at any time CITY changes its exclusivity pertaining to the provision of vending machines, PERMITTEE shall adhere with whomever has been designated the exclusive vendor as set forth by CITY.

47. Music. PERMITTEE shall only perform music for which the CITY has obtained a "non-dramatic" (as hereinafter defined) performance license from ASCAP, Broadcast Music, Inc., SESAC, or any other musical industry licensing entity (Licensing Entity). For a list of approved music and artists, PERMITTEE may contact the respective Licensing Entity. CITY shall notify PERMITTEE in writing of any other approved Licensing Entity and any additional PERMITTEE requirements (hereinafter "Additional Requirements") imposed upon PERMITTEE by CITY by virtue of its licensing agreement with any Licensing Entity.

For the purposes of this SUP, a "non-dramatic" performance includes live performances and recorded performances (CD, tapes, radio and television over loudspeakers). PERMITTEE shall not perform music with any "dramatic" performances. For purposes of this SUP, "dramatic" performances shall include, but not be limited to, the following: (a) performance of a "dramatico-musical work" (as hereinafter defined) in its entirety; (b) performance of one or more musical compositions from a "dramatico-musical work" (as hereinafter defined) accompanied by dialogue, pantomime, dance, stage action, or visual representation of the work from which the music is taken; (c) performance of one or more musical compositions as part of a story or plot, whether accompanied or unaccompanied by dialogue, pantomime, dance, stage action or visual presentation; and (d) performance of a concert version of a "dramatico-musical work" (as hereinafter defined). The term "dramatico-musical work" as used in this SUP, shall include, but not be limited to, a musical comedy, opera, play with music, revue or ballet.

PERMITTEE shall not perform music from a coin operated phonorecord (or CD) player commonly known as a "juke-box" or a computer on-line service or electronic bulletin board on the Premises.

It shall be PERMITTEE's sole responsibility to ensure it only performs music for which the CITY has obtained a valid music license. Should PERMITTEE desire to perform music for which CITY does not have a license, PERMITTEE shall obtain its own license from the appropriate Licensing Entity before PERMITTEE performs the desired music. PERMITTEE shall ensure that (1) CITY is named in the license; (2) each CITY premises/location where PERMITTEE intends to perform the music is identified in the license; and (3) PERMITTEE has provided CITY with a fully executed copy of the license at least ten days prior to the performance of the music.

48. Waiver. The property constituting the Premises is publicly owned and held in trust for the benefit of CITY's citizens. CITY's failure to insist upon the strict performance of any of PERMITTEE's obligations under this SUP, in one or more instance, shall not be construed as a waiver of any such obligation, and the same shall remain in full force and effect. CITY's waiver of a default shall not be a waiver of any other default. Any waiver of a default must be in a writing executed by CITY to constitute a valid and binding waiver. CITY's delay or failure to exercise a right or seek a remedy shall not be deemed a waiver of that or any other right or remedy under this SUP, at law or in equity. The exercise of any particular right or the use of any particular remedy for any default shall not waive the use of any other right or remedy for the same default or for another or later default. CITY's acceptance of any rents shall not be a waiver of any default preceding the rent payment. CITY's failure to discover a default or take prompt action to require the cure of any default shall not result in an equitable estoppel, but CITY may at any and all times require the cure of the default.
49. Cumulative Remedies. CITY's rights and remedies under this SUP are cumulative and shall not limit or otherwise waive or deny any of the CITY's rights or remedies at law or in equity.
50. Survival. Any obligation which accrues under this SUP prior to the expiration or termination of this SUP shall survive such expiration or termination.
51. Joint and Several Liability. If PERMITTEE is comprised of more than one person or legal entity, such persons and entities, and each of them, shall be jointly and severally liable for each and every obligation of PERMITTEE under this SUP.
52. No Affiliation. Nothing contained in this SUP shall be deemed or construed to create a partnership, joint venture or other affiliation between CITY and PERMITTEE or between CITY and any other entity or party, or cause CITY to be responsible in any way for the debts or obligations of PERMITTEE or any other party or entity.
53. Entire Agreement. This SUP, including the Exhibits attached hereto, constitutes the entire agreement between the parties and supersedes any and all prior understandings, representations, warranties, and agreements between them pertaining to this SUP. Any modification, alteration, or amendment of this SUP shall be in writing and signed by all the parties hereto.
54. Notices. Any notice required or permitted to be given under this SUP shall be in writing and may be served personally or delivered by United States mail, postage prepaid, and addressed to PERMITTEE as follows:

Pacific Beach Tennis Club, Inc.
2639 Grand Avenue
San Diego, CA 92109

And to CITY as follows:

55. Authority to Contract. Each individual executing this SUP on behalf of another person or legal entity represents and warrants that he/she is authorized to execute and deliver this SUP on behalf of such person or entity in accordance with duly adopted resolutions or other authorizing actions which are necessary and proper and under such legal entity's articles, charter, bylaws, or other written rules of conduct or governing agreement, and that this SUP is binding upon such person or entity in accordance with its terms. Upon request, each person executing this SUP on behalf of PERMITTEE shall provide CITY with evidence, satisfactory to CITY, that such authority is valid and that PERMITTEE is a valid, qualified corporation, limited liability company, partnership, or other unincorporated association in good standing in its home state and that such entity is qualified to do business in California.

