

Child Care Providers:

Be a part of the City of San Diego's NEW Child Care Benefit Pilot Program!

This Municipal Child Care Benefit Pilot Program for City of San Diego employees helps subsidize the children of eligible City of San Diego employees, helping to cover their Child Care costs.

There's no charge or fee to participate in this pilot program and you'll receive 100% of your Child Care enrollment fees.

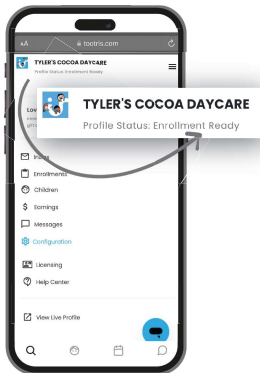

Help City of San Diego eligible employees and be setup to receive employer-sponsored fees by activating your TOOTRiS profile.
