

## Business Resources

*Propel San Diego partners are ready to respond to your needs with tools and resources to help your business thrive!*

- **Financing Information** - Propel San Diego partners can provide information on low interest loan programs, tax incentives and assistance programs.
- **Research** - The foundation of good business decisions start with strong data. Propel San Diego partners provide research to local companies to give them the edge they need to make well-informed decisions to encourage and support economic investment.
- **Site Search Assistance** - Propel San Diego partners are equipped to assist businesses who seek to relocate or expand. Customized site searches are conducted based on business needs.
- **The Connectory.com Network** ([www.connectory.com](http://www.connectory.com)) - The Connectory network is a buyer-supplier resource that contains over 24,000 in-depth capability profiles of manufacturing, technology, and supply chain companies.
- **Workforce** - Employment and job-training programs, including financial assistance programs, are available for employers.
- **Meetings & Events** - Propel San Diego partners conduct a variety of meetings, events, bus tours and forums in an effort to educate, inform and encourage business connections within the region and to address opportunities or challenges for businesses.

*Whether it is connecting you to industry peers or finding the right talent or necessary capital to grow your business, Propel San Diego leverages its network of partners to help companies grow in the San Diego region. We will serve as your advocate with local government agencies and facilitate introductions to industry trade associations and other private organizations throughout our region.*