56. Acceptance of Premises. By signing this SUP, PERMITTEE represents and warrants that it has independently inspected the Premises and made all tests, investigations, and observations necessary to satisfy itself as to the condition of the Premises and its suitability for the Permit Use. PERMITTEE further represents and warrants that it is not relying on any representation by CITY as to the condition of the Premises in entering into this SUP. PERMITTEE accepts the Premises in its current condition and acknowledges and agrees that CITY has fulfilled all obligations, if any, to improve, modify, repair, replace, alter, or otherwise develop the Premises prior to the Effective Date. PERMITTEE accepts and assumes all risk of harm to all persons and property, Premises, and shall be solely responsible thereof.

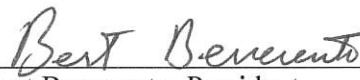

57. Unauthorized Use Charge. PERMITTEE will pay CITY 100% of the gross revenue (all revenue without any deduction, credit, or set-off) from any use of the Premises that is not part of the Permit Use, in violation of the law, or in violation of the terms and conditions of this SUP, regardless of any related penalties charged PERMITTEE by competent Government authorities. The gross revenue from each use of the Premises that is not part of the Permit Use, in violation of the law, or in violation of any of the terms and conditions of this SUP is payable to the CITY within 30 days after PERMITTEE receives such revenue. Nothing in this section is intended to authorize any use of the Premises that is not part of the Permit Use, waive PERMITTEE's default for conducting or allowing such use, or waive any CITY right or remedy under this SUP and Agreement.

IN WITNESS WHEREOF, this Permit is executed by the CITY OF SAN DIEGO, acting by and through its Park and Recreation Director pursuant to San Diego Municipal Code Section 22.1502, authorizing such execution, and by PERMITTEE.

SPECIAL USE PERMIT

Exhibit E - SUBLICENSE AGREEMENT

This Sublicense Agreement (**Sublicense**) is entered into between, [ENTER NAME] Inc, a non-profit California Corporation (**PERMITTEE**), and [COMMERCIAL ENTITY NAME AND ADDRESS] (**SUBLICENSEE**) to be effective when signed by all parties entering into this Sublicense (**Effective Date**) and approved by the City of San Diego.

PERMITTEE has previously entered into a SPECIAL USE AGREEMENT (**SUP**) with CITY effective _____ (**Permit**), a copy of which is attached as **Exhibit A**, for the non-exclusive use of certain CITY-owned property, commonly known as [NAME AND ADDRESS OF FACILITY] (**Premises**). PERMITTEE now desires to sublicense part of the Premises to SUBLICENSEE. Therefore, the parties agree as follows:

1. **FACILITY ON PREMISES.** SUBLICENSEE, in consideration of the License Fees provided pursuant to the Permit and this Sublicense, and with permission and approval by CITY, will use and occupy the [NAME/PART OF FACILITY] in order to [PURPOSE OF BUSINESS].
2. **TERM AND POSSESSION.** The term of this Sublicense will begin on the Effective Date and will continue for the remainder of the term provided in the Permit, which terminates on _____, unless terminated sooner pursuant to the terms of the Permit or this Sublicense.
3. **SUBLICENSE FEES.** SUBLICENSEE must pay to the CITY a one-time Sublicense fee of One thousand and fifty dollars \$1,050.00 per term, not subject to proration, and payable at least 30 days in advance of when it is due. Sublicense Fee payments must be made to _____ at _____, which may be changed from time to time by CITY. Failure of SUBLICENSEE to pay the required License Fee(s) will be considered a default of the Permit and this Sublicense. CITY may also charge interest or penalties for failure to pay the required License Fee(s) when due.
4. **BUDGET, RECORDS, AND INSPECTION.** SUBLICENSEE must keep accurate and complete books of its accounts and records indicating its financial transactions made in connection with the Premises. All of its records and accounts will be subject to inspection by an authorized representative of CITY at all reasonable times. Records must be maintained for a minimum period of five years starting from the end of the Permit Term.
5. SUBLICENSEE agrees to the following terms and conditions:
 - a. SUBLICENSEE is not authorized to allow any additional uses on the Premises or any additional persons or groups to use the Premises. This Sublicense will not be construed as a waiver of the requirement to obtain CITY's written consent to any other proposed sublicense, assignment, or transfer of any right to use or occupy the Premises by PERMITTEE or SUBLICENSEE. Any transfer of the right to use or occupy the Premises by another person or

entity without the written approval of the Director or designee (**Director**) will, by operation of law, automatically terminate the Sublicense Agreement and the underlying Permit.

b. SUBLICENSEE must abide by all local, state, and federal laws including continually having the proper licenses, permits, and insurance certificates (for example, having a CITY Business License and the insurance coverage required in section ___ of the Permit).

