

To the Honorable, the Common Council, San Diego, California,

GENTLEMEN:

The undersigned respectfully petition as follows:

That City Ordinance # 7056, dated June 25th. 1917, and any other ordinance of the same purport, be repealed for the following reasons:

Bathing at the Cove and other beaches at La Jolla is the principal attraction and diversion of our Summer visitors. Many of these have been subjected to excessive embarrassment through the enforcement of this ordinance; and some to such an extent that they have canceled their leases and returned to their homes, to La Jolla's loss in income and prestige.

We believe this ordinance to be both unjust and discriminatory.
