

Dear Mike Rodrigues,

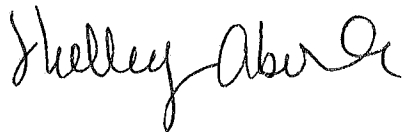

It's my pleasure to recommend that the newly constructed park of Del Mar Mesa be named after my neighbor and dear friend Elizabeth Rabbit. I have known Elizabeth for almost 6 years and can attest to her strength of character and compassion for others. I can honestly say, I don't know of any contributing member of our community more devoted than Elizabeth.

I first met Elizabeth when my children and I would take walks by her property. Elizabeth has always amazed me with her commitment to our community and with her spirit of giving back. As she likes to say "everything deserves a second life." She spreads joy to the neighbors by greeting people as they walk by, sharing her abundance of fruits and vegetables from her garden and always offering to help when something needs attention on the Mesa.

On a personal level, Elizabeth is a cherished friend and all around lovely person. She is thoughtful, reliable and warm and the kids in the neighborhood look forward to seeing her smiling face working on her farm. Elizabeth has worked hard to create what we all enjoy on the Mesa and truly deserves having the new park named after her.

Thank you for your consideration~

Sincerely,

A handwritten signature in cursive script that reads "Shelley Aberle". The signature is written in black ink and is positioned above the printed name.

Dear Sir, I am part of the Del Mar Mesa Community and writing you to lend my and my husband's support for naming the new Park up here after Elizabeth Rabbit

I have been her neighbor and friend since 1995 when she bought the property next to me and moved in. For 20 plus years she has been the BEST neighbor to my family, and everyone up here who knows her and her husband Mike. Elizabeth goes out of her way to do good in our community, from trail restoration, to leaving fruit and vegetables from her garden in her extra large mail box for anyone who wants them, and she could tell you the names of most of the kids who live in the neighborhood, and their parent's names. She loves when kids come by to see the goats and chickens, and is happy to visit with people walking by. Elizabeth has been involved in the progress and growth of Del Mar Mesa because she truly loves it up here.

Honestly, I can't think of a better name than Rabbit Park for our community. It would be a shame not to honor the wishes of the people who live up here, and already call it Rabbit Park. I'm asking for your support at the meeting when this will be discussed.

Thank you for your time,

Stephen and Tina Jackson

Hello -

I am writing to show my support of naming the Del Mar Mesa Park after Elizabeth Rabbitt. We moved up to "the Mesa" over 15 years ago, when we had one baby girl. Now we have three teenagers. When we first moved up here the main road up "little McGonigle road" was a dirt road and there weren't any houses except for Elizabeth Rabbits "Hooterville Estates". It was about 15 years ago when we moved up here and that park was promised to be built. We are so happy it is finally going to be finished. Over the years, many homes have been built and many families have been raised. But one thing remains the same and that is the charm of Elizabeth and Mike's "Hooterville" farm. The kids enjoy playing with and feeding the goats and chickens. We all wave excitedly when she rides by on her horses. We all enjoy eating the fruits of her labor. This neighborhood was built around their loving farm and its charm has been the backbone of our community. And we all want to be Elizabeth when we grow up.

Thank you, Michelle Mansukhani