c. This Sublicense will not increase CITY's obligations or duties under the Permit or to SUBLICENSEE.

e. This Sublicense does not grant any rights to the SUBLICENSEE greater than those rights granted to PERMITTEE under the Permit.

f. This Sublicense does not create obligations or costs to CITY related to the Sublicense.

g. This Sublicense does not modify, waive, amend, or otherwise affect any provision of the Permit.

h. This Sublicense does not create any type of obligation by CITY to PERMITTEE, SUBLICENSEE, or to any governmental agent, board, commission, or agency with regard to any other action relating to Sublicensee's use, occupancy, or maintenance of any portion of the Premises or improvements thereon.

i. Prior to SUBLICENSEE's use or occupancy of the Premises, SUBLICENSEE must provide a certificate of insurance demonstrating that the SUBLICENSEE is in compliance with the insurance requirements in Section ___ of the Permit, which must name PERMITTEE and the "City of San Diego, its elected officials, officers, representative, agents, and employees," as additional insureds for the entire term of the Sublicense.

j. SUBLICENSEE will defend, indemnify, and hold harmless CITY from all claims, expenses and liability of every nature, directly or indirectly arising from, or alleged to have arisen from, the operations conducted on the Premises, the condition of the Premises, or from any act or omission of SUBLICENSEE, its agents, invitees, contractors, and guests; provided however, SUBLICENSEE's duty to indemnify and hold harmless will not include any claims or liability arising from the established sole negligence or willful misconduct of CITY, its agents, officers, or employees.

k. SUBLICENSEE must not sublicense, or attempt to transfer any other interest or right to use the Premises, in whole or in part, any facility on the Premises, or any right or appurtenant privilege to the Premises, without CITY's prior written consent, which consent must be in CITY's sole and absolute discretion.

l. Any default of SUBLICENSEE or of this Sublicense will be considered a default by PERMITTEE or of the terms and conditions of the Permit.

m. This Sublicense may be terminated by CITY, PERMITTEE, or the SUBLICENSEE for convenience upon 30 days prior written notice to the non-terminating party.

n. SUBLICENSEE agrees to surrender and deliver to CITY the Premises and all furniture, appurtenances, and decorations within the Premises in as good a condition as they were at the beginning of the term, reasonable wear and tear excepted. SUBLICENSEE will be liable to CITY for any damages occurring to the Premises or the contents thereof or to the building which are used or occupied by SUBLICENSEE or their guests.

6. NOTICE. Notices under this Sublicense Agreement shall not be deemed valid unless given or served in writing and forwarded by mail, postage prepaid, addressed as follows to every interested party:

Such addresses may be changed from time to time by any party by providing notice to the other interested parties as described above.

7. GOVERNING LAW. This Sublicense will be construed in accordance with the laws of the State of California.

8. CITY'S CONSENT. The Permit requires the prior written consent of CITY prior to any SUBLICENSEE using or occupying the Premises. Such consent has been obtained and a copy is attached as **Exhibit B**.

9. INCORPORATION OF THE PERMIT. **This Sublicense incorporates and is subject to the original Permit between PERMITTEE and CITY, a copy of which is attached as Exhibit A, and which is referred to and incorporated as if it were fully set out here. Exhibit G – Prevailing Wage Requirements

By signing this SUP, PERMITTEE certifies that he or she is aware of the wage provisions described herein and shall comply with such provisions before commencing any work.

Pursuant to San Diego Municipal Code section 22.3019, construction, alteration, demolition, repair and maintenance work performed under this SUP is subject to State prevailing wage laws. For construction work performed under this SUP cumulatively exceeding \$25,000 and for alteration, demolition, repair and maintenance work performed under this SUP cumulatively exceeding \$15,000, PERMITTEE, its contractors and subcontractors shall comply with State prevailing wage laws including, but not limited to, the requirements listed below.

1. **Compliance with Prevailing Wage Requirements.** Pursuant to sections 1720 through 1861 of the California Labor Code, PERMITTEE, its contractors and subcontractors shall ensure that all workers who perform work under this SUP are paid not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations (DIR). This includes work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work.
 - 1.1. Copies of such prevailing rate of per diem wages are on file at the City of San Diego's Equal Opportunity Contracting Department and are available for inspection to any interested party on request. Copies of the prevailing rate of per diem wages also may be found at <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>. PERMITTEE, its contractors and subcontractors shall post a copy of the prevailing rate of per diem wages determination at each job site and shall make them available to any interested party upon request.
 - 1.2. The wage rates determined by the DIR refer to expiration dates. If the published wage rate does not refer to a predetermined wage rate to be paid after the expiration date, then the published rate of wage shall be in effect for the life of this SUP. If the published wage rate refers to a predetermined wage rate to become effective upon expiration of the published wage rate and the predetermined wage rate is on file with the DIR, such predetermined wage rate shall become effective on the date following the expiration date and shall apply to this SUP in the same manner as if it had been published in said publication. If the predetermined wage rate refers to one or more additional expiration dates with additional predetermined wage rates, which expiration dates occur during the life of this SUP, each successive predetermined wage rate shall apply to this SUP on the date following the expiration date of the previous

wage rate. If the last of such predetermined wage rates expires during the life of this SUP, such wage rate shall apply to the balance of the SUP.

