PROPOSED CHARTER AMENDMENTS

The following proposed amendments to the Charter of the City of San Diego, California, will be submitted to the voters of the City of San Diego on Tuesday, April 21, 1953.

FRED W. SICK, City Clerk.

00452

PROPOSITION A.

Amend Section 107 of Article VII of the Charter of The City of San Diego to read as follows:

"Section 107. The Council shall determine which officers of the City shall give bonds for the faithful performance of their official duties, and fix the amount of such bonds. Each officer upon entering upon his duties shall deliver to the City a surety bond executed by a reliable surety company authorized to do business in the State of California in the penal sum required, which surety bond shall include other offices of which he may be an ex-officio incumbent, and shall also cover the services of any and all assistants and deputies of said officer. The Council may, however, if it so desires, purchase from a reliable surety company authorized to do business in the State of California a blanket surety bond, which shall insure the faithful performance of the official duties of each officer named therein and fix the amount of each bond for each officer named therein. Each bond or the blanket bond if so purchased shall be approved by the Council and filed with the City Clerk. The premium of all such bonds shall be paid by the City."

(THIS PROPOSITION WILL APPEAR ON THE BALLOT IN THE FOLLOWING FORM)

The Department of Public Works shall have charge of streets, sewers, refuse collection and disposal, public buildings, shops, and the manufacturing, storing and repairing of automotive equipment, machinery, tools and other implements and equipment used by the City in connection with the administration of said Department of Public Works.

The Manager is authorized to divide the department into administra-

The Manager shall also appoint a Street Superintendent, who shall be under the direction of the City Engineer, and shall do and perform any and all duties which may be imposed upon such Street Superintendent by public improvement laws of the State or this Charter."

changed use or purpose having been first authorized or later ratified by a vote of two-thirds of the qualified electors of the City voting at an election for such purpose. However, real property which has been heretofore or which may hereafter be set aside without the formality of an ordinance or statute dedicating such lands for park, recreation or cemetery purposes may be used for any public purpose deemed necessary by the Council.

Whenever the City Manager recommends it, and the City Council finds that the public interest demands it, the City Council may, without a vote of the people, authorize the opening and maintenance of streets and highways over, through and across City fee-owned land which has heretofore or hereafter been formally dedicated in perpetuity by ordinance or statute for park, recreation and cemetery purposes.

The Park and Recreation Director shall have such other duties as may be imposed upon him by ordinance of The City of San Diego or as directed by the City Manager.

The City Manager shall have authority, subject to the approval of the Council, to enter into such contracts as may be deemed desirable for the best interests of the City for the joint operation and control of playgrounds by the San Diego Unified School District and the City. All such contracts shall be executed by the Board of Education of the San Diego Unified School District and the Manager, and may provide:

- (1) For the joint operation and control of playgrounds or recreation fields which may be owned by either the City or the said school district.
- (2) For selection of personnel to control such jointly operated playgrounds and recreation fields.
- (3) For payment of compensation to personnel so selected and by virtue of the authority of said contract.
- (4) For proper maintenance and equipment of such jointly owned and operated playgrounds and recreation fields.

In the event that a contract is entered into with the San Diego Unified School District as herein authorized, the Director of Parks and Recreation shall perform such services in connection with such operation as may be provided for in said contract.

The Director of Parks and Recreation shall also have charge of the management, control, preservation, regulation, improvement and embellishment of all public burial grounds and cemeteries belonging to the City, and the sale of lots therein. At least fifty per cent of the net proceeds from the sale of all cemetery lots shall be deposited with the City Treasurer and be kept in a fund to be known as the Cemetery Perpetuity Fund. This fund shall be administered by the Funds Commission and shall be invested in such income-producing securities as the Funds Commission may decide. The principal of the perpetuity fund (subject to such accretion or diminution as may result from investing the same) shall not be available for meeting expenses for maintenance or upkeep of the cemeteries in any manner whatsoever. All income derived from the investment of the moneys in said perpetuity fund, together with the balance of the sale price of said lots not placed in the perpetuity fund, shall be expended in

~~the maintenance and upkeep of the cemeteries and the perpetual care and upkeep of all graves and lots in said cemeteries; provided, however, that if in any one year such income is more than needed for the purpose of such maintenance, upkeep and perpetual care the Council may direct that the excess over and above that needed as above provided may be used for any other municipal purpose. Until the income from said investments of said perpetuity fund and the balance of the sale price of said lots each year are sufficient to maintain the cemeteries and to provide perpetual care and upkeep of all graves and lots in said cemeteries the Council shall annually appropriate from other revenues an amount sufficient to enable the City to provide perpetual care and upkeep of all graves and lots in the cemeteries.~~

There is hereby created a Park and Recreation Commission to consist of seven members, two of whom shall be appointed by the Board of Education of the San Diego Unified School District, one of whom shall be a member of said Board of Education; two of whom shall be appointed by the City Manager; and three of whom shall be appointed by the Mayor with the consent of the Council. The terms of office of the members of the Commission shall be four years. The members of the first commission appointed hereunder shall by lot stagger their terms so that two shall serve for one year, two shall serve for two years, and two for three years, and the remaining one for four years. The Park and Recreation Commission shall advise with and recommend to the Manager and Director of Parks and Recreation with respect to public policy matters relating to the maintenance and operation of parks, playgrounds, recreational activities and cemeteries in The City of San Diego.
