

# Child Caregivers:

## Be a part of the City of San Diego's NEW Child Care Benefit Pilot Program!

The Municipal Child Care Benefit Pilot Program helps subsidize the Child Care costs for children of eligible City of San Diego employees.

This program is open to licensed Child Care programs, as well as, "Family, Friends and Neighbor" caregivers. There's no charge or fee to participate in this pilot program and you'll receive 100% of your child care fees.

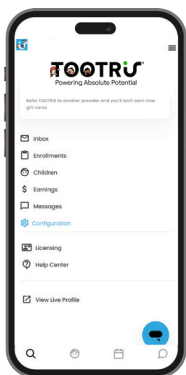

Help City of San Diego eligible employees and be setup to receive employer-sponsored fees by activating your TOOTRiS profile.