2. **Penalties for Violations.** PERMITTEE, its contractors and subcontractors shall comply with California Labor Code section 1775 in the event a worker is paid less than the prevailing wage rate for the work or craft in which the worker is employed. This shall be in addition to any other applicable penalties allowed under Labor Code sections 1720 – 1861.
3. **Payroll Records.** PERMITTEE, its contractors and subcontractors shall comply with California Labor Code section 1776, which generally requires keeping accurate payroll records, verifying and certifying payroll records, and making them available for inspection. PERMITTEE shall require its contractors and subcontractors to also comply with section 1776. PERMITTEE, its contractors and subcontractors shall submit weekly certified payroll records online via the CITY's web-based Labor Compliance Program. PERMITTEE is responsible for ensuring its contractors and subcontractors submit certified payroll records to the CITY. PERMITTEE, its contractors and subcontractors shall also furnish the records specified in Labor Code section 1776 directly to the Labor Commissioner in the manner required in Labor Code section 1771.4.
4. **Apprentices.** PERMITTEE, its contractors and subcontractors shall comply with California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning the employment and wages of apprentices. 5. **Working Hours.** PERMITTEE, its contractors and subcontractors shall comply with California Labor Code sections 1810 through 1815, including but not limited to: (i) restrict working hours on public works contracts to eight hours a day and forty hours a week, unless all hours worked in excess of 8 hours per day are compensated at not less than 1½ times the basic rate of pay; and (ii) specify penalties to be imposed on design professionals and subcontractors of \$25 per worker per day for each day the worker works more than 8 hours per day and 40 hours per week in violation of California Labor Code sections 1810 through 1815.

PERMITTEE shall ensure its contractors shall include at a minimum a copy of the following provisions in any contract they enter into with a contractor or subcontractor: California Labor Code sections 1771, 1771.1, 1775, 1776, 1777.5, 1810, 1813, 1815, 1860 and 1861.

7. **Labor Code Section 1861 Certification.** PERMITTEE in accordance with California Labor Code section 3700 is required to secure the payment of compensation of its employees and by signing this SUP, PERMITTEE certifies that “I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this SUP.”
8. **Labor Compliance Program.** The CITY has its own Labor Compliance Program authorized in August 2011 by the DIR. - 9.1. A contractor’s inadvertent error in listing a subcontractor who is not registered pursuant to Labor Code section 1725.5 in a response to a solicitation shall not be grounds for filing a bid protest or grounds for considering the bid non-responsive provided that any of the following apply: (1) the subcontractor is registered prior to bid opening; (2) within twenty-four hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in Labor Code section 1725.5; or (3) the subcontractor is replaced by another registered contractor pursuant to Public Contract Code section 4107.
- 9.2. A contract entered into with any contractor or subcontractor in violation of Labor Code section 1771.1(a) shall be subject to cancellation, provided that a contract for public work shall not be unlawful, void, or voidable solely due to the failure of the awarding body, contractor, or any subcontractor to comply with the requirements of section 1725.5 of this section.

- 9.3. By signing this SUP, PERMITTEE certifies that he or she has verified that all contractors and subcontractors used on this public works project are registered with the DIR in compliance with Labor Code sections 1771.1 and 1725.5, and PERMITTEE shall provide proof of registration for themselves and all listed contractors and subcontractors to the CITY at the time of execution of this SUP or upon request.

PERMITTEE shall notify CITY of any contractors or subcontractors, including their DIR registration numbers, which have not previously performed work on this SUP prior to said contractors or subcontractors performing work on this SUP. Additionally, PERMITTEE shall provide the CITY with a complete list of all contractors or subcontractors utilized on this SUP (regardless of tier), within ten (10) working days of the completion of the work authorized by this SUP, along with their DIR registration numbers. SPECIAL USE PERMIT
EXHIBIT H – Equal Employment Opportunity Policy

THE CITY OF SAN DIEGO

M E M O R A N D U M

DATE: July 1, 2022

TO: All City Employees, Applicants, Elected Officials, Interns, Volunteers, and Contract Workers

FROM: Todd Gloria, Mayor
Mara W. Elliott, City Attorney
Jay Goldstone, Chief Operating Officer
Julie Rasco, Human Resources Director
Douglas Edwards, Personnel Director
Elizabeth Maland, City Clerk

SUBJECT: Equal Employment Opportunity (EEO) Policy – Annual Statement

The opportunity to seek, obtain, and hold employment without discrimination is a civil right. Through this Policy, we reaffirm our commitment to the principles of Equal Employment Opportunity (EEO). The City is committed to providing all City employees, applicants, elected officials, interns, volunteers, and contract workers with fair and equal treatment in the workplace, equal opportunities to succeed, and a work environment free of discrimination, harassment, and retaliation. The City has a Zero Tolerance Policy regarding discrimination, harassment, and retaliation, regardless of whether the behavior meets legal thresholds under state and federal law, such as needing to be severe or pervasive. Allegations of conduct contrary to the principles of EEO or the standards of conduct stated in this Policy will be taken seriously and investigated in a prompt, thorough, and objective manner. If misconduct is found, the City will take all appropriate remedial measures. Violations of this Policy will result in disciplinary action, up to and including termination, even if it is the first time such conduct has occurred.

We are committed to ensuring that the principles of fair and equal treatment are understood, respected, and practiced throughout the workplace. Federal and state laws make it unlawful to discriminate on the basis of any protected classification, including age, ancestry, color, creed, physical or mental disability, gender, gender identity, gender expression, genetic information, marital status, medical condition, veteran or military status, national origin, pregnancy (including childbirth, breastfeeding, or related medical conditions), race, traits historically associated with race (including hair texture and protective hairstyles such as braids, locks, and twists), religion, religious belief, observance, or practice, religious creed, sex, sex stereotype, sexual orientation, transgender status or transitioning, use of family or medical leave, or any other classification protected by federal, state, or local law (including being perceived or regarded as or associated with any protected classification). This Policy

reflects the City's commitment to preventing discrimination, harassment, and retaliation from occurring, promptly correcting any improper conduct through appropriate remedial measures, and providing a workplace that promotes the highest level of performance, professionalism, and civility. Conduct may violate the City's EEO Policy, but not rise to the level of unlawful conduct. All City employees, applicants, elected officials, interns, volunteers, and contract workers are expected to support and adhere to the principles of EEO and the standards of conduct stated in this Policy.

Manager and Supervisor Responsibilities. Managers and supervisors must understand the importance of EEO principles and standards, support, adhere to, and enforce them, and work diligently to provide every City employee, applicant, elected official, intern, volunteer, and contract worker with fair and equal treatment in the workplace, equal opportunities to succeed, and a work environment free of discrimination, harassment, and retaliation. Managers and supervisors will be held accountable to ensure that EEO practices and standards are adhered to in their work units. Managers and supervisors must be mindful of their comments or actions that may have the effect of discouraging employees from coming forward with complaints. Comments or actions calculated to have a chilling effect on employee complaints are prohibited and will not be tolerated.

1. FAIR AND EQUAL TREATMENT

All City employees, applicants, elected officials, interns, volunteers, and contract workers are entitled to equal opportunities and fair and equal treatment in all employment actions (e.g., pre-employment inquiries, hiring and firing, promotions, discipline, transfers, job rotations, work assignments, training, overtime, merit increases, and rewards) and other terms, conditions, and privileges of employment, without regard to age, ancestry, color, creed, physical or mental disability, gender, gender identity, gender expression, genetic information, marital status, medical condition, veteran or military status, national origin, pregnancy (including childbirth, breastfeeding, or related medical conditions), race, traits historically associated with race (including hair texture and protective hairstyles such as braids, locks, and twists), religion, religious belief, observance, or practice, religious creed, sex, sex stereotype, sexual orientation, transgender status or transitioning, use of family or medical leave, or any other classification protected by federal, state, or local law (including being perceived or regarded as or associated with any protected classification). These classifications are the "protected classifications" covered under this Policy. The City also supports the reasonable accommodation of employees with disabilities or sincerely held religious beliefs, observances, or practices.

2. WORK ENVIRONMENT FREE OF DISCRIMINATION, HARASSMENT, AND RETALIATION

All City employees, applicants, elected officials, interns, volunteers, and contract workers are entitled to a work environment free of discrimination, harassment, and retaliation. Therefore, discrimination, harassment, and retaliation in any form will not be tolerated.

All City employees, applicants, elected officials, interns, volunteers, and contract workers are strictly prohibited from engaging in discrimination or harassment in the workplace based on a protected classification. In addition, all City employees, applicants, elected officials, interns, volunteers, and contract workers are prohibited from engaging in retaliation against any City employee, applicant, elected official, intern, volunteer, or contract worker who

requests accommodation or reports, opposes, complains of, provides a statement or testimony, or otherwise participates in an investigation or other proceeding regarding an alleged act of discrimination, harassment, or retaliation in violation of this Policy.

Discrimination is when a person's protected classification is a substantial motivating reason for an adverse employment action. Some examples of adverse employment actions include termination of employment, discipline, a negative performance evaluation, denial of promotion, demotion, or reduction in pay.

Harassment includes any unwelcome, unsolicited, or unwanted conduct because of a person's protected classification that offends, demeans, humiliates, embarrasses, intimidates, or otherwise causes the person distress. Harassment creates a negative work atmosphere, which reduces work productivity and morale, undermines the integrity of the workplace, and destroys professionalism. Harassment also creates a hostile, offensive, oppressive, or intimidating work environment, and deprives a person of their right to work in a place free of discrimination, when the harassing conduct sufficiently offends, humiliates, distresses, or intrudes upon the person so as to disrupt the person's emotional tranquility in the workplace, affect the person's ability to perform the job as usual, or otherwise interfere with and undermine the person's personal sense of well-being. Some examples of harassment include derogatory comments, slurs, demeaning jokes, threats, unwanted touching, offensive pictures, cartoons, or posters, or sexual advances.

Retaliation includes threatening, intimidating, or harassing conduct or an adverse employment action because a person opposed or reported discrimination, harassment, or retaliation in violation of this Policy; filed or assisted another with a complaint under this Policy; provided a statement or testimony or otherwise participated or assisted in an investigation or other proceeding arising from an alleged violation of this Policy; or requested accommodation for a disability or religious belief, observance, or practice. Subtle retaliation (e.g., an unwarranted change in work assignment or location, an unreasonable denial of a leave request, or uncooperativeness) is also prohibited and will not be tolerated. Managers and supervisors are reminded that employees have a right to report any conduct or employment action that an employee reasonably believes violates this Policy.

Good faith employment actions do not constitute unlawful discrimination, harassment, or retaliation. Good faith employment actions taken by a manager or supervisor, such as offering constructive feedback or criticism, holding an employee accountable, or providing discipline, where appropriate, do not constitute, and should not be mistaken for, discrimination, harassment, or retaliation. These employment actions are aimed at enhancing workplace productivity, or addressing work performance or conduct, and are within the responsibilities and obligations of City managers and supervisors.

The City has a 100% Response Policy regarding claims of discrimination, harassment, and retaliation. This means the City will respond to all reports and complaints of discrimination, harassment, or retaliation in the workplace, conduct fair, timely, and thorough investigations, as needed, and take all appropriate action. The City's action may range from training and informal counseling to more severe disciplinary action, up to and including termination, even if it is the first time such conduct has occurred. Prior incidents may be considered when assessing the facts and circumstances and determining the appropriate corrective action. Every City employee, applicant, elected official, intern, volunteer, and contract worker is expected to support, adhere to, and enforce the EEO Policy.

Manager and Supervisor Responsibilities. Managers or supervisors who receive a report or complaint, observe, or otherwise become aware of possible discrimination, harassment, or retaliation against an employee, applicant, elected official, intern, volunteer, or contract worker, including by a third-party (e.g., a member of the public), must report the alleged conduct to their department management and the department's Human Resources Department liaison, and take prompt corrective action, as appropriate. Managers or supervisors who fail to properly report possible misconduct or fail to respond and take prompt corrective action, when appropriate, may be disciplined even if the harassment did not take place in their work units.

3. **SEXUAL HARASSMENT**

All City employees, applicants, elected officials, interns, volunteers, and contract workers are prohibited from engaging in sexual harassment in the workplace. Sexual harassment is harassing conduct that creates an intimidating, hostile, or offensive working environment on the basis of sex or gender, including gender identity, gender expression, or sexual orientation. Sexual harassment is a form of discrimination based on sex, gender, gender identity, gender expression, or sexual orientation. Sexual harassment is unprofessional and detrimental to the work environment. As with other forms of harassment based on a protected classification, the City has a 100% Response Policy and a Zero Tolerance Policy regarding sexual harassment.

Sexual harassment can be unlawful and includes verbal, physical, and visual harassment, as well as unwanted sexual advances. Sexually harassing conduct need not be motivated by sexual desire. A person alleging sexual harassment is not required to sustain a loss of tangible job benefits or productivity in order to establish harassment. It suffices that a reasonable person subjected to the conduct would find, as the harassed person did, that the harassment so altered their working conditions as to make it more difficult to do their job.

Sexually harassing conduct may be either "quid pro quo" or "hostile work environment" sexual harassment:

- "Quid pro quo" (Latin for "this for that") sexual harassment is when a person explicitly or implicitly conditions a job, promotion, or other work benefit on submission to sexual advances or other conduct based on sex.
- "Hostile work environment" sexual harassment occurs when unwelcome comments or conduct based on sex, gender, gender identity, gender expression, or sexual orientation unreasonably interferes with a person's work performance or creates an intimidating, hostile, or offensive work environment.

To be unlawful, the harassment must be severe or pervasive. That means that it alters the conditions of employment and creates a hostile or abusive work environment. A single incident of harassing conduct may be sufficiently severe so as to create an unlawful hostile work environment, if the harassing conduct unreasonably interfered with the person's work performance or created an intimidating, hostile or offensive working environment. To be unlawful, the harassment must also be both subjectively and objectively offensive. Sexually harassing conduct can violate the City's EEO Policy, however, even if it does not rise to the level of unlawful conduct.

The existence of a hostile work environment depends upon the totality of the circumstances. In determining whether harassing conduct was severe or pervasive, the totality of the circumstances is considered, including any or all of the following:

- The nature of the conduct;
- How often, and over what period of time, the conduct occurred;
- The circumstances under which the conduct occurred;
- Whether the conduct was physically threatening or humiliating;
- The extent to which the conduct unreasonably interfered with an employee's work performance.

Sexually harassing conduct can be verbal, physical, visual, or written, and can occur between people of the same or opposite sex. Individuals of any gender can be the target of sexual harassment. Sexual harassment may involve harassment of a person of the same gender as the harasser, regardless of either person's sexual orientation or gender identity. Sexual harassment can occur in any working relationship, such as between peers, supervisor to subordinate, subordinate to supervisor, by a member of the public toward an employee, elected official to employee, contract worker to employee, within or across departments, as well as in other situations.

Verbal harassment may include sexual comments, obscene language, or sexually degrading words; insults, slurs, threats, or derogatory or demeaning comments; sexual jokes; graphic comments about a person's appearance or physique; conversations or comments with sexual undertones; recounting one's sexual exploits or inquiring about a person's sex life; starting or spreading rumors about the sex life of another person; or remarks or jokes about a person's ability to do a job because of the person's gender, gender identity, or sexual orientation.

Physical harassment may include unwelcome touching, hugging, kissing, groping, or massaging; sexually suggestive leering or vulgar gestures; physically blocking, cornering, or impeding movement; or revealing parts of the body, when such exposure violates common decency.

Visual or written forms of harassment may include displaying derogatory, sexually suggestive, offensive, or explicit objects or pictures, including cartoons, posters, drawings, or computer graphics; sending letters, notes, e-mails, text or electronic messages, or social media invitations; or posting on social media, in some circumstances, when it may be perceived as sexually suggestive, demeaning, offensive, or obscene.

Sexually harassing conduct may also include:

- Unwanted sexual advances;
- Job actions taken to pressure a person into accepting sexual advances; or
- In some circumstances, repeatedly asking a person for a date after being turned down.

Sexually harassing conduct by managers or supervisors can include offering employment benefits in exchange for sexual favors; sexual advances that condition an employment benefit upon an exchange of sexual favors; or a statement or insinuation that a refusal to

provide sexual favors, or a rejection of sexual favors or advances, will cause reprisal, lack of support for appointments, promotions, or transfers, failure of probation, change of assignment, poor performance rating, or some other adverse employment action.

In addition, sexual favoritism can create a hostile work environment under certain circumstances. “Sexual favoritism” means that an employee has received preferential treatment in regard to promotion, work hours, assignments, or other significant employment benefit or opportunity because of a sexual relationship with a manager or supervisor who was in a position to grant or influence the granting of those preferences.

Whether alleged harassing conduct constitutes sexual harassment is determined on a case-by-case basis by assessing the entire situation and the totality of the circumstances. Factors such as the nature of the conduct and the context in which the alleged conduct occurred will be considered in assessing the allegations and in determining the resolution.

It is the impact of the conduct that is determinative, not whether the conduct was intended to cause harm. For example, a person who teases in a sexual manner or tells sexual jokes may create an offensive work environment for another person even though the comments or actions were intended to be merely “in good fun.” This applies to all types of job classifications and work environments. If a person’s conduct is harassing to an individual or group of individuals, it does not matter that the person failed to recognize their conduct as unwelcome, offensive, or harassing.

This Policy does not prohibit mutually consensual social relationships between employees.¹ However, persons involved in consensual relationships must exercise caution to prevent the development of harassing conduct or the use of authority inappropriately. For example, if a consensual relationship changes and is no longer mutual, conduct once welcome by both individuals may become offensive and harassing to one. Sexually harassing conduct can occur in relationships that began as reciprocal relationships, but later cease to be reciprocal.

It is unlawful and prohibited under this Policy to retaliate or threaten retaliation against a person for rejecting sexual advances or complaining about harassment.

All City employees, including elected officials, are required to complete the City’s Sexual Harassment Prevention Training within the first six months of hire or assuming their positions, and then again once every two years. Interns and volunteers are also required to complete sexual harassment prevention training. The California Civil Rights Department (CRD) (formerly known as the California Department of Fair Employment and Housing) has created sexual harassment prevention training courses which are available online at no cost: <https://calcivilrights.ca.gov/shpt/>.

4. PERSONS WITH DISABILITIES

The Americans with Disabilities Act (ADA) and California Fair Employment and Housing Act (FEHA) are the federal and state laws that protect employees with disabilities. Under these

¹ Administrative Regulation 95.60, Conflict of Interest and Employee Conduct, prohibits employees from supervising or influencing employment decisions associated with immediate family members or other persons with whom they have a close personal relationship.

laws, the City will provide reasonable accommodations to employees and qualified applicants with a disability, unless doing so would cause undue hardship.

The City determines reasonable accommodations for employees with disabilities through timely, good faith interactive processes involving the Human Resources Department's Reasonable Accommodations Manager, an appropriate manager, supervisor, or designee, and the employee with a disability.² Additionally, the City will engage in timely, good faith interactive processes with qualified job applicants who request accommodation.

5. RELIGIOUS ACCOMMODATION

Title VII of the Civil Rights Act of 1964 and the FEHA are the federal and state laws that protect employees from discrimination based on religion. In accordance with these laws, the City will provide reasonable accommodations to employees, interns, and qualified applicants with a sincerely held religious belief, observance, or practice that conflicts with a job requirement or policy, unless doing so would cause undue hardship.

The City determines reasonable accommodations for employees and interns with religious conflicts through timely, good faith interactive processes involving the Human Resources Department, an appropriate manager, supervisor, or designee, or both, and the employee or intern requesting accommodation. Additionally, the City will engage in timely, good faith interactive processes with qualified applicants who request accommodation.

6. FAMILY AND MEDICAL LEAVE

The federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) allow eligible employees who have been employed with the City for at least a total of 12 months, and have actually worked at least half-time during the previous 12-month period, to request up to 12 workweeks of unpaid, job-protected leave in a 12-month period to care for themselves or a family member (child, parent, grandparent, grandchild, sibling, spouse, or domestic partner) because of a serious health condition, or to care for the employee's child after birth or placement for adoption or foster care. California law also allows an employee disabled by pregnancy, childbirth, or a related medical condition to request up to four months (the working days in 17 and 1/3 weeks) of additional unpaid, job-protected pregnancy disability leave per pregnancy. An employee's medical leave of absence may be extended as a reasonable accommodation under the ADA and FEHA, depending on the circumstances.

In addition, the FMLA and CFRA provide leave rights related to military service. Eligible employees are entitled to up to 12 workweeks of unpaid, job-protected leave during a 12-month period because of a qualifying exigency related to the covered active duty or call to covered active duty of an employee's covered family member in the Armed Forces. The FMLA further provides for up to 26 workweeks of unpaid, job-protected leave in a single 12-month period for an eligible employee to care for a covered family member recovering from a serious illness or injury sustained in the line of duty.

² Administrative Regulation 96.21, City Policy for People with Disabilities: Employment, describes the disability reasonable accommodation process and consultation provided by the Human Resources Department, Reasonable Accommodations Office, which may be reached at (619) 236-5521.

It is unlawful and a violation of this Policy to interfere with, restrain, or deny an employee's exercise or attempt to exercise any right provided under these leave laws. An employee who exercises their rights under any of these laws shall not be subject to discrimination, harassment, or retaliation.

7. CITY EMPLOYEE RECRUITMENTS

The Mayor, through the Human Resources Department, and the heads of all independent City departments will ensure that the recruitment methods and strategies for unclassified City recruitments and appointments follow this Policy. 8. INTERVIEWS AND SELECTIONS BY APPOINTING AUTHORITY

All interviews and selections by an appointing authority must be conducted in a non-discriminatory manner (Personnel Manual, Index Code F-1). Interview questions and selection materials must be based on job-relevant criteria and carefully designed to not discriminate or have an adverse impact on applicants based on age, ancestry, color, creed, physical or mental disability, gender, gender identity, gender expression, genetic information, marital status, medical condition, veteran or military status, national origin, pregnancy (including childbirth, breastfeeding, or related medical conditions), race, traits historically associated with race (including hair texture and protective hairstyles such as braids, locks, and twists), religion, religious belief, observance, or practice, religious creed, sex, sex stereotype, sexual orientation, transgender status or transitioning, or any other classification protected by federal, state, or local law (including being perceived or regarded as or associated with any protected classification).

Job performance evaluations of managers and supervisors should include a review of their support of and adherence to this Policy.

10. ENFORCEMENT OF THE EEO POLICY

To constitute a potential violation of this Policy, the alleged conduct or employment action must be based on a protected classification (e.g., race, gender, age, disability, etc.) or protected conduct under this Policy (e.g., filing an EEO complaint or requesting accommodation).

11. REPORTING A VIOLATION

Complainants can also pursue a private lawsuit in civil court after the CRD issues a Right-to-Sue Notice. Civil remedies can include damages for emotional distress, backpay, reinstatement, promotion, changes in policy or practice, and attorney's fees and costs.

Manager and Supervisor Responsibilities. Managers or supervisors who receive a report or complaint of a violation of this Policy, or observe or otherwise become aware of possible discrimination, harassment, or retaliation against an employee, applicant, elected official, intern, volunteer, or contract worker, including by a third-party (e.g., a member of the public), must immediately report the alleged conduct to their department management and the department's Human Resources Department Liaison.

Confidentiality. The City will strive to protect the privacy interests of all individuals involved when responding to a report or complaint of a potential violation of this Policy. However, anonymity and complete confidentiality cannot be guaranteed once inappropriate conduct is reported or a complaint is made. While an individual's expressed desire for confidentiality will be taken into consideration, those interests must be weighed against the responsibility of the City to investigate alleged violations of this Policy and take appropriate corrective and preventive action. Information pertaining to EEO complaints will be maintained in confidence to the fullest extent permitted by law.
